R.S.O. 1927, c. 233, s. 168.

174.—(1) If within six weeks after an election, or one month after the acceptance of office by a member of a council a person entitled to be a relator shows by affidavit reasonable ground for supposing that the election was not legal, or was not conducted according to law, or that the person declared elected was not duly elected, or for contesting the validity of the election, or if within six weeks after the facts come to the knowledge of a person entitled to be a relator he shows by affidavit reasonable ground for supposing that a member of a council has forfeited his seat or become disqualified since his election, the judge or the master in chambers, as the case may be, shall give his fiat, authorizing the relator, upon entering into a recognizance as hereinafter provided, and the same being allowed as sufficient, to serve a notice of motion to determine the matter.

**284.**—(1) Where the proposed by-law is a money by-law or one on which all the municipal electors are not entitled to
vote, the clerk, after the passing of the by-law for taking the vote, and not later than the tenth day before the day appointed for taking the vote, shall prepare a list of the persons entitled to vote on the proposed by-law and, subject to section 286 and to section 22 of The Voters' Lists Act., the list so prepared shall be final and conclusive as to the right of every person named therein to vote, and that no person not named therein is entitled to vote.

(2) The clerk shall prepare such list from the last revised voters' list, and in the case provided for by section 105 from the last revised assessment roll, omitting from his list the names of all persons whose names are entered on such voters' list or assessment roll, but are not entitled as appears by such list or roll to vote on the by-law, and in the case of money by-laws including in the list the nominees of corporations who are entitled to vote on the by-law.

(3) When the voting is to take place at the same time as the annual municipal elections, it shall be sufficient in the case of persons whose names are entered on the voters' list as tenants, if there is written on the voters' list used for the purpose of the election opposite to the name of such of them as are entitled to vote on the by-law the words "entitled to vote on the by-law," and it shall be deemed that the names of all others of such persons are omitted from the list within the meaning of subsection 2.

(4) The list prepared by the clerk shall be certified by him to be a true and correct list of all persons entitled to vote on the proposed by-law, and shall be forthwith posted up in his office. R.S.O. 1927, c. 233, s. 275.

285.—(1) At any time not later than five days before the day appointed for taking the vote, a judge, upon the application of any person whose name is entered on the list of voters prepared by the clerk, or of any person entitled to be entered on that list, may strike from the list the name of any person who is dead or whose name has been wrongfully entered on it, and may add to the list the name of any person whose name has been wrongly omitted from the list, or who, if a tenant, though he had not made the declaration prescribed by subsection 3 of section 283, establishes that he has the qualification prescribed by that section.

(2) For the purpose of proving a death, the certificate of the Registrar-General, or of the Division Registrar, shall be sufficient evidence, but if the identity of the person who is dead with the person whose name is sought to be struck off is disputed, or open to reasonable doubt, proof of the identity shall be required.
(3) The proceedings shall be the same, as nearly as may be, as prescribed by subsection 2 of section 21 of The Voters' Lists Act. R.S.O. 1927, c. 233, s. 276.

286. Where all the municipal electors are entitled to vote on the proposed by-law, the same lists shall be used in taking the vote as would be the proper voters’ list to be used at a municipal election, and such lists shall be as final and conclusive as to the right to vote as when used at a municipal election. R.S.O. 1927, c. 233, s. 277.

287. In a municipality divided into wards, a voter shall be entitled to vote on a money by-law in each ward in which he has the prescribed qualification, but shall not be entitled to vote more than once on any other by-law or on any question submitted to the electors unless it is otherwise expressly provided by the Act, by-law, or other authority under which the vote is taken. R.S.O. 1927, c. 233, s. 278.

288. The clerk, if otherwise qualified, shall be entitled to vote, but not to give a casting vote. R.S.O. 1927, c. 233, s. 279.

289. The ballot papers shall be according to Form 24 when the voting is on a by-law, and according to Form 25 when it is on a question. R.S.O. 1927, c. 233, s. 280.

290. The printed directions to voters shall be according to Form 26. R.S.O. 1927, c. 233, s. 281.

291.—(1) Where all the municipal electors are entitled to vote, the voter’s oath shall be the same mutatis mutandis as at a municipal election where the members of the council are elected by general vote.

(2) In the case of a money by-law, a voter shall not be entitled to select the form of oath he will take, but the oath to be taken by him shall be that applicable to his qualification as an owner or tenant, as it appears in the list of voters. R.S.O. 1927, c. 233, s. 282.

292. Except as otherwise in this Part provided, Part III shall apply mutatis mutandis to voting on a by-law. R.S.O. 1927, c. 233, s. 283.

293. After the clerk has summed up the number of votes cast, he shall declare the result of the voting and shall forthwith certify to the council the number of votes cast for and against the by-law. R.S.O. 1927, c. 233, s. 284.
294. A by-law shall be deemed to have been assented to by the electors if a majority of the votes cast is in favour of the by-law. R.S.O. 1927, c. 233, s. 285.

295. Where the by-law is proposed to be passed by a county council, the proceedings shall be similar to those in the case of a by-law proposed to be passed by the council of a local municipality except that the list of voters for each local municipality shall be prepared by the clerk of it and not by the clerk of the county council, and that the declaration and appointment provided for by subsections 3 and 4 of section 283 shall be filed with the clerk of the local municipality. R.S.O. 1927, c. 233, s. 286.

Scrutiny.

296.—(1) Within two weeks after the clerk has declared the result of the voting, any person who was entitled to vote upon the by-law or the council, after giving notice of the application to such persons as the judge directs, may apply to a judge of the county or district court of the county or district in which the municipality is situate for a scrutiny of the votes, and if it is shown by affidavit that there are reasonable grounds for the application, and, if the application is by a person entitled to vote on the by-law, he enters into a recognizance before the judge and to be allowed by him, in the sum of $100, with two sureties in the sum of $50 each, conditioned to prosecute the application with effect, and to pay to any person to whom costs may be awarded, the costs awarded to him, the judge may order a scrutiny of the votes to be held, and shall appoint a time and place, within the municipality, for proceeding with it.

(2) At least one week's notice of the time and place appointed, shall be given by the applicant to such persons as the judge directs, and to the clerk.

(3) At the time and place appointed, the clerk shall attend before the judge with the ballot papers, and the judge after hearing such evidence as he may deem necessary, and the parties, or such of them as attend, or their counsel, shall in a summary manner, determine whether the by-law has been assented to as required by this Act, and shall forthwith certify the result to the council.

(4) Where it is proved that any person interested in, and promoting or opposing the by-law, was guilty of bribery or of a corrupt practice in respect of a voter who voted on the by-law, or if any person who is disqualified under subsection 1 of section 62 from voting at an election is proved to have voted there shall be struck off the number of votes given for the
by-law if the person guilty or so disqualified was promoting the by-law, or given against the by-law if the person guilty, or so disqualified was opposing the by-law, one vote for every ballot cast by such voter.

Powers of Judge.

(5) The judge shall have the like power and authority as to all matters arising upon the scrutiny, as would be possessed by him upon a trial of the validity of the election of a member of a council, but shall not have power to set aside the voting on the ground of general bribery or corrupt practices, and the costs shall be in the discretion of the judge, who may direct by whom, to whom, and in what manner they shall be paid.

No appeal.

(6) The decision of the judge shall be final and not subject to appeal. R.S.O. 1927, c 233, s. 287.

Passing By-laws by Council.

297.—(1) Subject to subsection 5, where a proposed by-law, which the council has been legally required by petition or otherwise to submit for the assent of the electors has received such assent, it shall be the duty of the council to pass the by-law within six weeks after the voting took place.

(2) Subject to subsection 5, in other cases it shall not be incumbent on the council to pass the by-law, but if the council determines to pass it, it shall be passed within six weeks after the voting took place and not afterwards.

(3) The by-law in either case shall not be passed until the expiration of two weeks after the result of the voting has been declared, or if within that period an order for a scrutiny has been made, until the result of the scrutiny has been certified by the judge.

(4) The time which intervenes between the making of an application for a scrutiny and the final disposition of it shall not be reckoned as part of the six weeks.

(5) The Municipal Board may, upon the application of the council extend the time for passing the by-law beyond such period of six weeks, and such extension of time may be made although the application for the same is not made until after the expiration of such period of six weeks, and in such case the by-law may be passed within such extended time. R.S.O. 1927, c. 233, s. 288.

Promulgation of By-laws.

298.—(1) The promulgation of a by-law shall consist in the publication of a true copy of it, with a notice (Form 27), appended thereto, at least once a week for three successive weeks.
(2) If an application to quash the by-law, or part of it, is not made within three months after the first publication, the by-law, or so much of it as is not the subject of, or is not quashed upon any such application, shall be valid and binding, according to its terms, so far as the same ordains, prescribes or directs anything within the proper competence of the council. R.S.O. 1927, c. 233, s. 289.

PART XI.

QUASHING BY-LAWS.

299. In this Part "by-law" shall include an order or resolution. R.S.O. 1927 c. 233 s. 290.

300.—(1) The Supreme Court upon application of a resident of the municipality or of a person interested in a by-law of its council may quash the by-law in whole or in part for illegality.

(2) Notice of the application shall be served at least seven days before the return day of the motion.

(3) Before the application is made, the applicant or, if the applicant is a corporation, some person on its behalf, shall enter into a recognizance before a judge of the county or district court of the county or district in which the municipality is situate, with two sureties in the sum of $100, conditioned to prosecute the application with effect, and to pay any costs which may be awarded against the applicant.

(4) The judge may allow the recognizance upon the sureties making proper affidavits of justification, and after it is allowed, the recognizances with the affidavits shall be filed in the Central Office of the Supreme Court.

