(3) If the estimates submitted under subsection (2) are approved, or are amended and approved, by the councils of municipalities representing more than one-half of the population of the planning area for which the board was established, the estimates are binding on all the municipalities.

(4) After the estimates have been approved as provided in subsection (3), the planning board shall so notify each municipality involved and shall notify each such municipality of the total approved estimates and the amount thereof chargeable to it, based on the apportionment set out in the statement submitted under subsection (2).

(a) the measures and procedures proposed to attain the objectives of the plan; and

(b) the measures and procedures for informing and securing the views of the public in respect of a proposed amendment to, or of a proposed revision of, the plan, or in respect of a proposed zoning by-law.

17.—(1) The council of a municipality may provide for the preparation of a plan suitable for adoption as the official plan of the municipality.

(2) The council shall ensure that in the course of the preparation of the plan adequate information is made available to the public, and for this purpose shall hold at least one public meeting, notice of which shall be given in the manner and to the persons prescribed.
(3) The meeting mentioned in subsection (2) shall be held not sooner than thirty days after the requirements for the giving of notice have been complied with and shall be open to the public, and any person who attends the meeting shall be afforded an opportunity to make representation in respect of the proposed plan.

(4) Where an official plan contains provisions describing the measures for informing and securing the views of the public in respect of amendments that may be proposed for the plan, the provisions of subsections (2) and (3) do not apply to such amendments if the measures are complied with.

(5) The council shall provide to such boards, commissions, authorities or other agencies as the council considers may have an interest in the proposed plan adequate information, and before adopting the plan the council shall afford them an opportunity to submit comments in respect of the plan up to such time as is specified by the council.

(6) When the requirements of subsections (2), (3), (4) and (5) have been met and the council is satisfied that the plan as finally prepared is suitable for adoption, it may by by-law adopt the plan and submit it to the Minister for approval.

(7) When the plan is adopted, the council shall cause to be compiled and forwarded to the Minister a record which shall include:

(a) a certified copy of the by-law adopting the plan;

(b) a statement by an employee of the municipality certifying that the requirements for the giving of notice and the holding of at least one public meeting as mentioned in subsection (2) or as described in the provisions of the official plan mentioned in subsection (4), as the case may be, and, for the giving of notice as mentioned in subsection (8), have been complied with;

(c) the original or true copy of all written submissions or comments and accompanying material received prior to the adoption of the plan; and

(d) such other information or material as the Minister may require.

(8) Where the council adopts the plan, the clerk of the municipality shall, not later than fifteen days after the day the plan was adopted, give written notice of the adoption of the
plan to the Minister, to each person who filed with the clerk a written request to be notified if the plan is adopted and to each body that submitted comments under subsection (5) and that in writing requested to be notified if the plan is adopted.

(9) The Minister may confer with municipal, provincial or federal officials, with officials of commissions, authorities or corporations and with such other bodies or persons as the Minister considers may have an interest in the approval of the plan and, subject to subsection (11), may then approve, or, after consultation with the council, refuse to approve the plan or, if modifications appear desirable to the Minister, he may, after consultation with the council, make the modifications to the plan and approve the plan as modified.

(10) The Minister, instead of approving the whole of the plan, may approve part only of the plan and may, from time to time, approve additional parts of the plan, provided that nothing herein derogates from the right of any person or other body to request the Minister to refer any part of the plan to the Municipal Board under subsection (11).

(11) The Minister may refer the plan or any part of the plan to the Municipal Board and where the council or any person or other body requests the Minister to refer the plan or any part of the plan to the Municipal Board, the Minister shall refer the plan or such part to the Board, together with the statement mentioned in subsection (12), unless in his opinion, such request is not made in good faith or is frivolous or vexatious or is made only for the purpose of delay.

(12) Where a person submits a request to the Minister under subsection (11), he shall include therewith a statement in writing setting out the reasons for the request.

(13) Where the Minister refuses to refer the plan or any part of the plan to the Municipal Board as requested under subsection (11), he shall provide a written explanation for the refusal.

(14) The parties to a referral are the person or other body, if any, that requested the referral, the municipality and any person or other body added as a party by the Municipal Board.

(15) The Municipal Board may add as a party to the referral any person, including the Minister or other body who applies to the Board to be added as a party.

(16) Despite the fact that a person is not a party to the referral, the Municipal Board may permit the person to make representations at the hearing.
(17) On a referral to the Municipal Board, the Board shall hold a hearing of which notice shall be given to the parties to the referral, and to such other persons or bodies as the Board considers appropriate.

(18) The Municipal Board may make any decision that the Minister could have made.

(19) Where the plan or any part of the plan is referred to the Municipal Board under subsection (11), the Minister, if he is of the opinion that a matter of provincial interest is, or is likely to be, adversely affected by the plan or the part thereof, may so advise the Board in writing not later than thirty days before the day fixed by the Board for the hearing of the referral and the Minister shall identify the part or parts of the plan or the part or parts of the part of the plan, as the case may be, by which the provincial interest is, or is likely to be, adversely affected.

(20) Where the Municipal Board has received notice from the Minister under subsection (19) the decision of the Board is not final and binding in respect of the part or parts identified in the notice unless the Lieutenant Governor in Council has confirmed the decision in respect of the part or parts.

(21) The Lieutenant Governor in Council may confirm, vary or rescind the decision of the Municipal Board in respect of the part or parts of the plan identified in the notice and in doing so may direct the Minister to modify the part or parts of the plan.

18.—(1) Where a plan is prepared by a planning board, the plan shall not be recommended to any council for adoption as an official plan unless it is approved by a vote of the majority of all the members of the planning board.

(2) When the plan is approved by the planning board, the board shall submit a copy thereof, certified by the secretary-treasurer of the board to be a true copy.

(a) in the case of a plan prepared for a planning area, to the council of each municipality that is within the planning area; and

(b) in the case of a plan prepared at the request of a single municipality, to the council of that municipality.

together with a recommendation that it be adopted by the council.

(3) Each council to which the plan is submitted may, subject to subsections 17 (2) to (6), by by-law adopt the plan and the
clerk of each municipality, the council of which adopted the plan, shall provide the secretary-treasurer of the planning board with a certified copy of the adopting by-law and shall comply with subsections 17 (7) and (8).

