CHAPTER 29

**An Act to amend the
Occupational Health and Safety Act**

Assented to June 29th, 1987

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. Section 1 of the *Occupational Health and Safety Act*, being chapter 321 of the Revised Statutes of Ontario, 1980, as amended by the statutes of Ontario, 1986, chapter 64, section 44, is further amended by adding thereto the following paragraphs:

10a. “hazardous material” means a biological or chemical agent named or described in the regulations as a hazardous material;

10b. “hazardous physical agent” means a physical agent named or described in the regulations as a hazardous physical agent.

2. Subsection 14 (2) of the said Act is amended by adding thereto the following clause:

(aa) in a medical emergency for the purpose of diagnosis or treatment, provide, upon request, information in the possession of the employer, including confidential business information, to a legally qualified medical practitioner and to such other persons as may be prescribed.

3. Part IV of the said Act is amended by adding thereto the following sections:

22a.—(1) An employer shall make or cause to be made and shall maintain an inventory of all hazardous materials and all hazardous physical agents that are present in the work place.

Hazardous
materials
inventory

(2) The inventory required by subsection (1),

Idem

- (a) shall contain such information as may be prescribed; and
- (b) shall be prepared in consultation with the committee or health and safety representative, if any, for the work place or with a worker selected by the workers to represent them, if there is no committee or health and safety representative.

Idem

(3) Where an inventory required by subsection (1) is amended during a year, the employer, not later than the 1st day of February in the following year, shall prepare a revised version of the inventory incorporating all changes made during the preceding year.

Identification of ingredients

(4) Where, under the regulations, an employer is required to identify or obtain the identity of the ingredients of a hazardous material, the employer is not in contravention of the regulations if the employer has made every effort reasonable in the circumstances to identify or obtain the identity of the ingredients.

Idem

(5) An employer shall advise a Director in writing if, after making reasonable efforts, the employer is unable to identify or obtain the identity of the ingredients of a hazardous material as required by the regulations.

Exception

(6) Except as may be prescribed, subsection (1) does not apply to an employer who undertakes to perform work or supply services on a project in respect of materials to be used on the project.

Floor plans

(7) The employer shall provide a Director and any other prescribed agencies with a floor plan of the work place showing the names of all hazardous materials and their location.

Hazardous material, labels and data sheets

22b.—(1) An employer shall ensure that,

- (a) every container present in the work place that contains hazardous material is and remains labelled in the prescribed manner;
- (b) an unexpired material safety data sheet, containing such information and in such form as may be prescribed, is obtained or prepared by the employer; and
- (c) labels and material safety data sheets required by clauses (a) and (b) are available in English and such other language or languages as may be prescribed.

(2) No person shall remove, alter or deface a label described in clause (1) (a) that is on a container. Prohibition

(3) An employer shall ensure that a hazardous material is not used at a work place unless the prescribed requirements concerning labelling, material safety data sheets and worker instruction and training have been complied with. Idem

(4) An employer shall advise a Director in writing if the employer, after making reasonable efforts, is unable to obtain a label or material safety data sheet required by subsection (1). Notice to Director

(5) A material safety data sheet expires three years after the date of its publication. Expiry of material safety data sheet

22c.—(1) A copy of the most recent version of the inventory and of every unexpired material safety data sheet required by this Part in respect of hazardous materials in a work place shall be, Inventory and material safety data sheets to be made available

- (a) made available by the employer in the work place in such a manner as to allow examination by the workers;
- (b) furnished by the employer to the committee or health and safety representative, if any, for the work place or to a worker selected by the workers to represent them, if there is no committee or health and safety representative;
- (c) furnished by the employer to the medical officer of health of the health unit in which the work place is located;
- (d) furnished by the employer to the fire department which serves the location in which the work place is located; and
- (e) filed by the employer with a Director.

(2) The medical officer of health, at the request of any person, shall request an employer to furnish a copy of the most recent version of the inventory or of an unexpired material safety data sheet, as the case may be. Public access

(3) At the request of any person, the medical officer of health shall make available to the person for inspection a copy of any inventory or material safety data sheet requested by Idem

the person and in the possession of the medical officer of health.

Idem

(4) A medical officer of health shall not disclose the name of any person who makes a request under subsection (2) or (3).

Additional requirement

(5) In addition to the requirements imposed under subsection (1), a copy of every material safety data sheet required by subsection (1) shall be made available by the employer in the work place in such a manner that it is readily accessible by all workers who may be exposed to the hazardous material to which it relates.

Time for compliance

(6) The Lieutenant Governor in Council may by regulation establish dates by which employers in any industry or class of industry must provide inventories or inventories and material safety data sheets under clauses (1) (c), (d) and (e) and an employer to whom the regulation applies shall have until that date to comply with those clauses unless the medical officer of health, the fire department or a Director requests the employer to provide a copy of the most recent version of the inventory or of an unexpired material safety data sheet.

Assessment for hazardous materials

22d.—(1) Where so prescribed, an employer shall assess all biological and chemical agents produced in the work place for use therein to determine if they are hazardous materials.

Assessments to be made available

(2) The assessment required by subsection (1) shall be in writing and a copy of it shall be,

- (a) made available by the employer in the work place in such a manner as to allow examination by the workers;
- (b) furnished by the employer to the committee or health and safety representative, if any, for the work place or to a worker selected by the workers to represent them, if there is no committee or health and safety representative.

Confidential business information

22e.—(1) Where, but for this section, an employer would be required under this Part to disclose information that the employer considers to be confidential business information in an inventory, label or material safety data sheet, the employer may, in accordance with the regulations, file a claim with the claims board for an exemption from the requirements.

(2) The claims board, in accordance with its procedures, shall determine the validity of every claim filed under subsection (1). Determination of claim

(3) The employer or any worker of the employer or any trade union representing the workers of the employer may, in accordance with the regulations, appeal a determination made under subsection (2). Appeal

(4) The claims board, in accordance with its procedures, shall determine every appeal under subsection (3). Determination of claim

(5) Information that an employer considers to be confidential business information is exempt from disclosure from the time a claim is filed under subsection (1) until the claim is finally determined and thereafter, if the claim is found to be valid. Effect of claim

(6) Where the Parliament of Canada establishes an agency that has the power to determine whether information related to any hazardous material is confidential business information, the Lieutenant Governor in Council may by regulation name that agency as the claims board and adopt its procedures for the purposes of this section. Federal agency

(7) In this section, "claims board" means an agency designated by the regulations as the claims board. Definition

22f.—(1) A person who distributes or supplies, directly or indirectly, or manufactures, produces or designs a thing for use in a work place that causes, emits or produces a hazardous physical agent when the thing is in use or operation shall ensure that such information as may be prescribed is readily available respecting the hazardous physical agent and the proper use or operation of the thing. Hazardous physical agents

(2) Where an employer has a thing described in subsection (1) in the work place, the employer shall ensure that the information referred to in that subsection has been obtained and is, Duty of employer