(5) In lieu of the recognizance, the applicant may pay into Court $100, and the certificate of the payment into Court shall be filed in the Central Office.

(6) After the determination of the proceedings, the judge may order that the money paid into Court be applied in payment of costs, or be paid out to the applicant. R.S.O. 1927, c. 233, s. 291.

301. A by-law; in respect of the passing of which a violation of any of the provisions of sections 199 to 201 has taken place, may be quashed. R.S.O. 1927, c. 233, s. 292.
302. — (1) Where it is alleged that a by-law injuriously affects another municipality or any ratepayer of it, and that the by-law is illegal, in whole or in part, the corporation of such other municipality or any ratepayer of it may apply to quash the by-law.

(2) Where the application is made by a municipal corporation, security for costs shall not be required.

(3) Where the application is based upon an allegation of a violation of any of the provisions of sections 199 to 201, either alone or in conjunction with any other ground of objection, the Supreme Court may direct an inquiry as to the alleged violation to be had before a special examiner or a judge of the county or district court of the county or district in which the municipality is situate, and the witnesses upon the inquiry shall be examined upon oath.

(4) After the completion of the inquiry, the special examiner or the judge shall return the evidence taken before him to the proper officer of the Supreme Court, and the same may be read in evidence upon the motion to quash.

(5) Where an order, directing an inquiry, under subsection 3, has been made, and a copy of it has been left with the clerk of the municipality, nothing shall be done under the by-law unless the Supreme Court otherwise orders, until the application is disposed of.

(6) In other cases the Court may direct that nothing shall be done under the by-law until the application is disposed of. R.S.O. 1927, c. 233, s. 293.

303. An application to quash, in whole or in part, a by-law which has not been promulgated or registered under the provisions of section 314, shall not be entertained unless the application is made within one year after the passing of the by-law, unless it required the assent of the electors, and had not been submitted for, or had not received their assent; but in that case an application may be made at any time. R.S.O. 1927, c. 233, s. 294.

PART XII.

MONEY BY-LAWS

304. — (1) In this Part "debt" shall include liability and the borrowing of money. R.S.O. 1927, c. 233, s. 295 (1).
(2) "Rateable property" when used in this Act or in any by-law heretofore or hereafter passed which directs the levying of a rate on the rateable property in the municipality or any part of it, shall include income and business assessment as defined by The Assessment Act. R.S.O. 1927, c. 233, s. 295 (2); Rev. Stat. c. 272.

305.—(1) A money by-law shall recite,—

(a) the amount of the debt intended to be created, and in brief and general terms, the object for which it is to be created;

(b) the amount of the whole rateable property of the municipality according to the last revised assessment roll, or, in the case of a county, the last revised and equalized assessment rolls of the local municipalities of which the county is composed;

(c) the amount of the debenture debt of the corporation, and how much, if any, of the principal or interest is in arrear;

(d) the approval of the Department of Health as required by subsection 2 of section 102 of The Public Health Act, if the by-law be for raising money for any of the purposes mentioned in section 96 or 101 of that Act.

(2) The whole debt and the debentures to be issued therefor shall be made payable within the respective periods hereinafter mentioned at furthest from the time when the debentures are issued,—

(a) if the debt is for railways, harbour works or improvements, sewers, gas or waterworks, the purchase or improvement of parks or the erection of high, continuation or public school houses, public hospitals and the acquiring of land therefor, or for electric light, heat or power works or water privileges or land used in connection therewith, or for acquiring land for a drillshed or armoury, in thirty years;

(b) if the debt is for the establishment of a system of public scavenging or for the collection and disposal of ashes, refuse and garbage, in ten years;

(c) if the debt is for the purchase of road-making machinery and appliances, in five years;

(d) if the debt is for any other purpose, the whole debt, and the debentures to be issued therefor, shall be made payable in twenty years. R.S.O. 1927, c. 233, s. 296 (1, 2).
(3) Where the principal of the debt is made payable at a fixed date with interest payable annually or semi-annually, the by-law shall provide for the raising in each year during the currency of the debentures, or of any set of them by a special rate on all the rateable property in the municipality of,—

(a) a specific sum, sufficient to pay the interest on the debentures, or on any set of them, when, and as it becomes due; and

(b) a specific sum, which, with the estimated interest, at a rate not exceeding 3 per centum per annum, capitalized yearly, will be sufficient to pay the principal of the debentures, or of any set of them, when, and as it becomes due. R.S.O. 1927, c. 233, s. 296 (3); 1936, c. 39, s. 21 (1).

(4) Instead of the principal being made payable at a fixed date, with interest, payable annually or semi-annually, the by-law may provide that the principal and the interest shall be combined, and be made payable in, as nearly as possible, equal annual instalments during the period for which the debentures are to run, or that, without combining the principal and interest, the instalments of principal shall be of such amounts that, with the interest in respect of the debt, payable annually or semi-annually, the aggregate amount payable for principal and interest in each year shall be, as nearly as possible, the same; provided, that each instalment of principal may be for an even $100, $500, or $1,000, or multiple thereof, and notwithstanding anything herein contained, the annual instalments of principal and interest may differ in amount sufficiently to admit thereof.

(5) Instead of the principal being made payable as above provided, the by-law may provide that the principal may be repaid in equal annual instalments with interest annually or semi-annually upon the balances from time to time remaining unpaid.

(6) In the cases provided for by subsections 4 and 5, the by-law shall provide for raising in each year in which an instalment becomes due by a special rate on all the rateable property in the municipality, a specific sum sufficient to pay it when and as it becomes due.

(7) The council may by by-law, without the assent of the electors, authorize a change in the mode of issue of the debentures, and may provide that the debentures be issued with coupons, instead of in amounts of combined principal and interest or vice versa, and where any debentures issued under the by-law have been sold, pledged or hypothecated by the council, upon again acquiring them, or at the request of any
holder of them, may cancel them, and issue one or more debentures in substitution for them, and make such new debenture or debentures payable by the same or a different mode on the instalment plan, but no change shall be made in the amount payable in each year.

(8) All the debentures shall be issued at one time and within two years after the passing of the by-law, unless on account of the proposed expenditure for which the by-law provides being estimated or intended to extend over a number of years, and of its being undesirable to have large portions of the money in hand unused and uninvested, in the opinion of the council, it would be of advantage to so issue them, and in that case the by-law may provide that the debentures may be issued in sets of such amounts, and at such times as the circumstances require, but so that the first of the sets shall be issued within two years, and all of them within five years, after the passing of the by-law.

(9) All the debentures shall bear the same date, except where they are issued in sets, and in that case every debenture of the same set shall bear the same date.

(10) Notwithstanding the provisions of the by-law, the debentures may bear date at any time within the period of two years or five years, as the case may be, mentioned in subsection 8.

(11) The Municipal Board, on the application of the council or of any person entitled to any of the debentures, or of the proceeds of the sale thereof, may extend the time for issuing the debentures beyond the two years, or the time for the issue of any set beyond the time authorized by the by-law.

(12) The extension may be made, although the application is not made until after the expiration of the two years or of the time provided for the issue of the set.

(13) Unless the by-law names a later day when it is to take effect, it shall take effect on the day of its passing. R.S.O. 1927, c. 233, s. 296 (4-13).

(14) No by-law providing for the issue of sinking fund debentures shall be submitted for the assent, or to obtain the opinion of the electors, and no debt shall be incurred for any purpose if it is intended that the cost be provided by the subsequent issue of sinking fund debentures, until the approval of the Municipal Board as to the issue of sinking fund debentures has first been applied for and obtained. 1936, c. 39, s. 21 (2).
Chap. 266.    MUNICIPAL INSTITUTIONS.    Sec. 306 (1).

306.—(1) The authority conferred by this Act and any other general or special Act upon municipalities to borrow or raise money for any purpose and to issue debentures therefor shall extend to and shall be deemed always to have extended to include power to borrow and raise such money and to issue such debentures expressed and payable in sterling money of Great Britain for such principal amount as the council may deem necessary to realize the sum required for such purpose.

(2) Where under the provisions of any by-law of a municipality debentures issued thereunder are expressed and made payable in sterling, the council may in such by-law or in any amending by-law, in lieu of providing for the raising in each year during the currency of the debentures specific sums sufficient to pay interest thereon and to meet sinking fund payments or instalments of principal falling due in such year, provide that there shall be raised such yearly amount as may be necessary for the said purposes and as the requirements for such purposes may from year to year vary.

(3) No by-law for the borrowing and raising of money or the issue of debentures expressed and payable in sterling shall finally be passed until the same is approved by the Municipal Board. 1933, c. 37, s. 8.

307.—(1) Except where otherwise provided by this or any other Act, a corporation shall not incur any debt the payment of which is not provided for in the estimates for the current year, unless a by-law of the council authorizing it has been passed with the assent of the electors. R.S.O. 1927, c. 233, s. 297 (1).

(2) Where a corporation gives a premium note for fire insurance, it shall not be deemed to be incurring a debt, the payment of which is not provided for in the estimates for the current year, as provided by subsection 1. 1930, c. 44, s. 10.