(4) When the secretary-treasurer of the planning board has received a certified copy of an adopting by-law from a majority of the councils to which the plan was submitted he shall submit the plan to the Minister for approval together with each certified copy of the adopting by-law, and thereafter subsections 17 (9) to (21) apply.

(5) Where a planning area consists of the whole of one or more municipalities and territory without municipal organization the provisions of subsections 17 (2) to (21) apply, with necessary modifications, in respect of the part of the planning area that consists of territory without municipal organization as though the planning board were the council of a municipality and the secretary-treasurer of the planning board were the clerk of the municipality.

19. Before adopting a plan for a planning area consisting solely of territory without municipal organization, the planning board,

(a) shall ensure that in the course of the preparation of the plan adequate information is made available to the public through the holding of one or more public meetings or, in the case of an amendment to the official plan, through such other measures as are provided for in the official plan, and shall afford every person who so requests an opportunity to make representation in respect of the plan; and

(b) shall provide to such boards, commissions, authorities or other agencies as the planning board considers may have an interest in the proposed plan adequate information, and shall afford them an opportunity to submit comments in respect of the plan up to such time as is specified by the planning board,

and thereafter subsections 17 (6) to (21) apply, with necessary modifications, as though the planning board were the council of a municipality and the secretary-treasurer were the clerk of the municipality.

20.—(1) Two certified copies of the official plan shall be lodged in the office of the Minister and one certified copy in the office of the clerk of each municipality specified by the Minister.
(2) The lodging required by subsection (1) shall be carried out.

(a) in the case of an official plan that applies to only one municipality or part thereof or to only one municipality and territory without municipal organization, by the clerk of the municipality; and

(b) in the case of an official plan that applies to more than one municipality or parts thereof, by the clerk of the municipality that has the largest population.

(3) All copies lodged under subsection (1) shall be available for public inspection during office hours.

21.—(1) Except as hereinafter provided, the provisions of this Act with respect to an official plan apply, with necessary modifications, to amendments thereto or the repeal thereof, provided that the council of a municipality that is within a planning area may initiate an amendment to or the repeal of any official plan that applies to the municipality, and the provisions of section 17 apply to any such amendment or repeal.

(2) Where the Minister is satisfied that there is not a matter of provincial interest adversely affected by an amendment to an official plan submitted to him for approval and no request for referral has been received under subsection 17 (11) he may, in writing, waive the requirement for approval thereof, whereupon the amendment shall be deemed to be approved.

22.—(1) Where any person requests a council to initiate an amendment to an official plan, other than an official plan that applies in whole or in part to territory without municipal organization, and the council refuses to adopt the amendment or fails to adopt it within thirty days from the receipt of the request, such person may request the Minister to refer the proposed amendment to the Municipal Board.

(2) Where any person requests a planning board to initiate an amendment to an official plan that applies in whole or in part to territory without municipal organization and the planning board refuses to adopt the amendment or to recommend the amendment for adoption, as the case may be, or fails to adopt or recommend it within thirty days from the receipt of the request, such person may request the Minister to refer the proposed amendment to the Municipal Board.

(3) The Minister may confer on the proposed amendment in like manner as he is authorized to confer under subsection 17 (9) and he may refuse the request to refer the proposed amend-
ment to the Municipal Board on providing a written explanation for the refusal or may refer the proposed amendment to the Board.

(4) The provisions of subsections 17 (14) to (17) apply with necessary modifications when a proposed amendment is referred to the Municipal Board under subsection (3) and the Board shall hold a hearing and thereafter reject the proposed amendment or make the amendment in such manner as the Board may determine or direct that the council cause the amendment to be made in the manner provided in the order of the Board.

Where provincial interest adversely affected

(5) Where a proposed amendment is referred to the Municipal Board under subsection (3), the Minister, if he is of the opinion that a matter of provincial interest is, or is likely to be adversely affected by the proposed amendment, may so advise the Municipal Board in writing not later than thirty days before the day fixed by the Board for the hearing of the referral and the Minister shall identify the part or parts of the proposed amendment by which the provincial interest is, or is likely to be, adversely affected.

(6) Where the Municipal Board receives notice from the Minister under subsection (5) the provisions of subsections 17 (20) and (21) apply with necessary modifications.

23.—(1) Where the Minister is of the opinion that a matter of provincial interest as set out in a policy statement issued under section 3 is, or is likely to be, adversely affected by an official plan, the Minister may request the council of a municipality to adopt such amendment as the Minister specifies to an official plan and, where the council refuses the request or fails to adopt the amendment within such time as is specified by the Minister in his request, the Minister may make the amendment.

(2) Where the Minister proposes to make an amendment to an official plan under subsection (1), the Minister may, and on the request of any person or municipality shall, request the Municipal Board to hold a hearing on the proposed amendment and the Board shall thereupon hold a hearing as to whether the amendment should be made.

(3) Despite subsection (2), where the Minister is of the opinion that a request of any person or municipality made under subsection (2) is not made in good faith or is frivolous or vexatious or is made only for the purpose of delay, he may refuse the request.
(4) Where the Minister has requested the Municipal Board to hold a hearing as provided for in subsection (2), notice of the hearing shall be given in such manner and to such persons as the Board may direct, and the Board shall hear any submissions that any person may desire to bring to the attention of the Board.

(5) The Municipal Board, after the conclusion of the hearing, shall make a decision as to whether the proposed amendment, or an alternative form of amendment, should be made but the decision is not final and binding unless the Lieutenant Governor in Council has confirmed it.

(6) The Lieutenant Governor in Council may confirm, vary or rescind the decision of the Municipal Board made under subsection (5) and in doing so may direct the Minister to amend the plan in such manner as the Lieutenant Governor in Council may determine.

24.—(1) Despite any other general or special Act, where an official plan is in effect, no public work shall be undertaken and, except as provided in subsections (2) and (4), no by-law shall be passed for any purpose that does not conform therewith.

(2) Where a council has adopted an amendment to an official plan, it may, before the Minister has approved the amendment, pass a by-law that does not conform with the official plan but will conform therewith if the amendment is approved, and the by-law shall be conclusively deemed to have conformed with the official plan on and from the day it was passed if the Minister approves the amendment to the official plan.

