Bibliography on Indigenous Rights in Canada, 1995-2022

© Leslie Haddock and Kent McNeil

Osgoode Hall Law School
York University
Toronto, Canada

August 2022

Note to users: This bibliography does not purport to be comprehensive, especially insofar as non-legal materials are concerned. Also, although we have done our best to be as accurate as possible, no doubt there are errors, for which we ask your forgiveness.

An attempt has been made to include works that deal with more than one topic in the Table of Contents under each of the relevant headings.

A bibliography covering the pre-1995 period, Indigenous Peoples in Canada: A Bibliography of Legal and Other Works to 1994, compiled by Kristen Clark, Leslie Haddock, and Kent McNeil, Osgoode Hall Law School, is posted on the same websites as this bibliography.
TABLE OF CONTENTS

1. **BOOK REVIEWS** .................................................................................................................. 7

2. **ABORIGINAL POLITICAL ORGANIZATION** (see also POLITICS / POLITICAL THEORY) .. .......................................................... 19

3. **ABORIGINAL RIGHTS** (see also ABORIGINAL TITLE; INDIGENOUS LAW; INUIT; LAND CLAIMS; MÉTIS; SELF-GOVERNMENT) .............................................................................. 28
   A. **GENERAL** .................................................................................................................................. 28
   B. **FISHING RIGHTS** ....................................................................................................................... 46
   C. **GROUP RIGHTS** .......................................................................................................................... 53
   D. **HUNTING RIGHTS** ...................................................................................................................... 55
   E. **SUI GENERIS RIGHTS** ............................................................................................................... 59
   F. **WATER RIGHTS** ........................................................................................................................... 60

4. **ABORIGINAL TITLE** (see also LAND CLAIMS) ............................................................................. 64

5. **ADMINISTRATIVE LAW** ............................................................................................................ 80

6. **ANTHROPOLOGY** (see also CULTURE) .................................................................................... 82

7. **ARCHAEOLOGY** ............................................................................................................................ 86