(3) Subsection 1 shall not apply to a by-law passed,—

   (a) under section 309, or paragraph 2 of section 407; or
   
   (b) under The Local Improvement Act; or
   
   (c) by the council of a county, or of a city which forms part of a county for judicial purposes, for raising money for erecting, rebuilding, enlarging, furnishing and equipping court house and offices to be used in connection therewith, a gaol, a gaoler's residence and a registry office, and for acquiring such land and buildings as may be necessary or convenient for such purposes; or
(d) by the council of a city or a separated town for raising such sum as is required to pay its share of the debt of the county as agreed upon or determined by arbitration; or

(e) by the council of a city with the approval of the Municipal Board for raising such sum as may be required to pay its share of the cost of constructing or reconstructing a bridge over any stream which constitutes a dividing line between the city and any other municipality or of reconstructing any existing bridge within the municipality; but the aggregate amount to be raised for all of such purposes in any one year shall not be more than $10,000 where the city has a population of not more than 20,000; or $15,000 where the city has a population of more than 20,000 and not more than 100,000; or $20,000 where the city has a population of more than 100,000; or

R.S.O. 1927, c. 233, s. 297 (2), cls. (a-c).

(f) by the council of any municipality with the approval of the Municipal Board for borrowing such sum or sums as may be required to pay or defray the cost or share of the cost of any work or improvement which by the terms of any order of the Board of Railway Commissioners of Canada or of the Municipal Board the municipality is or has been authorized or required to undertake or pay, or of any work or improvement which, in the opinion of the Municipal Board, is or has been rendered necessary or expedient owing to the construction of any work or improvement ordered by either of the said boards; but where any such work or improvement is or has been merely authorized, but not required to be undertaken by the municipality, no sum or sums may be borrowed hereunder unless the work was undertaken with the approval of the Municipal Board; or

1931, c. 50, s. 18.

(g) by the council of an urban municipality for raising such sum as may be required for the purchase of a site in the municipality for an armoury or drill-shed for any militia or volunteer corps having its headquarters in the municipality, if the by-law is passed by a vote of two thirds of all the members of the council; or

(h) by the council of a county for guaranteeing debentures of a local municipality; or
(i) by the council of an urban municipality for purchasing fire engines, appliances, apparatus and appurtenances as provided by paragraph 16 of section 407; or R.S.O. 1927, c. 233, s. 297 (2), cls. (g-i).

(j) for borrowing money for any of the purposes mentioned in section 54 or 55 of The Public Schools Act, or section 43 of The High Schools Act, or subsection 2 of section 3 of The Continuation Schools Act; or R.S.O. 1927, c. 233, s. 297 (2), cl. (j); 1928, c. 37, s. 6.

(k) for borrowing a sum not exceeding $5,000 for the purpose of making a grant to the University of Toronto; or

(l) under section 508; or

(m) for borrowing any sum or incurring any debt which under the provisions of The Public Health Act may be borrowed or incurred without the assent of the electors. R.S.O. 1927, c. 233, s. 297 (2), cls. (k-m).

308. A municipal corporation may enter into any contract for the supply of a public utility as defined by The Public Utilities Act, to the corporation or to the inhabitants thereof for any period not exceeding 10 years in the first instance and for renewing such contract from time to time for further periods not exceeding 10 years at any one time if a by-law setting forth the terms and conditions of such contract has been first submitted to and has received the assent of the municipal electors in the manner provided by this Act. R.S.O. 1927, c. 233, s. 298.

309.—(1) A county council may in any year borrow any sum or sums not exceeding in the whole $20,000 over and above what is required for its ordinary expenditure and over and above any sum which the council is by this Act or any other Act expressly authorized to borrow without the assent of the electors. R.S.O. 1927, c. 233, s. 299 (1).

(2) A county council may also borrow without the assent of the electors a sum not exceeding $50,000 by the issue of debentures payable within thirty years for the purpose of making a grant for the erection, establishment, maintenance or equipment of a public hospital in any municipality, including a city or separated town, in the county. 1929, c. 58, s. 3.

(3) Subject to subsection 4, the by-law shall be passed at a meeting specially called for the purpose of considering it, and held not less than six weeks after the first publication of a
notice of the day appointed for the meeting which shall be published once a week for four successive weeks, and shall state the amount to be borrowed, and the purpose for which it is to be borrowed.

(4) The by-law may be passed at any regular or special meeting to which the consideration of it may be adjourned. R.S.O. 1927, c. 233, s. 299 (2. 3).

310.—(1) Where, owing to a decline or an advance in the rate of interest between the passing of a money by-law and the sale or other disposal of the debentures, they or any of them cannot be sold or disposed of, except at a heavy premium or at a discount involving a substantial reduction in the amount required to be provided, the council may, with the approval of the Municipal Board, and without submitting the same for the assent of the electors, pass a by-law to amend the first-mentioned by-law, by providing for a different rate of interest, and for a corresponding change in the amount to be raised annually. R.S.O. 1927, c. 233, s. 300.

(2) For the purposes of this section, the hypothecation of debentures under section 337 at any time heretofore or hereafter made shall not constitute a sale or other disposal thereof. 1932, c. 29, s. 9.

311.—(1) Where part only of a sum of money provided for by a by-law has been raised, the council may repeal the by-law as to any part of the residue, and as to a proportionate part of the amounts to be raised annually.

(2) The repealing by-law shall recite the facts on which it is founded, shall be appointed to take effect on the 31st day of December in the year of its passing, shall not affect any rates due, or penalties incurred before that day and shall not take effect until approved by the Municipal Board. R.S.O. 1927, c. 233, s. 301.

312. Subject to section 311, after a debt has been contracted under a by-law, the council shall not, until the debt and interest have been paid, repeal the by-law or any by-law appropriating for the payment of the debt or the interest, the surplus income from any work or any interest therein, or money from any other source, and shall not alter any such by-law, so as to diminish the amount to be raised annually, and shall not apply to any other purpose any money of the corporation which has been directed to be applied to such payment. R.S.O. 1927, c. 233, s. 302.
313. Any officer of a corporation, whose duty it is to carry into effect any of the provisions of a money by-law who neglects or refuses to do so, under colour of a by-law illegally attempting to repeal or amend it, so as to diminish the amount to be raised annually under it, shall incur a penalty not exceeding $100. R.S.O. 1927, c. 233, s. 303.

Registration of Money By-Laws.

314.—(1) Within four weeks after the passing of a money by-law, the clerk shall register a duplicate original or a copy of it certified under his hand and the seal of the corporation, in the case of a county, in the registry division in which the county town is situate, and, in the case of a local municipality, in the registry division in which it is situate, or if the municipality comprises parts of two or more registry divisions in either of them.

The clerk who neglects to perform within the prescribed period the duty imposed upon him by subsection 1 shall incur a penalty of $200, recoverable by action, and, in default of payment, shall be liable to imprisonment for such period not exceeding twelve months, as the court may direct.

(3) Notice (Form 28), of the registration of every such by-law, except a by-law which has received the assent of the electors, or a by-law mentioned in subsection 4 shall immediately after its registration be published at least once a week for three successive weeks.

(4) It shall not be obligatory to register a by-law for the issue of debentures passed under The Municipal Drainage Act or under The Local Improvement Act.

(5) Every by-law registered in accordance with the provisions of subsection 1, or before the sale or other disposition of the debentures issued under it, and the debentures shall be valid and binding, according to the terms thereof, and the by-law shall not be quashed, unless within one month after the registration in the case of by-laws to which subsection 4 applies, and in the case of other by-laws, within three months after the registration or where publication of the notice provided for by subsection 3 is required within three months after the first publication of the notice, an application or action to quash the by-law is made to or brought in a court of competent jurisdiction, and a certificate under the hand of the proper officer of the court and its seal, stating that such application has been made or action brought is registered in such registry office within such period of three months, or one month, as the case may be.
(6) After the expiration of the period prescribed by subsection 5, if no application or action to quash the by-law is made or brought, the by-law shall be valid and binding according to its terms.

(7) If an application or action to quash the by-law is made or brought within the period prescribed by subsection 5, but part only of the by-law is sought to be quashed, the remainder of it, if no application or action to quash it is made or brought within that period, shall after the expiration of that period be valid and binding according to its terms.

(8) If the application or action is dismissed in whole or in part, a certificate of the dismissal may be registered, and after such dismissal and the expiration of the period prescribed by subsection 5, if it has not already expired, the by-law, or so much of it as is not quashed shall be valid and binding according to its terms.

(9) Nothing in this section shall make valid a by-law, which requires, but has not received, the assent of the electors, or a by-law where it appears on the face of it that any of the provisions of subsections 2, 3, 4 and 6 of section 305 have not been substantially complied with.

(10) Failure to register a by-law or to publish notice of the failure to register of a by-law, as prescribed by this section, shall not invalidate it. R.S.O. 1927, c. 233, s. 305.

PART XIII.

YEARY RATES AND ESTIMATES.

315.—(1) The council of every municipality shall in each year levy on the whole rateable property according to the last revised assessment roll, a sum sufficient to pay all debts of the corporation, whether of principal or interest, falling due within the year, but shall not assess and levy in any year more than two and a half cents in the dollar on the assessed value of such property, according to the last revised assessment roll, exclusive of school and local improvement rates and exclusive of any rate not exceeding two mills in the dollar for granting aid to public hospitals for the purposes mentioned in paragraph 28 of section 404. R.S.O. 1927, c. 233, s. 306 (1); 1930, c. 44, s. 12 (1).

(2) If the aggregate amount of the rates necessary for payment of the current annual expenditure of the corporation, and the principal and the interest of such debts exceeds the rate mentioned in subsection 1, the council shall assess and levy
such further sum as may be necessary to discharge such debts, but shall not contract any further debt until the annual rates are reduced to that rate without the approval of the Municipal Board which may be given if it is shown to the satisfaction of the Board that it is in the interests of the corporation and the ratepayers thereof that it should be authorized to incur such further debt and to levy any additional rate necessary to discharge it. R.S.O. 1927, c. 233, s. 306 (2).