(3) Despite subsections (1) and (2), the council of a municipality may take into consideration the undertaking of a public work that does not conform with the official plan and for that purpose the council may apply for any approval that may be required for the work, carry out any investigations, obtain any reports or take other preliminary steps incidental to and reasonably necessary for the undertaking of the work, but nothing in this subsection authorizes the actual undertaking of any public work that does not conform with an official plan.

(4) Where a by-law is passed under section 34 by the council of a municipality in which an official plan is in effect and, within the time limited for appeal,

(a) no appeal is taken; or
(b) an appeal is taken and the appeal is dismissed or the by-law is amended as directed on the appeal,

the by-law shall be conclusively deemed to be in conformity with the official plan, except that where the by-law is passed in the circumstances mentioned in subsection (2) the by-law shall be conclusively deemed to be in conformity with the official plan on and from the day the by-law was passed, if the Minister approves the amendment to the official plan as mentioned in subsection (2).

25.—(1) If there is an official plan in effect in a municipality that includes provisions relating to the acquisition of land, which provisions have been approved by the Minister after the 28th day of June, 1974, the council may, in accordance with such provisions, acquire and hold land within the municipality for the purpose of developing any feature of the official plan, provided that any land so acquired or held may be sold, leased or otherwise disposed of when no longer required.

(2) Any municipality may contribute towards the cost of acquiring land under this section.

26.—(1) The council of every municipality that has adopted and had approved an official plan shall from time to time, and not less frequently than every five years, hold a special meeting of council, open to the public, for the purpose of determining the need for a revision of the official plan.

(2) Notice of every special meeting held under subsection (1) shall be published at least once a week in each of two separate weeks, such publication to be completed not later than thirty days before the date of the meeting, and the council shall afford any person who attends the meeting an opportunity to be heard in respect of the need for a revision of the plan.

(3) Despite subsection (1), the Minister may, at any time, direct the council of a municipality to undertake a revision of any official plan or part thereof in effect in the municipality and when so directed the municipal council shall cause the revision to be undertaken without undue delay.

27.—(1) When the Minister has approved an official plan adopted by a county or by a regional, metropolitan or district municipality,

(a) every official plan; and

(b) every zoning by-law passed under section 34 of this Act or a predecessor thereof,
that is then in effect in the area affected by the county, regional, metropolitan or district plan shall be amended to conform therewith.

(2) Where an official plan is approved as mentioned in subsection (1) and any official plan or zoning by-law is not amended as required by that subsection within one year of the approval of the plan, the council of the county or of the regional, metropolitan or district municipality may thereupon amend the official plan or zoning by-law, as the case may be, in like manner and subject to the same requirements and procedures as if such council was the council that failed to make the amendment within the one year period as herein required.

(3) Where an amending by-law is passed under subsection (2) by the council of a county or the council of a regional, metropolitan or district municipality, the amending by-law shall be deemed for all purposes to be a by-law passed by the council of the municipality that passed the by-law that was amended.

(4) In the event of a conflict between the official plan of a county or of a regional, metropolitan or district municipality and the official plan of a local municipality, the plan of the county or of the regional, metropolitan or district municipality, as the case may be, prevails to the extent of such conflict, but in all other respects the official plan of the local municipality remains in full force and effect.

PART IV
COMMUNITY IMPROVEMENT

28.—(1) In this section,

(a) "community improvement" means the planning or replanning, design or redesign, resubdivision, clearance, development or redevelopment, reconstruction and rehabilitation, or any of them, of a community improvement project area, and the provision of such residential, commercial, industrial, public, recreational, institutional, religious, charitable or other uses, buildings, works, improvements or facilities, or spaces therefor, as may be appropriate or necessary;

(b) "community improvement plan" means a plan approved by the Minister for the community improvement of a community improvement project area;
(c) "community improvement project area" means an area within a municipality, the community improvement of which in the opinion of the council is desirable because of age, dilapidation, overcrowding, faulty arrangement, unsuitability of buildings or for any other reason.

Designation of community improvement project area

(2) Where there is an official plan in effect in a local municipality that contains provisions relating to community improvement in the municipality, the council may, by by-law, designate the whole or any part of an area covered by such an official plan as a community improvement project area.

Acquisition and clearance of land

(3) When a by-law has been passed under subsection (2), the municipality may,

(a) acquire land within the community improvement project area with the approval of the Minister if the land is acquired before the community improvement plan mentioned in subsection (4) is approved and without the approval of the Minister if the land is acquired after the community improvement plan is approved;

(b) hold land acquired before or after the passing of the by-law within the community improvement project area; and

(c) clear, grade or otherwise prepare the land for community improvement.

Preparation of community improvement plan

(4) When a by-law has been passed under subsection (2), the council may provide for the preparation of a plan suitable for adoption as a community improvement plan for the community improvement project area and the provisions of subsections 17 (2) to (21) apply, with necessary modifications, in respect of the community improvement plan and any amendments thereto, provided however, where an official plan contains provisions describing the measures mentioned in subsection 17 (4), the provisions of subsections 17 (2) and (3) do not apply in respect of the community improvement plan and any amendments thereto, if the measures are complied with.

Deemed community improvement plan

(5) The Minister may, in writing, deem the provisions relating to community improvement mentioned in subsection (2) to be a community improvement plan for the purposes of this section.

(16) When the owner or occupant upon whom an order has been served in accordance with this section is not satisfied with the terms or conditions of the order, he may appeal to the committee by sending notice of appeal by registered mail to the sec-

(17) Where an appeal has been taken, the committee shall hear the appeal and shall have all the powers and functions of the officer and may confirm the order to demolish or repair or may modify or quash it or may extend the time for complying with the order provided that, in the opinion of the committee, the general intent and purpose of the by-law and of the official plan or policy statement are maintained.

(18) The municipality in which the property is situate or any owner or occupant or person affected by a decision under subsection (17) may appeal to a judge of the county or district court of the judicial district in which the property is located by so notifying the clerk of the corporation in writing and by applying for an appointment within fourteen days after the sending of a copy of the decision, and,

(24) After making an order under subsection (23), the officer may, either before or after the order is served, take or cause to be taken any measures he considers necessary to terminate the danger, and for this purpose the municipality has the right, through its servants and agents, to enter in and upon the property from time to time.

