## SELECTED DISPUTE RESOLUTION BIBLIOGRAPHY

Shannon Moldaver<sup>1</sup> & Trevor CW Farrow<sup>2</sup>  
(Toronto: Winkler Institute for Dispute Resolution, March 2023)

---

### **INTRODUCTION**

Included in this bibliography is a selected set of dispute resolution and related professional responsibility and access to justice readings, primarily (although not exclusively) with a general negotiation and mediation focus. This bibliography is not comprehensive. Rather – given the breadth of dispute resolution, legal process, professional responsibility, and access to justice materials available – this bibliography includes a brief sampling of available readings that may be of interest to those studying, practicing, or thinking about dispute resolution. We continue to update and revise this bibliography – suggestions welcome!