316. (1) The council of every municipality shall in each year prepare and adopt estimates of all sums required during the year for the purpose of the municipality, including the sums required by law to be provided by the council for school purposes and for any board, commission or other body, and such estimates shall set forth the estimated revenues and expenditures in such detail and according to such form as the Department may from time to time prescribe. 1932, c. 29, s. 10 part; 1935, c. 43, s. 2 (5).

(2) The estimates shall provide due allowance for the cost of collection, abatement of and discount on taxes and uncollectible taxes, and may provide due allowance for taxes which may not be collected during the year.

(3) One by-law or several by-laws for levying the rates may be passed as the council may deem expedient. 1932, c. 29, s. 10 part.

(4) The Department may prescribe the form of estimates to be prepared by the council and may from time to time vary the same. 1932, c. 29, s. 10 part; 1935, c. 43, s. 2 (5).

(5) The council may by by-law require that the estimates for the current year of every board, commission or other body for which the council is by law required to levy any rate or provide money, shall be submitted to the council on or before the 1st day of March in each year, and that such estimates shall be in the form and give the particulars which the by-law prescribes. 1933, c. 37, s. 9.

317.—(1) Where the amount collected falls short of the sum required, the council may direct that the deficiency be made up from any unappropriated fund, or, if there is no such fund, the deficiency may be deducted proportionately from the sums estimated, or from any one or more of them.

(2) Where the amount collected exceeds the estimates, the surplus shall form part of the general funds, and shall be at the disposal of the council, unless otherwise specially appropriated. R.S.O. 1927, c. 233, s. 308.
318. The rates imposed for any year shall be deemed to have been imposed and to be due on and from the 1st day of January of such year unless otherwise expressly provided by the by-law by which they are imposed. R.S.O. 1927, c. 233, s. 309.

PART XIV.

RESPECTING FINANCES.

Accounts and Investments.

319. Money received by any municipal corporation from the sale or hypothecation of any debentures shall be kept in a separate account and shall be used only for the purposes for which the same was raised and shall not be applied towards payment of the current or other expenditure of the municipality. R.S.O. 1927, c. 233, s. 310.

320.—(1) Every council shall keep a separate account of every debt and shall also keep two additional accounts in respect thereof, one for the interest and the other for the sinking fund or the instalments of principal, and both to be distinguished from all other accounts by a prefix designating the purpose for which the debt was contracted, and the accounts shall be kept so as to exhibit at all times the state of every debt, and the amount of money raised, obtained and appropriated for payment of it. R.S.O. 1927, c. 233, s. 311.

(2) The council of a city may by by-law provide and direct that instead of a separate account of the interest upon every debt being kept, a consolidated account of the interest upon all debts may be kept, but which consolidated account shall be so kept that it will be possible to determine therefrom the true state of the interest account upon every debt and that provision has been made to meet the interest upon every debt.

(3) The council of any city may by by-law provide that instead of a separate bank account being kept for the sinking fund of every debt which is to be paid by means of a sinking fund, a consolidated bank account may be kept in which there may be deposited the sinking funds of all debts which are to be paid by such means, but which consolidated bank account shall be so kept that the requirements of the sinking fund of every debt are duly provided for. 1934, c. 34, s. 5.
321. If, in any year, after paying the interest, and appropriating the necessary sum to the sinking fund, or in payment of the instalments, there is a surplus properly applicable to such debt, it shall so remain until required in due course for the payment of interest or for the sinking fund, or in payment of the principal. R.S.O. 1927, c. 233, s. 312.

322. No money collected for the purpose of a sinking fund shall be applied towards paying any part of the current or other expenditure of the corporation. R.S.O. 1927, c. 233, s. 313.

323.—(1) If the council applies any money raised for a special purpose or collected for a sinking fund in paying current or other expenditure, the members who vote for such application shall be personally liable for the amount so applied, which may be recovered in any court of competent jurisdiction.

(2) If the council, upon the request in writing of a ratepayer, refuses or neglects for one month to bring an action therefor, the action may be brought by any ratepayer on behalf of himself and all other ratepayers.

(3) The members who vote for such application shall be disqualified from holding any municipal office for two years. R.S.O. 1927, c. 233, s. 314.

324.—(1) The treasurer of a municipality in which any sum is required by law to be raised for a sinking fund, shall prepare and lay before the council in every year, previous to the striking of the annual rate, a statement showing what amount will be required for that purpose.

(2) For every contravention of this section, the treasurer shall incur a penalty not exceeding $25. R.S.O. 1927, c. 233, s. 315.

325. If the council neglects in any year to levy the amount required to be raised for a sinking fund, each member of the council shall be disqualified from holding any municipal office for two years, unless he shows that he made reasonable efforts to procure the levying of such amount. R.S.O. 1927, c. 233, s. 316.

326. Subject to the provisions of sections 327 and 328, the council shall invest the sinking fund in such securities as a trustee may invest in under The Trustee Act, or with the approval of the Municipal Board in any debentures of the corporation; provided that the Board shall not approve of any greater portion or percentage than twenty-five per centum of
the total sinking fund being invested at any one time in debentures of the corporation. R.S.O. 1927, c. 233, s. 317; 1936, c. 39, s. 22.

327. The Municipal Board, on the application of a council, may direct that any part of the sinking fund, instead of being invested as hereinafter provided, shall, from time to time, be applied to the redemption of any of the debentures, to the payment of which such sinking fund is applicable, to be selected as provided by the order of the Board, at such value as may be agreed on by the council and the holders of the debentures. R.S.O. 1927, c. 233, s. 318.

328.—(1) A council may provide by a money by-law that the annual amount to be levied on account of the sinking fund shall be paid by the treasurer of the municipality to the Treasurer of Ontario, and if the by-law does not provide for such payment, the council may pass a by-law providing therefor.

(2) All money received by the Treasurer of Ontario under the provisions of this section shall form part of the Consolidated Revenue Fund, and a statement of the amount at the credit of each municipality shall be set forth annually in the Public Accounts of Ontario.

(3) The Treasurer of Ontario may invest the amount at the credit of a municipality or any part thereof in the debentures of such municipality, to redeem which such sinking funds were paid to the Treasurer.

(4) The amount payable in any year into the sinking fund which under the provisions of the by-law is to be paid to the Treasurer of Ontario shall be deemed a debt due to him, and in default of payment thereof, he may sue therefor in his own name as for a debt due to the Crown in any court of competent jurisdiction.

(5) Upon the maturity of the debentures to redeem which a sinking fund has been paid to the Treasurer of Ontario, the amount to the credit of the sinking fund shall be payable out of the Consolidated Revenue Fund upon the order of the Treasurer to the holder of the debentures or to his agent or into a bank or otherwise according to the tenor of the debentures or as the Treasurer may direct. R.S.O. 1927, c. 233, s. 319.

329. The rate of interest to be paid or credited to any municipal corporation by the Treasurer of Ontario upon municipal securities, sinking funds or debentures deposited with or in the hands of the Treasurer of Ontario, either as an invest-
ment by the Province or for investment on behalf of a municipal corporation, shall be the current rate of interest as fixed from time to time by the Lieutenant-Governor in Council, to be based upon the average rate of interest actually payable upon the moneys borrowed on behalf of Ontario as a Provincial loan and then outstanding. R.S.O. 1927, c. 233, s. 320.

330. Where a corporation has surplus money derived from "The Ontario Municipalities Fund," or from any other source, the council may set it apart for educational purposes and may invest it as well as any other money held by the corporation for, or appropriated by it to such purposes, in the securities mentioned in section 326, or may lend the same to any board of public school trustees in the municipality for such term and at such rate of interest as may be agreed upon, or may apply any part of such money in aid of schools in the municipality. R.S.O. 1927, c. 233, s. 324; 1932, c. 42, s. 7 (2).

331. The council of a township may apportion, among the public school sections in the township, the principal or interest of any investments for public school purposes, according to the salaries paid to the teachers, or the average attendance of pupils in the respective school sections during the next preceding year, or according to the assessed value of the property in the section, or by an equal division among the sections. R.S.O. 1927, c. 233, s. 325.

332. A member of a council shall not take part in, or be a party to, the investment of any such money, otherwise than as authorized by this Act, and, if he does so, he shall be personally liable for any loss sustained by the corporation in respect of the investment. R.S.O. 1927, c. 233, s. 326.

R.S.O. 1927, c. 233, s. 330; 1937, c. 47, s. 19.

336.—(1) Where a debenture contains or has endorsed upon it a provision to the following effect:—

certificate of ownership and shall enter in a book, to be called the Debenture Registry Book, a copy of the certificate and of every certificate which is subsequently given and shall also enter in such book a memorandum of every transfer of such debenture.

(2) A certificate of ownership shall not be endorsed on a debenture, except by the written authority of the person last entered as the owner of it, or of his executors or administrators, or of his or their attorney, which authority shall be retained and filed by the treasurer.

(3) After a certificate of ownership has been endorsed, the debenture shall be transferable only by entry by the treasurer or his deputy in the Debenture Registry Book, as and when a transfer of the debenture is authorized by the then owner of it or his executors or administrators or his or their attorney.

R.S.O. 1927, c. 233, s. 331.

337.—(1) A council, pending the sale of a debenture, or in lieu of selling it, may, by by-law or resolution, authorize the head and treasurer to raise money by way of loan on such debenture and to hypothecate it for the loan.

(2) The proceeds of every such loan shall be applied to the purposes for which the debenture was issued, but the lender shall not be bound to see to the application of the proceeds, and, if the debenture is subsequently sold, the proceeds of the sale shall be applied first in repayment of the loan. R.S.O. 1927, c. 233, s. 332.