(25) The officer, the municipality or anyone acting on behalf of the municipality is not liable to compensate the owner, occupant or any other person by reason of anything done by or on behalf of the municipality in the reasonable exercise of its powers under subsection (24).

(26) Where the order was not served before measures were taken by the officer to terminate the danger, as mentioned in subsection (24), the officer shall forthwith after the measures have been taken, serve or send copies of the order, in accordance with subsections (7), (8) and (9), on or to the owner of the property and all persons mentioned in subsection (6) and each copy of the order shall have attached thereto a statement by the officer describing the measures taken by the municipality and providing details of the amount expended in taking the measures.

(28) Forthwith after the requirements of subsection (26) or (27) have been complied with the officer shall apply to a judge of the county or district court of the judicial district in which the property is situate for an order confirming the order made under subsection (23), and,

(a) the judge shall, in writing, appoint a day, time and place for the hearing of the application and in his appointment may direct that it shall be served upon such persons and in such manner as he prescribes;

(b) the appointment shall be served in the manner prescribed by the judge; and

(c) the judge in disposing of the application may confirm the order or may modify or quash it and shall make a determination as to whether the amount expended by the municipality in taking the measures to terminate the danger may be recovered by the municipality in whole, in part or not at all.

(29) The disposition of the application under clause (28) (c) is final and binding.

(30) Where a municipality demolishes or repairs property as mentioned in subsection (20) or takes measures to terminate a danger as mentioned in subsection (24) the municipality may recover the expense incurred in respect thereof by any or all of the methods provided for in section 325 of the Municipal Act, except that such amount, if any, as is to be borne by the municipality as a result of a determination under clause (28) (c) may not be recovered.

32.—(1) When a by-law under section 31 is in force in a municipality, the council of the municipality may pass a by-law for providing for the making of grants or loans to the registered owners or assessed owners of lands in respect of which a notice has been sent under subsection 31 (6) to pay for the whole or any part of the cost of the repairs required to be done, or of the clearing, grading and levelling of the lands, on such terms and conditions as the council may prescribe.
(2) The amount of any loan made under a by-law passed under this section, together with interest at a rate to be determined by the council, may be added by the clerk of the municipality to the collector's roll and collected in like manner as municipal taxes over a period fixed by the council, and such amount and interest shall, until payment thereof, be a lien or charge upon the land in respect of which the loan has been made.

(b) "residential property" means a building that contains one or more dwelling units, but does not include subordinate or accessory buildings the use of which is incidental to the use of the main building.

(2) When a by-law under section 31 or a predecessor thereof is in force in a municipality or when a by-law prescribing standards for the maintenance and occupancy of property under any special Act is in force in a municipality, the council of the local municipality may by by-law designate any area within the municipality to which the standards of maintenance and occupancy by-law applies as an area of demolition control and thereafter no person shall demolish the whole or any part of any residential property in the area of demolition control unless he is the holder of a demolition permit issued by the council under this section.
(3) Subject to subsection (6), where application is made to the council for a permit to demolish residential property, the council may issue the permit or refuse to issue the permit.

(4) Where the council refuses to issue the permit or neglects to make a decision thereon within thirty days after the receipt by the clerk of the municipality of the application, the applicant may appeal to the Municipal Board and the Board shall hear the appeal and either dismiss the same or direct that the demolition permit be issued, and the decision of the Board shall be final.

(5) The person appealing to the Municipal Board under subsection (4) shall, in such manner and to such persons as the Board may direct, give notice of the appeal to the Board.

(6) Subject to subsection (7), the council shall, on application therefor, issue a demolition permit where a building permit has been issued to erect a new building on the site of the residential property sought to be demolished.

(7) A demolition permit under subsection (6) may be issued on the condition that the applicant for the permit construct and substantially complete the new building to be erected on the site of the residential property proposed to be demolished by not later than the date as the permit specifies, such date being not less than two years from the day demolition of the existing residential property is commenced, and on the condition that on failure to complete the new building within the time specified in the permit, the clerk of the municipality shall be entitled to enter on the collector's roll, to be collected in like manner as municipal taxes, such sum of money as the permit specifies, but not in any case to exceed the sum of $20,000 for each dwelling unit contained in the residential property in respect of which the demolition permit is issued and such sum shall, until payment thereof, be a lien or charge upon the land in respect of which the permit to demolish the residential property is issued.

(8) Where the clerk of the municipality adds a sum of money to the collector's roll under subsection (7), a certificate signed by the clerk setting out the sum added to the roll, together with a description of the land in respect of which the sum has been added to the roll, sufficient for registration, shall be registered in the proper land registry office against the land, and upon payment in full to the municipality of the sum added to the roll, a certificate signed by the clerk of the municipality showing such payment shall be similarly registered, and thereupon the lien or charge upon the land in respect of which the sum was added to the roll is discharged.
(9) Where an applicant for a demolition permit under subsection (6) is not satisfied as to the conditions on which the demolition permit is proposed to be issued, he may appeal to the Municipal Board for a variation of the conditions and, where an appeal is brought, the Board shall hear the appeal and may dismiss the same or may direct that the conditions upon which the permit shall be issued be varied in such manner as the Board considers appropriate, and the decision of the Board shall be final.

(10) Where any person who has obtained a demolition permit under subsection (6) that is subject to conditions under subsection (7) considers that it is not possible to complete the new building within the time specified in the permit or where he is of the opinion that the construction of the new building has become not feasible on economic or other grounds, he may apply to the council of the municipality for relief from the conditions on which the permit was issued, by sending notice of application by registered mail to the clerk of the municipality not less than sixty days before the time specified in the permit for the completion of the new building and where the council under subsection (11) extends the time for completion of the new building, application may similarly be made for relief by sending notice of application not less than sixty days before the expiry of the extended completion time.

(11) Where an application is made under subsection (10), the council shall consider the application and may grant the same or may extend the time for completion of the new building for such period of time and on such terms and conditions as the council considers appropriate or the council may relieve the person applying from the requirement of constructing the new building.

(12) Any person who has made application to the council under subsection (10) may appeal from the decision of the council to the Municipal Board within twenty days of the mailing of the notice of the decision, or where the council refuses or neglects to make a decision thereon within thirty days after the receipt by the clerk of the application, the applicant may appeal to the Municipal Board and the Board shall hear the appeal and the Board on the appeal has the same powers as the council has under subsection (11) and the decision of the Board shall be final.

(13) Every person who demolishes a residential property, or any portion thereof, in contravention of subsection (2) is guilty of an offence and on conviction is liable to a fine of not more than $20,000 for each dwelling unit contained in the residential property, the whole or any portion of which residential prop-

(15) Subject to subsection (14), an application to the council for a permit to demolish any residential property operates as a stay to any proceedings that may have been initiated under any by-law under section 31 or a predecessor thereof or under any special Act respecting maintenance or occupancy standards in respect of the residential property sought to be demolished, until the council disposes of the application, or where an appeal is taken under subsection (4), until the Municipal Board has heard the appeal and issued its order thereon.

(16) Where a permit to demolish residential property is obtained under this section, it is not necessary for the holder thereof to obtain the permit mentioned in section 5 of the Building Code Act.

(2) The making, establishment or operation of a pit or quarry shall be deemed to be a use of land for the purposes of paragraph 1 of subsection (1).

(3) The authority to regulate provided in paragraph 4 of subsection (1) includes and, despite the decision of any court, shall be deemed always to have included the authority to regulate the minimum area of the parcel of land mentioned therein and to regulate the density of development in the municipality or in the area or areas defined in the by-law.

(4) A trailer as defined in clause (a) of paragraph 95 of section 210 of the Municipal Act and a mobile home as defined in clause 45 (1) (a) of this Act shall be deemed to be a building or structure for the purposes of this section.

(5) A by-law heretofore or hereafter passed under paragraph 1 or 2 of subsection (1) or a predecessor of such paragraph may prohibit the use of land or the erection or use of buildings or structures unless such municipal services as may be set out in the by-law are available to service the land, buildings or structures, as the case may be.

(6) A by-law passed under this section may provide for the issue of certificates of occupancy without which no change may be made in the type of use of any land covered by the by-law or of any building or structure on any such land, but no such certi-

(b) to prevent the erection or use for a purpose prohibited by the by-law of any building or structure for which a permit has been issued under section 5 of the Building Code Act, prior to the day of the passing of the by-law, so long as the building or structure when erected is used and continues to be used for the purpose for which it was erected and provided the permit has not been revoked under section 6 of the Building Code Act.

(10) Despite any other provision of this section, any by-law passed under this section or a predecessor of this section may be amended so as to permit the extension or enlargement of any land, building or structure used for any purpose prohibited by the by-law if such land, building or structure continues to be used in the same manner and for the same purpose as it was used on the day such by-law was passed.

(11) Where an application to the council for an amendment to a by-law passed under this section or a predecessor of this section is refused or the council refuses or neglects to make a decision thereon within thirty days after the receipt by the clerk of the application, the applicant may appeal to the Municipal Board and the Board shall hear the appeal and dismiss the
same or amend the by-law in such manner as the Board may
determine or direct that the by-law be amended in accordance
with its order.

respect of the proposed by-law.

(13) The meeting mentioned in subsection (12) shall be held
not sooner than thirty days after the requirements for the giving
of notice have been complied with and shall be open to the
public, and any person who attends the meeting shall be
afforded an opportunity to make representation in respect of
the proposed by-law.

(14) Where there is an official plan in effect in the munici-
pality that contains provisions describing the measures for
informing and securing the views of the public in respect of pro-
posed zoning by-laws the provisions of subsections (12) and
(13) do not apply to such proposed by-laws if the measures are

authorities or other agencies as the council considers may have
an interest in the proposed by-law, adequate information, and
before passing the by-law the council shall afford them an

as is specified by the council.

(16) Where a change is made in a proposed by-law after the
holding of the meeting mentioned in subsection (12), the coun-

respect of the proposed by-law and the determination of the
council as to the giving of further notice is final and not subject
to review in any court irrespective of the extent of the change
made in the proposed by-law.

(17) Where the council passes a by-law under this section,
except a by-law passed pursuant to an order of the Municipal
Board made under subsection (11), the clerk of the municipal-

(19) When no notice of appeal is filed under subsection (18), the by-law shall be deemed to have come into force on the day it was passed except that where the by-law is passed under circumstances mentioned in subsection 24 (2) the by-law shall not be deemed to have come into force on the day it was passed until the Minister has approved the amendment to the official plan as mentioned in subsection 24 (2).

(20) An affidavit or declaration of the clerk of the municipality that notice was given as required by subsection (17) or that no notice of appeal was filed under subsection (18) within the time allowed for appeal shall be conclusive evidence of the facts stated therein.

(21) The clerk of the municipality, upon receipt of a notice of appeal under subsection (18), shall compile a record which shall include,

(a) a copy of the by-law certified by him;

(b) an affidavit or declaration duly sworn certifying that the requirements for the giving of notice as mentioned in subsection (17) have been complied with; and

(24) Despite the fact that a person is not a party to the appeal, the Municipal Board may permit the person to make representations at the hearing.
(25) On an appeal to the Municipal Board, the Board shall hold a hearing of which notice shall be given to the parties to the appeal, and to such other persons as the Board considers appropriate.

(26) Despite subsection (25), the Municipal Board may, where it is of the opinion that the objection to the by-law set out in the notice of appeal is insufficient, dismiss the appeal without holding a full hearing but before so dismissing the appeal shall notify the appellant and afford him an opportunity to make representations as to the merits of the appeal.

(27) The Municipal Board may.

(a) dismiss the appeal; or

(b) allow the appeal in whole or in part and repeal the by-law in whole or in part or amend the by-law in such manner as the Board may determine or direct the council of the municipality to repeal the by-law in whole or in part or to amend the by-law in accordance with the Board’s order.

(28) Where an appeal has been filed under subsection (18), the Minister, if he is of the opinion that a matter of provincial interest is, or is likely to be adversely affected by the by-law, may so advise the Municipal Board in writing not later than thirty days before the day fixed by the Board for the hearing of the appeal and the Minister shall identify the part or parts of the by-law by which the provincial interest is, or is likely to be adversely affected.