(3) Subject to the provisions of subsection 2, the redemption of a debenture heretofore or hereafter hypothecated shall not be deemed to have prevented and shall not prevent the subsequent sale thereof. 1932, c. 29, s. 11.

(3) Until such estimates are adopted, the limitation upon borrowing prescribed by subsection 2, shall temporarily be calculated upon the estimated revenues of the corporation as set forth in the estimates adopted for the next preceding year.

(4) For the purposes of subsections 2 and 3 estimated revenues shall not include revenues derivable or derived from arrears of taxes, borrowings and issues of debentures.

(5) The lender shall not be bound to establish the necessity of borrowing the sum lent or to see to its application.

(6) Any promissory note made under the authority of this section shall be executed in the same manner as a debenture as provided in subsection 1 of section 334, and may be expressed so as to bear interest only upon such money as may be borrowed thereon from the time when such money is actually lent.

(7) The council may by by-law provide or authorize the head and treasurer to provide by agreement that all or any sums borrowed for any or all of the purposes mentioned in this section shall, with interest thereon, be a charge upon the whole or any part or parts of the revenues of the corporation for the current year and for any preceding years as and when such revenues are received; provided that such charge shall not defeat or affect and shall be subject to any prior charge then subsisting in favour of any other lender.

(11) If any member of the council or officer of the corporation applies any revenues so charged as aforesaid otherwise than in repayment of the loan secured by such charge, he shall be personally liable for the amount so applied which may be recovered in any court of competent jurisdiction. 1933, c. 37, s. 10, part.

(12) Subsections 9, 10 and 11 shall not apply to a council or any member of a council or officer of a corporation acting under an order or direction issued or made under the authority of Part III of The Department of Municipal Affairs Act, nor shall they apply in any case where application of the revenues of the corporation is made with the consent of the lender in whose favour a charge exists. 1933, c. 37, s. 10, part; 1937, c. 47, s. 20.

340. Where by this or any other Act power is conferred on a municipal corporation to borrow money for any purpose without the assent of the electors, it shall include not only the power to borrow money by the issue of debentures, but also the power to agree with any bank or person for temporary advances to meet the expenditure incurred from time to time for such purpose, and to borrow from time to time by the issue and sale of debentures such sum as may be necessary to repay such advances. R.S.O. 1927, c. 233, s. 336.
PART XV.

ACQUISITION OF LAND AND COMPENSATION.

Land Taken or Injuriously Affected.

342. In this Part,—

(a) "Expropriation" shall mean taking without the consent of the owner, and "expropriate" and "expropriating" shall have a corresponding meaning;

(b) "Judge" shall mean a judge of the county or district court of the county or district in which the land or any part of it is situate;

(c) "Land" shall include a right or interest in, and an "Land," easement over, land;

(d) "Owner" shall include mortgagee, lessee, tenant, occupant, and a person entitled to a limited estate or interest in land, a trustee in whom land is vested, a committee of the estate of a mentally incompetent person, an executor, an administrator, and a guardian; R.S.O. 1927, c. 233, s. 337.

343.—(1) The council of every corporation may pass by-laws for acquiring or expropriating any land required for the purposes of the corporation, and for erecting buildings thereon, and may sell or otherwise dispose of the same when no longer so required.

(2) Where in the exercise of its powers of acquiring or expropriating land it appears to the council that it can acquire a larger quantity of land from any particular owner at a more reasonable price and on terms more advantageous than those upon which it could obtain the part immediately required for its purposes, the council may acquire or expropriate such larger quantity and may afterwards sell and dispose of so much of it as is not so required.

(3) A by-law for entering on or expropriating land shall contain a description of the land, and, if it is proposed to expropriate an easement or other right in the nature of an easement, a statement of the nature and extent of the easement to be expropriated. R.S.O. 1927, c. 233, s. 338.

344.—(1) Any land acquired or taken by a corporation in the exercise of the powers conferred by any general or special Act in excess of the land actually required for the opening, widening, extension or straightening of a highway may be used...
in or towards making compensation by way of restitution to the owner of other land taken for or in connection with the work, and the corporation may lawfully exercise such powers in pursuance of an agreement to that effect with such owner or with a view to making or proposing to make such an agreement.

(2) If in any arbitration proceeding to fix compensation for land taken by it, the corporation shall offer to transfer or assure additional or other land to the owner by way of enlarging the remainder of his parcel or in substitution for his parcel such offer shall be taken into account by the arbitrators and dealt with in the award, and if the award is based on such transfer being made the offer shall be binding on the corporation in the terms fixed by the award (subject to any right of appeal) and the offer and final award shall together constitute an agreement between the parties and the owner shall be entitled to have such additional or substituted land assured him in accordance therewith.

(3) In such case upon the application of the corporation or of any interested party the Municipal Board may make such orders to compel the taking by the corporation of such additional land for the purposes of the agreement and concerning the compensation payable thereon and as to the vesting of the title to the land in accordance with the agreement as may be necessary to protect and enforce the rights of all parties interested. R.S.O. 1927, c. 233, s. 339.

345. The determination of a council as to the time when, the manner in which, the price for which or the person to whom any property of the corporation, which the council may lawfully sell, shall be sold, shall not be open to question, review, or control by any court, if the purchaser is a person who may lawfully buy, and the council acted in good faith. R.S.O. 1927, c. 233, s. 340.

346.—(1) At any time after the passing of a by-law for entering on or expropriating land, the corporation, by leave of the judge and upon payment into the Supreme Court of a sum sufficient, in the opinion of the judge, to satisfy the compensation, may enter upon the land, and, if any resistance or forcible opposition is made to its so doing, the judge may issue his warrant to the sheriff of the county or district in which the land lies to put the corporation in possession, and to put down such resistance or opposition which the sheriff, taking with him sufficient assistance, shall accordingly do.

(2) Leave of the judge and payment into Court shall not be necessary where the land is being expropriated for or in connection with the opening, widening, protecting from the erosion
of streams or water, altering or diverting a highway unless upon application by the owner a judge of the Supreme Court otherwise directs. R.S.O. 1927, c. 233, s. 341.

347.—(1) Where land is expropriated for the purposes of a corporation, or is injuriously affected by the exercise of any of the powers of a corporation under the authority of this Act or under the authority of any general or special Act, unless it is otherwise expressly provided by such general or special Act, the corporation shall make due compensation to the owner for the land expropriated and for any damage necessarily resulting from the expropriation of the land, or where land is injuriously affected by the exercise of such powers for the damages necessarily resulting therefrom, beyond any advantage which the owner may derive from any work, for the purposes of, or in connection with which the land is injuriously affected.

(2) The amount of the compensation, if not mutually agreed upon, shall be determined by arbitration.

(3) Where fencing or additional fencing will become necessary, owing to land having been expropriated, the cost of it shall be included in the compensation.

(4) Where part only of the land of an owner is expropriated, there shall be included in the compensation a sum sufficient to compensate him for any damages directly resulting from severance.

R.S.O. 1927, c. 233, s. 342.

"Deferred" Widening, etc., of Highway.

348.—(1) A by-law of the council of a city having a population of not less than 50,000 or a municipality bordering on such a city for establishing or laying out, or for extending, widening or diverting a highway or part of a highway may provide that the corporation shall not enter immediately on the land required to be taken or proceed to carry out the work but that the same shall be deferred until a day named therein not less than three nor more than ten years after the date of the passing of the by-law, and in this section the word "highway" shall include "street" as defined in The Local Improvement Act. R.S.O. 1927, c. 233, s. 343 (1).

(2) Subject to the provisions of subsection 7 the corporation shall not enter on any land required to be taken before the day named in such by-law unless by leave of the judge or by
order of the Municipal Board made as hereinafter provided. R.S.O. 1927, c. 233, s. 343 (2); 1932, c. 29, s. 13.

(3) Such by-law shall be binding upon the corporation and shall not be repealed or altered except by a vote of two-thirds of the members of the council and with leave of the Municipal Board, such leave to be granted the corporation only for exceptional reasons not apparent or existing when the by-law was passed and after hearing the owners of the lands proposed to be taken and on such terms as the Board may determine in regard to the revesting of the land taken and the payment to each owner of the damages, if any, sustained by him in consequence of the passing of the by-law or of so much of the by-law as is proposed to be altered and his costs.

(4) Where the council proposes to pass a by-law under this section it may register in the proper registry office a draft plan of the contemplated work with any supplementary memorandum which may be needed to show its substantial features and furnish adequate local description to comply with The Registry Act, and the registrar shall enter the same on the abstract index for each parcel of land required to be taken; but if the by-law is not passed within six months after such registration the registration shall be deemed of no effect and the corporation shall forthwith cause a certificate signed by the mayor or reeve and clerk and sealed with the corporation's seal, stating that no by-law was passed, to be registered in like manner in the registry office.

(5) After the passing of the by-law and subject to any order made by the Municipal Board under subsection 3 the land required to be taken for the work shall be deemed to be vested in the corporation for the purposes of a highway subject to the right of the owner or his assigns to remain in the possession and enjoyment thereof without impeachment of waste either wanton or permissive until entry by the corporation as aforesaid and to utilize the land and to erect buildings thereon during his or their occupancy (subject to the provisions contained in subsections 13 and 14 as to compensation in respect of such buildings).

(6) After the land is vested in the corporation it shall for all purposes of assessment and taxation, whether under the said by-law or otherwise, be deemed to be a component part of the highway; but where a building stands partly on land taken for the work and partly on adjoining land it shall be assessed on the assessment roll of the municipality in the same manner as if it stood entirely on such adjoining land. R.S.O. 1927, c. 233, s. 343 (3-6).
(7) Where it is shown to the satisfaction of the Municipal Board upon application made by the corporation before the day fixed for entry by the by-law that in view of financial conditions it is desirable that the day fixed for entry by the by-law should be further deferred, the Municipal Board may further defer the time for entry by the corporation on the land until a day not less than one year nor more than three years after the day fixed for entry by the by-law, but so that the total time for which entry is deferred by the provisions of the by-law and the order of the Municipal Board shall not exceed ten years upon such terms and conditions as the said Board may deem proper, and upon such order being made the day fixed by the Municipal Board as the day for entry shall thereafter be deemed to be the day fixed in the by-law for entry.

(8) At the date named in the by-law for entry it shall be the duty of the corporation to enter and proceed with diligence and despatch to remove all buildings and obstructions from the land taken for the work and to put it in fit and proper condition and make it available for use as a highway.

(9) The by-law may be passed without the assent of the electors and without regard to the provisions of The Local Improvement Act and shall express the intention of the council as to the corporation's portion of the cost thereunder, and the council may thereafter by a majority vote, pass a by-law for undertaking the work as a local improvement and such by-law shall have the same force and effect as if passed under section 8 of The Local Improvement Act and the provisions of that Act shall apply thereafter to such work mutatis mutandis and the owners of the lots liable to be specially assessed thereunder shall have all the rights and remedies in relation thereto which are given them by the said Act so far as they are not inconsistent with the other provisions of this section, but the Municipal Board shall have no power under section 6 or 8 of the said Act, either by making an order or by withholding its approval to prevent the due carrying out of the work.

Compensation Under “Deferred” Street Widening

(10) Except as may be otherwise ordered by the Municipal Board under subsection 14 compensation payable under this section shall not become payable until the day fixed in the by-law for entry.

(11) The compensation shall be limited to,—

(a) the market value of the land itself exclusive of and without regard to any buildings or improvements thereon; and

(c) damages occasioned by disturbance to any business established previous to the passing of the by-law to which the general principles of compensation shall apply;

(d) damages to land, buildings and improvements injuriously affected by the exercise of any of the powers conferred by this section.

Arbitrators. (12) The compensation shall be determined by a board of three arbitrators, all of whom may be residents of the municipality, one to be appointed by the judge and one by the Municipal Board and the third to be chosen by the two so appointed, and in the event of their failure to agree, the third to be appointed by the Chief Justice of Ontario.

"Land." (13)—(a) In this subsection the word "land" shall mean the land itself exclusive of and without regard to any buildings or improvements thereon.

(b) Notwithstanding that entry is deferred the corporation or the owner may proceed at once after the passing of the by-law to have determined the compensation, if any, payable hereunder in respect of any land.

Value. (c) The value of the land shall be fixed as of the date of the registration of the draft plan (or if no plan is registered, as of the date of the passing of the by-law).

Arbitration. (d) The board of arbitrators may determine the compensation in a summary manner upon seven days' notice in writing duly served, and after hearing what is alleged by the parties and without hearing any other evidence unless it decides to do so may forthwith make its award, and the award so made shall be final and shall not be subject to appeal, except as to questions of law on which there shall be an appeal to the Court of Appeal, whose decision shall be final and binding and without appeal.

Appeal. (c) The board of arbitrators in its discretion may require all the claims for land taken under the by-law to be brought before it at one hearing, or it may divide the claims into groups and hold a separate hearing for each group.

Fixing compensation for buildings. (14)—(a) Compensation shall be allowed in respect of buildings and improvements as they may exist at the date fixed for entry, and such compensation shall be determined by said board of arbitrators in the manner above set out.
Sec. 349 (1). Municipal Institutions. Chap. 266. 3397

(b) In respect to buildings or improvements erected or made after the date of the registration of the draft plan of the work (or if no plan is registered, after the date of the passing of the by-law) the compensation or damages shall be allowed and payable to the extent only of three-quarters of the proper cost of a structure one storey in height of such temporary character, conformable to the existing building by-laws and regulations, as may be reasonable in view of the limited time which is to elapse before entry.

(15) The Municipal Board may make an order at any time granting relief in special cases.

(16) The council may agree with any bank or person for temporary advances to meet any costs or liabilities incurred under the by-law prior to the completion of the work. R.S.O. 1927, c. 233, s. 343 (7-15).

(b) it is situate on an important highway affording means of communication to several municipalities; and

(9) Where the order of the judge of the county court declares the bridge to be a county bridge, except where it is reversed, and subject to any variation of it on appeal, from and after the registration of the order, or where the order has been reversed and an order declaring the bridge to be a county bridge has been made by the Court of Appeal, from and after the registration of the order of the Court of Appeal, the bridge shall be a county bridge.

(10) Whenever any expenditure is made by the corporation of the county in maintaining or repairing the bridge a proportion of which the corporation of the town or township is by the order required to bear, that proportion of the expenditure shall be payable by the last named corporation to the corporation of the county on demand.

(11) Where the application is dismissed, either by the order of the judge of the county court or by the order of the Court of Appeal, a new application shall not be made until five years have elapsed from the date of the order, and any new application thereafter made may be dealt with without regard to the former order, and subsections 1 to 10 shall apply mutatis mutandis to the application.
Approaches when to form part of bridge.

(12) In the case of a bridge crossing a river, stream, pond, or lake the approaches to the bridge whether consisting of embankments or other artificial works to the extent to which they are rendered necessary on account of the waters of the river, stream, pond or lake overflowing the highway on one or on both sides of the river, stream, pond or lake in times of freshets or at any other time, shall be deemed for the purpose of this section to form part of the bridge.

Application of section to construction and renewal of bridge.

(13) This section shall also apply to a bridge which it is proposed to construct, including a bridge to replace an existing one and a bridge to replace one that has been carried away or destroyed or so damaged that it is necessary to rebuild it, and the application may be made before the work of construction is begun.

Determination by judge as to length of bridge required.

14. In the case of an application to which subsection 13 applies it shall be the duty of the judge to consider and determine whether a bridge of the length of that which it is proposed to erect is necessary for the purpose for which it is to be erected, and if he is of opinion that a bridge of 300 feet or less will be sufficient for that purpose it shall be the duty of the judge so to determine and to refuse to make an order under this section.

Power to agree as to maintenance.

(15) In the case provided for by this section the council of the town or township and the council of the county may at any time enter into an agreement as to the proportions in which the cost of maintaining the bridge and keeping it in repair shall be borne by their respective corporations, or in a case to which subsection 13 applies as to the proportions in which the cost of constructing and maintaining the bridge and keeping it in repair shall be borne by their respective corporations.

(17) The terms of the agreement shall be embodied in an order of the judge of the county court which may be made upon the application of either corporation, and the order so made shall supersede any former order made by him.

(18) If the agreement provides that the bridge is to come under the exclusive jurisdiction of the council of the county the order made under subsection 17 shall so declare.

Registration of order.

(19) The order made under subsection 17 shall be registered as provided by subsection 6, and shall have the same effect as an order upon an application made under subsection 2, but the order shall not be subject to appeal. R.S.O. 1927, c. 233, s. 458.
470. The council of a county which assumes as a county road or bridge, any highway or bridge within a township, shall with as little delay as reasonably may be, and at the expense of the county cause the highway to be graded and drained and gravelled, macadamized, or surfaced or paved with other permanent material, or the bridge to be built in a good and substantial manner and shall maintain and keep the same in repair. R.S.O. 1927, c. 233, s. 459.

471. The council of the county shall cause to be built and maintained at the expense of the corporation of the county the bridges mentioned in clauses b and c of subsection 1 of section 457. R.S.O. 1927, c. 233, s. 460.

472. Where a river, stream, pond or lake forms or crosses a boundary line between two or more counties, it shall be the duty of the corporations of the counties, and where it forms or crosses a boundary line between a county and a city or a separated town, it shall be the duty of the corporations of the county and the city or separated town, to erect and maintain bridges over such river, stream, pond or lake. R.S.O. 1927, c. 233, s. 461.

473.—(1) Boundary lines between local municipalities, including those which also form county boundary lines, shall be maintained by the corporations of such municipalities, and they shall also erect and maintain all necessary bridges on such boundary lines.

(2) Subsection 1 shall not apply to boundary lines assumed by the council of the county or to such bridges as are under the provisions of this Act to be erected or maintained by another corporation. R.S.O. 1927, c. 233, s. 462.

474. Where the council of a county passes a by-law under subsection 2 of section 457 it shall be the duty of the councils of the local municipalities to erect and maintain all necessary bridges from the erection and maintenance of which the council of the county is relieved by the by-law. R.S.O. 1927, c. 233, s. 463.

475. All boundary lines, and all bridges over rivers, streams, ponds or lakes forming or crossing a boundary line between two or more local municipalities in a provisional judicial district shall be erected and maintained by the corporations of such municipalities and their councils shall have joint jurisdiction over them, and if the councils fail to agree as to the proportion of the expense to be borne by each corporation the same shall be determined by arbitration. R.S.O. 1927, c. 233, s. 464.
476.—(1) Where a river or stream forms a boundary line between two or more municipalities in a county, the corporation of the county shall keep it free from all accumulations of driftwood or fallen timber.

(2) Where the river or stream forms a boundary line between two or more counties, the duty mentioned in subsection 1 shall be performed by the corporations of the counties, and where the river or stream forms the boundary line between a county and a city or separated town, shall be performed by the corporation of the county and the corporation of the city or separated town, and in case of failure to agree in either case, as to the share or proportion of the expense incurred in performing the duty to be borne by them respectively, the same shall be determined by arbitration." R.S.O. 1927, c. 233, s. 465.