(29) Where the Municipal Board has received notice from the Minister under subsection (28) and has made a decision on the by-law the Board shall not make an order under subsection (27) in respect of the part or parts of the by-law identified in the notice.

(b) where the land affected is situate in territory without municipal organization, to be lodged in the proper land registry office, where it shall be made available to the public as a production.

(8) The Minister may, on his own initiative or at the request of any person, by order, amend or revoke in whole or in part any order made under subsection (1).

(9) Except as provided in subsection (10), the Minister before amending or revoking in whole or in part an order made under subsection (1) shall give notice or cause to be given notice thereof in such manner as he considers proper and shall allow such period of time as he considers appropriate for the submission of representations in respect thereof.

(10) Where an application is made to the Minister to amend or revoke in whole or in part any order made under subsection (1), the Minister may, and on the request of any person shall, request the Municipal Board to hold a hearing on the application and thereupon the Board shall hold a hearing as to whether the order should be amended or revoked in whole or in part.

(11) Despite subsection (10), where the Minister is of the opinion that a request of any person made under subsection (10) is not made in good faith or is frivolous or vexatious or is made only for the purpose of delay, he may refuse the request.

(12) Where the Minister has requested the Municipal Board to hold a hearing as provided for in subsection (10), notice of the hearing shall be given in such manner and to such persons
as the Board may direct, and the Board shall hear any submissions that any person may desire to bring to the attention of the Board.

(16) Where the Municipal Board has received notice from the Minister under subsection (15) and has made a decision on the requested revocation or amendment the Minister shall not give effect to the decision under subsection (13) unless the Lieutenant Governor in Council has confirmed the decision.

(17) The Lieutenant Governor in Council may confirm, vary or rescind the decision of the Municipal Board where notice of a matter of provincial interest was given under subsection (15) and in doing so may direct the Minister to amend or revoke the order in whole or in part.

(18) An order of the Minister made under clause (1) (b) has the same effect as a by-law passed under subsection 49 (4).

47. Despite the provisions of any other general or special Act, a licence, permit, approval or permission shall not be issued or granted nor any utility or service provided by a public utilities commission or other public or Crown agency in respect of any land, building or structure where the proposed use of the land or the erection or proposed use of the building or structure would be in contravention of section 45 or of an order made under section 46.

48.—(1) In this section, “officer” means an officer who has been assigned the responsibility of enforcing section 45,
orders of the Minister made under clause 46 (1)(a) or zoning by-laws passed under section 34.

(e) the land or any use of or right therein is being acquired for the purposes of flood control, erosion control, bank stabilization, shoreline management works or the preservation of environmentally sensitive lands under a project approved by the Minister of Natural Resources under section 24 of the Conservation Authorities Act and in respect of which an officer of the conservation authority acquiring the land or any use of or right therein has made a declaration that it is being acquired for any of such purposes, which shall be conclusive evidence that it is being acquired for such purpose; or

(f) a consent is given to convey, mortgage or charge the land, or grant, assign or exercise a power of appointment in respect of the land or enter into an agreement in respect of the land.

(4) The council of a local municipality may by by-law designate any plan of subdivision, or part thereof, that has been registered for eight years or more, which shall be deemed not to be a registered plan of subdivision for the purposes of subsection (3).

(5) Where land is within a plan of subdivision registered before or after the coming into force of this section, no person shall convey a part of any lot or block of the land by way of a deed, or transfer, or grant, assign or exercise a power of appointment in respect of a part of any lot or block of the land, or mortgage or charge a part of any lot or block of the land, or enter into an agreement of sale and purchase of a part of any lot or block of the land or enter into any agreement that has the effect of granting the use of or right in a part of any lot or block of the land directly or by entitlement to renewal for a period of twenty-one years or more unless,

land that is the whole of one or more lots or blocks within one or more registered plans of subdivision;

(b) the land or any use of or right therein is being acquired or disposed of by Her Majesty in right of Canada, Her Majesty in right of Ontario, Ontario Hydro or by any municipality;

(6) Despite subsections (3) and (5), where land is the remaining part of a parcel of land, the other part or parts of which parcel have been the subject of a consent given under clause (3) (f) or (5) (f), the whole of the remaining part may be conveyed or otherwise dealt with before the other part or parts are conveyed or otherwise dealt with, provided that the remaining part is conveyed or otherwise dealt with before the consent mentioned above lapses under subsection 52 (22).
Designation of lands not subject to part-lot control

(7) Despite subsection (5), the council of a local municipality may by by-law provide that subsection (5) does not apply to land that is within such registered plan or plans of subdivision or part or parts thereof as is or are designated in the by-law, and, where the by-law is approved by the Minister, subsection (5) ceases to apply to such land, but the by-law, without requiring the approval of the Minister, may be repealed, or may be amended to delete part of the lands described therein, and when the requirements of subsection (24) have been complied with, subsection (5) thereupon applies to the lands affected by the repeal or amendment.

Exception

(8) Nothing in subsections (3) and (5) prohibits, and subsections (3) and (5) shall be deemed never to have prohibited, the giving back of a mortgage or charge by a purchaser of land to the vendor of the land as part or all of the consideration for the conveyance of the land, provided that the mortgage or charge applies to all of the land described in the conveyance.

Part of building or structure

(9) Nothing in subsections (3) and (5) prohibits the entering into of an agreement that has the effect of granting the use of or right in a part of a building or structure for any period of years.

Application under R.S.O. 1980, c. 126, s. 2

(10) This section does not apply to an agreement entered into under section 2 of the Drainage Act.

Application to ARDA

(11) This section does not apply so as to prevent the Agricultural Rehabilitation and Development Directorate of Ontario from conveying or leasing land where the land that is being conveyed or leased comprises all of the land that was acquired by the Directorate under one registered deed or transfer.

Exception to application of subs. (3, 5)

(12) Where a parcel of land is conveyed by way of a deed or transfer with a consent given under section 52, subsections (3) and (5) of this section do not apply to a subsequent conveyance of, or other transaction involving, the identical parcel of land unless the council or the Minister, as the case may be, in giving the consent, stipulates either that subsection (3) or subsection (5) shall apply to any such subsequent conveyance or transaction.