477.—(1) Where a stream or creek is cleared of all logs, brush or other obstructions to the boundary line between a township and an adjoining township into which the stream or creek flows, the council of the township in which the stream or creek has been so cleared may give notice in writing to the corporation of such adjoining township requesting its council to clear such stream or creek through the municipality.

(2) It shall be the duty of such last mentioned corporation, within six months after the service of the notice, to enforce the removal of all obstructions in such stream or creek within the municipality, to the satisfaction of any person whom the council of the county in which the municipality whose council gave the notice is situate, appoints to inspect the same.

(3) If the corporation receiving the notice neglects to perform such duty, and by reason of its neglect any highway or bridge in either of the townships becomes out of repair, the corporation in default, and that corporation only, shall be responsible for the damages sustained by any person by reason of such want of repair. R.S.O. 1927, c. 233, s. 466.

478. Where, on account of physical difficulties or obstructions existing on a boundary line between municipalities, and in order to obtain a better line of road, a road has been heretofore or is hereafter laid out and opened which does not follow the course of such boundary line throughout, but in some place or places so deviates from it as to lie wholly within one of the municipalities, such road shall nevertheless be deemed to be, for the purposes of this Act, the boundary line between the municipalities, and a river, stream, pond or lake which crosses...
it where it so deviates shall be deemed to be a river, stream, pond or lake crossing a boundary line within the meaning of this Act. R.S.O. 1927, c. 233, s. 467.

479.—(1) Every iron, steel, concrete or stone bridge constructed by the corporation of a county, and every such bridge exceeding twenty feet clear span constructed by the corporation of a township shall be designed and built in accordance with general specifications approved by the Department of Highways.

(2) Plans in duplicate for any such bridges may be submitted by the council of any county or township to the Department of Highways, and if they are found to be in accordance with such approved general specifications the certificate of the Department shall be attached, and one of such plans shall be returned to the clerk of such county or township. R.S.O. 1927, c. 233, s. 468.

480.—(1) Every highway and every bridge shall be kept in repair by the corporation the council of which has jurisdiction over it, or upon which the duty of repairing it is imposed by this Act, and in case of default the corporation shall subject to the provisions of The Negligence Act be liable for all damages sustained by any person by reason of such default.

(2) No action shall be brought against a corporation for the recovery of damages occasioned by such default, whether the want of repair was the result of nonfeasance or misfeasance, after the expiration of three months from the time when the damages were sustained.

(3) Except in case of gross negligence a corporation shall not be liable for a personal injury caused by snow or ice upon a sidewalk.

(4) No action shall be brought for the recovery of the damages mentioned in subsection 1 unless notice in writing of the claim and of the injury complained of has been served upon or sent by registered post to the head or, the clerk of the corporation, in the case of a county or township within ten days, and in the case of an urban municipality within seven days after the happening of the injury, nor unless where the claim is against two or more corporations jointly liable for the repair of the highway or bridge, the prescribed notice was given to each of them within the prescribed time. R.S.O. 1927, c. 233, s. 469 (1-4).
(5) In the case of the death of the person injured, failure to give notice shall not be a bar to the action and except where the injury was caused by snow or ice upon a sidewalk, failure to give or insufficiency of the notice shall not be a bar to the action, if the court or judge before whom the action is tried is of the opinion that the corporation in its defence was not prejudiced by the want or insufficiency of the notice and that to bar the action would be an injustice, notwithstanding that reasonable excuse for the want or insufficiency of the notice is not established. 1936, c. 39, s. 30.

(6) This section shall not apply to a road, street or highway laid out or to a bridge built by a private person or by a body corporate until it is established by by-law of the council or otherwise assumed for public use by the corporation.

(7) Nothing in this section shall impose upon a corporation any obligation or liability in respect of any act or omission of any person acting in the exercise of any power or authority conferred upon him by law, and over which the corporation had no control, unless the corporation was a party to the act or omission, or the authority under which such person acted was a by-law, resolution or license of its council.

(8) A corporation shall not be liable for damages under this section unless the person claiming the damages has suffered by reason of the default of the corporation a particular loss or damage beyond what is suffered by him in common with all other persons affected by the want of repair.

(9) Where a bridge which it is the duty of a corporation to repair is destroyed or so damaged that it is necessary to rebuild it the Municipal Board may, upon the application of the corporation, relieve it from the obligation to rebuild the bridge, if the Board is satisfied that it is no longer required for the public convenience or that the re-building of it would entail a larger expenditure than would be reasonable having regard to the use that would be made of the bridge if it were re-built.

(10) The relief may be granted on such terms and conditions as the Board may deem just, and such notice of the application shall be given as the Board may direct.

(11) Subsections 9 and 10 shall not affect the costs of any pending action. R.S.O. 1927, c. 233, s. 469 (6-11).

481. The provisions of subsections 2 to 8 of section 480 shall apply to an action brought against a corporation for damages occasioned by the presence of any nuisance on a highway. 1929, c. 58, s. 15.
482. The approval by the council of a municipal corporation of a plan under The Planning and Development Act shall not be deemed to be an assumption for public use by the corporation of the highways shown on the plan so as to render the corporation liable for repair, or for damages resulting from non-repair within the meaning of section 480. R.S.O. 1927, c. 233, s. 470.

483. The corporation of a city or town in which an iron, steel or concrete bridge is constructed, may pass a by-law authorizing the issue of and may issue debentures to pay the cost of re-flooring the same, for any term not exceeding ten years and at such rate of interest as the council may determine, provided that such by-law is passed by a vote of two-thirds of all the members of the council and is approved by the Municipal Board. R.S.O. 1927, c. 233, s. 471.

484.—(1) Where two or more corporations are jointly liable for keeping in repair a highway or bridge, there shall be contribution between them as to the damages sustained by any person by reason of their default in so doing.

(2) Any action by any such person shall be brought against all such corporations, and any of them may require that the proportions in which such damages and the costs of the action are to be borne by them shall be determined in the action.

(3) In settling such proportions, either in the action or otherwise, regard shall be had to the extent to which each corporation was responsible, either primarily or otherwise, for the act or omission by reason of which the damages became payable or are recoverable and the damages and costs shall be apportioned between them accordingly. R.S.O. 1927, c. 233, s. 472.

485.—(1) Where an action may be brought against a corporation by a person who has sustained damages by reason of its default in keeping in repair a highway or bridge, no action shall be brought by him in respect of it or to recover such damages, or any part of them against any member of the council or officer or employee of the corporation personally, but the remedy therefor shall be against the corporation.

(2) A mere contractor with the corporation or an officer or employee who is such contractor, by reason of whose act or omission the damages were caused, shall not be deemed an employee within the meaning of subsection 1. R.S.O. 1927, c. 233, s. 473.
-486. (1) Where an action is brought to recover damages sustained by reason of any obstruction, excavation or opening in or near a highway or bridge placed, made, left or maintained by any person other than the corporation or a servant or agent of the corporation, or by reason of any negligent or wrongful act or omission of any person other than the corporation or a servant or agent of the corporation, the corporation shall have a remedy over against such other person for, and may enforce payment of the damages and costs which are recovered against the corporation.

(2) The corporation shall be entitled to such remedy over in the same action, if the other person is a party to the action and it is established in the action as against him that the damages were sustained by reason of an obstruction, excavation, or opening so placed, made, left or maintained by him.

(3) The corporation may in such action have the other person, if not already a defendant, added as a party defendant or third party for the purposes of the remedy over, and such person may defend the action as well against the plaintiff’s claim as against the claim of the corporation.

(4) If such person is not a party defendant, or is not added as a party defendant or third party, or if the corporation has paid the damages before an action is brought to recover the same, or before a recovery thereof in an action against the corporation, the corporation shall have the remedy over, by action against such person, but he shall be deemed to admit the validity of the judgment obtained against the corporation, only where a notice has been served on him, pursuant to rules of court, or where he has admitted, or is estopped from denying the validity of such judgment.

(5) Where such notice has not been served, and there has been no such admission or estoppel, and such person has not been made a party defendant or third party to the action against the corporation, or where the damages have been paid without action, or without recovery of judgment against the corporation, the liability of the corporation for such damages, and the fact that the damages were sustained under such circumstances as to entitle the corporation to the remedy over, must be established in the action against such person to entitle the corporation to recover in the action. R.S.O. 1927, c. 233, s. 474.

-487. Whenever there is a dispute between the councils of any two or more corporations as to the corporation on which the obligation to build and maintain or to build or maintain a bridge or to keep in repair a highway rests, the Supreme Court may upon the application of any or either of the corporations
Sec. 489 (6). MUNICIPAL INSTITUTIONS. Chap. 266. 3503
determine the matter in dispute on an originating motion, or
the Court, if of opinion that the matter in dispute cannot satis-
factorily be determined on an originating motion, or that for
any other reason it ought not to be so determined, may direct
that an action may be brought or that an issue be tried for the
purpose of determining the matter in dispute, and the Court
may in either case compel by mandamus the performance of
the obligation by the corporation upon which it is found to rest.
R.S.O. 1927, c. 233, s. 475.

488. Except in the cases provided for by section 491, where the
dispute is as to the proportions in which the corpora-
tions should contribute to the cost of erecting and maintaining
or of erecting or maintaining a bridge or of keeping in repair
a highway, the matter in dispute shall be determined by arbitra-
tion. R.S.O. 1927, c. 233, s. 476.

489.—(1) Where an allowance for road was not reserved in the
original survey on a township boundary or part of it, the
councils of the townships may establish and lay out a high-
way on such boundary or part of it.