Reference to stipulation

(13) Where the council or the Minister stipulates in accordance with subsection (12), the certificate provided for under subsection 52 (21) shall contain a reference to the stipulation, and if not so contained the consent shall be conclusively deemed to have been given without the stipulation.
(14) Where land is within a registered plan of subdivision or within a registered description under the Condominium Act or where land is conveyed with a consent given under section 52 or a predecessor thereof, any contravention of this section or a predecessor thereof or of a by-law passed under a predecessor of this section or of an order made under clause 27 (1) (b), as it existed on the 25th day of June, 1970, of The Planning Act, being chapter 296 of the Revised Statutes of Ontario, 1960, or a predecessor thereof, that occurred prior to the registration of the plan of subdivision or description or prior to the conveyance, as the case may be, does not and shall be deemed never to have had the effect of preventing the conveyance of or creation of any interest in the land, but this subsection does not affect the rights acquired by any person from a judgment or order of any court given or made on or before the 15th day of December, 1978.

(15) Where a person conveys land or grants, assigns or exercises a power of appointment in respect of land, or mortgages or charges land, or enters into an agreement of sale and purchase of land, or enters into any agreement that has the effect of granting the use of or right in land directly or by entitlement to renewal for a period of twenty-one years or more by way of simultaneous conveyances of abutting lands or by way of other simultaneous dealings with abutting lands, the person so conveying or otherwise dealing with the lands shall be deemed for the purposes of subsections (3) and (5) to retain, as the case may be, the fee or the equity of redemption in, or the power or right to grant, assign or exercise a power of appointment in respect of, land abutting the land that is being conveyed or otherwise dealt with but this subsection does not apply to simultaneous conveyances or other simultaneous dealings involving the same parties acting in their same respective capacities.

(16) Where a person gives a partial discharge of a mortgage on land or gives a partial cessation of a charge on land, the person giving the partial discharge or partial cessation shall be deemed to hold the fee in the lands mentioned in the mortgage or charge and to retain, after the giving of the partial discharge or partial cessation, the fee in the balance of the lands, and for the purposes of this section shall be deemed to convey by way of deed or transfer the land mentioned in the partial discharge or partial cessation.

(17) Subsection (16) does not apply to a partial discharge of mortgage or partial cessation of charge where the land described in the partial discharge or partial cessation.

(b) includes only the whole of one or more lots or blocks within a registered plan of subdivision, unless such plan of subdivision has been designated under subsection (4); or

(c) is owned by Her Majesty in right of Canada or Her Majesty in right of Ontario, Ontario Hydro or by any municipality.

(18) No foreclosure of or exercise of a power of sale in a mortgage or charge shall have any effect in law without the approval of the Minister unless all of the land subject to such mortgage or charge is included in the foreclosure or exercise of the power of sale, as the case may be, but this subsection does not apply where the land foreclosed or in respect of which the power of sale is exercised comprises only,

(a) the whole of one or more lots or blocks within one or more registered plans of subdivision; or

(b) one or more parcels of land that do not abut any other parcel of land that is subject to the same mortgage or charge.

(19) Where a joint tenant or tenant in common of land releases or conveys his interest in such land to one or more other joint tenants or tenants in common of the same land while holding the fee in any abutting land, either by himself or together with any other person, he shall be deemed, for the purposes of subsections (3) and (5), to convey such land by way of deed or transfer and to retain the fee in the abutting land.

(20) No order made under the Partition Act for the partition of land shall have any effect in law unless,

(a) irrespective of the order, each part of the land described in the order could be conveyed without contravening this section; or

(b) a consent is given to the order.

(21) An agreement, conveyance, mortgage or charge made, or a power of appointment granted, assigned or exercised in contravention of this section or a predecessor thereof does not create or convey any interest in land, but this section does not affect an agreement entered into subject to the express condi-
tion contained therein that such agreement is to be effective only if the provisions of this section are complied with.

(22) A certified copy or duplicate of every by-law passed under subsection (4) shall be lodged by the clerk of the municipality in the office of the Minister.

(23) A by-law passed under subsection (4) is not effective until the requirements of subsection (24) have been complied with.

(24) A certified copy or duplicate of every by-law passed under this section shall be registered by the clerk of the municipality in the proper land registry office.

(25) No notice or hearing is required prior to the passing of a by-law under subsection (4), but the council shall give notice of the passing of any such by-law within thirty days of the passing thereof to each person appearing on the last revised assessment roll to be the owner of land to which the by-law applies, which notice shall be sent to the last known address of each such person.

(26) The council shall hear in person or by his agent any person to whom a notice was sent under subsection (25), who within twenty days of the mailing of the notice to him gives notice to the clerk of the municipality that he desires to make representations respecting the amendment or repeal of the by-law.

(3) The Minister may confer with municipal, provincial or federal officials, with officials of commissions, authorities or corporations and with such other bodies or persons as the Minister considers may have an interest in the approval of the proposed subdivision.

(4) In considering a draft plan of subdivision, regard shall be had, among other matters, to the health, safety, convenience and welfare of the present and future inhabitants of the local municipality and to the following.

(a) the effect of development of the proposed subdivision on matters of provincial interest as referred to in section 2:

d) that the owner of the land enter into one or more agreements with a municipality, or where the land is not in a municipality, with the Minister, dealing with such matters as the Minister may consider necessary, including the provision of municipal services.

(6) Every municipality and the Minister may enter into agreements imposed as a condition to the approval of a plan of subdivision and any such agreement may be registered against the land to which it applies and the municipality or the Minister, as the case may be, shall be entitled to enforce the provisions thereof against the owner and, subject to the provisions of the Registry Act and the Land Titles Act, any and all subsequent owners of the land.

(7) Where the Minister has imposed a condition under clause (5) (a) requiring land to be conveyed to the municipality and where the municipality has an official plan that contains specific policies relating to the provision of lands for park or other public recreational purposes, the municipality, in the case of a subdivision proposed for residential purposes, may, in lieu of such conveyance, require that land included in the plan be conveyed to the municipality for park or other public recreational purposes at a rate of one hectare for each 300 dwelling units proposed or at such lesser rate as may be determined by the municipality.