(2) The councils of any or either of the municipalities may pass a by-law for establishing and laying out such a highway
and for acquiring the land requisite for the one-half of it which
lies within the limits of its municipality.

(3) The clerk shall within four days after the passing of the
by-law transmit by registered post to the clerk of each of the
other townships a copy of the by-law certified under his
hand and the seal of the corporation to be a true copy.

(4) If the other council or councils do not within six months
after such notice pass a by-law or by-laws in similar terms,
the council by which the by-law was passed may require the
question of establishing and laying out the proposed highway
to be determined by arbitration.

(5) The arbitrators shall determine whether or not the pro-
posed highway shall be established and laid out, and if they
determine that it shall be established and laid out they shall
also determine in what proportions the cost of the site of it
shall be borne by each of the corporations.

(6) If it is determined by the arbitrators that the proposed high-
way shall be established and laid out, the other councils shall
forthwith after notice of the award pass the necessary
by-laws for establishing and laying out the proposed highway
and for acquiring the land requisite for the one-half of it which
will lie within the limits of their respective municipalities, and
for otherwise carrying out the provisions of the award, and shall proceed with all reasonable despatch to carry into effect the provisions of the by-law.

(7) If it is determined by the arbitrators that the proposed highway shall not be established and laid out, no further proceedings shall be taken under this section within two years from the date of the award or within such time not exceeding in all four years, as the arbitrators may by their award determine. R.S.O. 1927, c. 233, s. 477.

490.—(1) Where a highway or bridge is under the joint jurisdiction of the councils of two or more municipalities and they are unable to agree as to any action which one or more of them desire to be taken in the exercise of such joint jurisdiction, any of them may require that the matter in dispute shall be determined by arbitration, and in that case shall prepare a draft by-law for carrying into effect what it is desired shall be done, and serve a copy of it on the clerk of the other municipalities with a notice that it is its desire that such a by-law shall be passed.

(2) If it is determined by the arbitrators that what is proposed ought to be done, they shall by their award so direct, and in that case each council shall forthwith after notice of the award pass a by-law in accordance with the draft by-law and shall, without unnecessary delay, do all things which on its part are necessary for carrying into effect the objects of the by-law. R.S.O. 1927, c. 233, s. 478.

491.—(1) Where the councils of the townships having joint jurisdiction over a township boundary line fail to agree as to the character of the work to be done in opening, maintaining or repairing it, or as to the proportions in which the cost of the work is to be borne by the corporations of the townships respectively, any or either of such councils may apply to the council of the county to determine the matters in dispute.

(2) Where the township councils having the joint jurisdiction over it neglect or refuse to open up and make, maintain and keep in repair any such boundary line, a majority of the ratepayers resident on land abutting on it may apply to the council of the county to enforce the opening up and the making, maintaining and keeping in repair of such boundary line.

(3) The application shall be by petition and the council of the county after notice to all the corporations interested and after hearing them and the petitioning ratepayers, if the petition is by ratepayers, or such of them as desire to be heard, shall determine in the case provided for by subsection 1, what
work shall be done and the proportions in which the cost of it shall be borne by the corporations of the townships respectively, and in the case provided for by subsection 2 whether the boundary line shall be opened up and the proportions in which the corporations of the townships shall respectively bear the cost of opening up, making, maintaining and keeping in repair the boundary line, and in either case may direct that the statute labour or part of it shall be applied by each of the corporations for such purposes.

(4) The determination and direction of the council of the county shall be embodied in an order or resolution, and the council shall appoint one or more commissioners to execute and enforce any direction so made.

(5) If the councils of the townships intimate to the council of the county or to the commissioners their intention to proceed with the work directed to be done and to conform to the direction of the council of the county, the commissioners shall delay proceeding to carry out the work directed to be done for a reasonable time to enable the township councils to do it, but if the work is not proceeded with with such despatch as the commissioners deem necessary they shall themselves complete the work.

(6) The cost of any work done by the commissioners shall be by them apportioned between the corporations of the townships in accordance with the order or resolution of the council of the county, and the commissioners shall certify to the treasurer of the county the amount payable by each of such corporations, and the treasurer shall retain the same out of any money in his hands belonging to the corporation, but if there is not in the hands of the treasurer any such money or not sufficient to pay the amount payable by the corporation, the amount payable or the amount of the deficiency, as the case may be, shall be added to the county rate payable by the corporation in default.

(7) This section shall not apply to a township boundary line which is also a county boundary line. R.S.O. 1927, c. 233, s. 479.

492. Where the councils of the townships having joint jurisdiction over a county boundary line are unable to agree as to,—

(a) the necessity for a deviation of the road from the boundary line; or

(b) the location of the deviation; or

(c) the use of an existing highway in lieu of a deviation; or
(4) the proportions in which the cost of opening, making and maintaining the deviation or the existing highway to be used in lieu of a deviation, is to be borne, any of the councils may apply to the Municipal Board to determine the matter in dispute, and the Board or any member of it, after notice to the corporations interested and hearing such of them as desire to be heard, shall determine the matter in dispute and may make such order as may be deemed just, and such order shall be final and not subject to appeal. R.S.O. 1927, c. 233, s. 480.

493.—(1) The Ontario Motor League may, at its own expense and subject to such regulations as the council of the municipality may prescribe, erect and maintain guide posts at road intersections and mile posts on the highways to indicate distances and danger signals at hills which may be deemed to be dangerous or unsafe for travellers. (2) Every such guide post, mile post and danger signal shall be so placed as not to obstruct the highway or to endanger the safety of travellers, and nothing shall appear on or be affixed or attached to it, but a notice indicating the purpose which the guide post, mile post or danger signal is designed to serve. (3) Every person who contravenes any of the provisions of subsection 2 shall incur a penalty of $5 for every such contravention. (4) No person shall cut, throw down, injure or deface any such guide post, mile post or danger signal, and for every contravention of this subsection the person offending shall incur a penalty not exceeding $50. R.S.O. 1927, c. 233, s. 481.

The Canadian Wheelman’s Association of the Dominion of Canada shall have the like power as is by section 493 conferred on the Ontario Motor League, and all the provisions of that section shall apply to guide posts, mile posts and danger signals erected or maintained by the Association; but where either the League or the Association has exercised the powers conferred upon it upon any part of a highway the other shall not have the right to exercise its powers thereon. (4) The powers conferred by subsection 1 shall not be exercised without the consent of the Governor-General in Council in respect of,—

496.—(1) A by-law shall not be passed for stopping up, altering or diverting any highway or part of a highway if the effect of the by-law will be to deprive any person of the means of ingress and egress to and from his land or place of residence over such highway or part of it unless in addition to making compensation to such person, as provided by this Act, another convenient road or way of access to his land or place of residence is provided.

(2) The by-law shall not take effect until the sufficiency of such road or way of access has been agreed upon or unless and until, if not agreed upon, its sufficiency has been determined by arbitration as hereinafter mentioned.

(3) If such person disputes the sufficiency of the road or way of access provided, the sufficiency of it shall be determined by arbitration under this Act, and if the amount of compensation is also not agreed upon both matters shall be determined by one and the same arbitration.

(4) If the arbitrators determine that the road or way of access provided is insufficient they may by their award determine what road or way of access should be provided, and in that case, unless such last mentioned road or way of access is
provided, the by-law shall be void and the corporation shall pay the costs of the arbitration and award. R.S.O. 1927, c. 233, s. 484.

497.—(1) A person in possession of and having enclosed with a lawful fence that part of an original allowance for road upon which his land abuts which has not been opened for public use by reason of another road being used in lieu of it or of another road parallel or near to it having been established by law in lieu of it shall as against every person except the corporation, the council of which has jurisdiction over the allowance for road, be deemed to be legally possessed of such part until a by-law has been passed by such council for opening it.

DIRECTIONS FOR THE GUIDANCE OF VOTERS IN VOTING.

The voter will go into one of the compartments, and with the pencil provided in the compartment, place a cross, thus X., on the right hand side, opposite the name or names of the candidate or candidates for whom he votes or at any place within the division which contains the name or names of such candidate or candidates.

The voter will fold up the ballot paper so as to show the name or initials of the deputy returning officer (or returning officer, as the case may be) signed on the back, and leaving the compartment will, without showing the front of the paper to any person, deliver such ballot paper so folded to the deputy returning officer (or returning officer, as the case may be) and forthwith quit the polling place.

If the voter inadvertently spoils a ballot paper, he may return it to the deputy returning officer (or returning officer, as the case may be) who will if satisfied of such inadvertence, give him another ballot paper.

If the voter votes for more candidates for any office than he is entitled to vote for, his ballot paper will be void as far as relates to that office, and will not be counted for any of the candidates for that office.

If the voter places any mark on his ballot paper by which he may afterwards be identified, or if the ballot paper has been torn, defaced, or otherwise dealt with by the voter so that he can thereby be identified, it will be void, and will not be counted.

If the voter takes a ballot paper out of the polling place, or deposits in the ballot box any other paper than the one given to him by the officer, he will be subject to imprisonment for any term not exceeding 6 months, with or without hard labour.

In the following forms of ballot paper, given for illustration, the candidates are, for Mayor, Jacob Thompson and Robert Walker; for Reeve, George Jones and John Smith; for Deputy Reeve, Thomas Brown and William Davis; for Councillors, John Bull, Morgan Jones, Allister McAllister and Patrick O'Connell; and the elector has marked the first ballot paper in favour of Jacob Thompson for Mayor, the second ballot paper in favour of George Jones for Reeve, the third ballot paper in favour of William Davis for Deputy Reeve, and the fourth ballot paper in favour of John Bull and Patrick O'Connell for Councillors.