(8) Where the Minister has imposed a condition under clause (5) (a) requiring land to be conveyed to the municipality, the municipality may, in lieu of accepting such conveyance, require the payment of money by the owner of the land,

(a) to the value of the land otherwise required to be conveyed; or

(b) where the municipality would be entitled to require a conveyance under subsection (7), to the value of the
land that would otherwise be required to be so conveyed.

(9) For the purpose of determining the amount of any payment required under subsection (8), the value of the land shall be determined as of the day before the day of the draft approval of the plan and where the owner and the municipality are unable to agree on the value, either party may apply to the Land Compensation Board to have the value determined and the Board shall, in accordance as nearly as may be with the provisions of the *Expropriations Act*, determine the value of the land.

(10) Land conveyed to a municipality pursuant to a condition imposed under subsection (5) shall be used for park or other public recreational purposes but may be sold at any time.

(12) All moneys received by the municipality under subsections (8) and (11) and all moneys received on the sale of land under subsection (10), less any amount expended by the municipality out of its general funds in respect of such land, shall be paid into a special account, and the moneys in such special account shall be expended only for the acquisition of lands to be used for park or other public recreational purposes, including the erection or repair of buildings or other structures thereon or for the maintenance of lands, buildings or structures used for park or other public recreational purposes, including the acquisition of machinery and equipment required for such maintenance, and the moneys in such special account may be invested in such securities as a trustee may invest in under the *Trustee Act*, and the earnings derived from the investment of such moneys shall be paid into such special account, and the auditor in his annual report shall report on the activities and position of the account.

(13) The Minister may, subject to subsections (14) and (15), give or refuse to give his approval to a draft plan of subdivision.

(14) Where the Minister proposes to refuse to give his approval to a draft plan of subdivision, the Minister shall send notice to the applicant together with written reasons as to why he proposes to refuse his approval and where the applicant does not, within sixty days of the sending of the notice, request
the Minister to refer the draft plan to the Municipal Board. The approval of the Minister shall be deemed to have been refused.

(15) At any time before the Minister has given or has refused to give his approval to a draft plan of subdivision, the Minister may, and upon application therefor shall, refer the draft plan of subdivision to the Municipal Board unless, in his opinion, such request is not made in good faith, or is frivolous or vexatious or is made only for the purpose of delay and where the draft plan is referred to the Board the Board shall hear and determine the matter.

(16) Where an application is made under subsection (15), the application shall be accompanied by written reasons in support thereof.

(17) Where the owner of the land, the local municipality or the county or regional, metropolitan or district municipality, if any, in which the land is situate, is not satisfied as to the conditions or any of the conditions, imposed or to be imposed, he or it, at any time before the plan of subdivision is finally approved, may require the condition or conditions that are unsatisfactory to be referred to the Municipal Board by written notice to the secretary of the Board and to the Minister, and the Board shall then hear and determine the question as to the condition or conditions so referred to it.

(18) The Minister may, in his discretion, withdraw his approval to a draft plan of subdivision or change the conditions of such approval at any time prior to his approval of a final plan for registration.

(19) When the draft plan is approved, the person desiring to subdivide may proceed to lay down the highways and lots upon the ground in accordance with the Surveys Act and the Registry Act or the Surveys Act and the Land Titles Act, as the case may be, and to prepare a plan accordingly certified by an Ontario land surveyor.

(20) Upon presentation by the person desiring to subdivide, the Minister may, if satisfied that the plan is in conformity with the approved draft plan and that the conditions of approval have been or will be fulfilled, approve the plan of subdivision and thereupon the plan of subdivision may be tendered for registration.

51.—(1) No person shall subdivide and offer for sale, agree to sell or sell land by a description in accordance with an unregistered plan of subdivision, but this subsection does not prohibit any person from offering for sale or agreeing to sell land by a description in accordance with a plan of subdivision in respect of which draft approval has been given under section 50.

(2) In subsection (1), "unregistered plan of subdivision" does not include a reference plan of survey under section 149 of the Land Titles Act that complies with the regulations under that Act or a plan deposited under Part II of the Registry Act in accordance with the regulations under that Act.

52.—(1) An owner of land or his agent duly authorized in writing may apply for a consent as defined in subsection 49 (1) and the council or the Minister, as the case may be, may, subject to subsections (2) to (22) of this section, give a consent if satisfied that a plan of subdivision of the land is not necessary for the proper and orderly development of the municipality.

(2) A council in dealing with applications for consent shall comply with such rules of procedure as are prescribed and a council or the Minister, as the case may be, in determining whether a consent is to be given shall have regard to the matters that are to be had regard to under subsection 50 (4) and has the same powers with respect to a consent as the Minister has with respect to an approval of a plan of subdivision under subsection 50 (5), and subsections 50 (6), (7), (8), (9), (10) and (12) apply with necessary modifications.

(3) Where, on the giving of a consent, land is required to be conveyed to a municipality for park or other public recreational purposes and the council of the municipality requires the payment of money to the value of the land in lieu of the conveyance, for the purpose of determining the amount of the pay-
ment the value of the land shall be determined as of the day before the day of the giving of the consent.

(4) A council, in determining whether a consent is to be given, shall confer with such agencies or persons as are prescribed.

(5) Where a decision is made by a council to give a consent, written notice of the decision, setting out the conditions, if any, imposed to the giving of the consent, shall be sent, not later than ten days from the making of the decision, to the applicant, to every agency or person conferred with under subsection (4) that in writing requested to be given notice of the decision, to any other person who in writing requested to be given notice of the decision and to the Minister, if the Minister has notified the council by registered mail that he wishes to receive a copy of all decisions made to give a consent.

(6) Where a decision is made by a council to refuse to give a consent, written notice of the decision shall be sent not later than ten days from the making of the decision to the applicant and to the agencies and persons mentioned in subsection (5), other than the Minister, together with written reasons for the decision.

(7) The applicant, the Minister and every agency or other person to whom notice of the decision was sent may within thirty days of the making of the decision appeal to the Municipal Board against the decision by filing with the clerk of the municipality, the council of which made the decision, a notice of appeal setting out written reasons in support of the appeal and accompanied by payment to the clerk of the fee prescribed by the Board under the *Ontario Municipal Board Act*.

(11) Where the Minister proposes to impose conditions to the giving of a consent, the Minister shall give written notice to the applicant specifying the conditions, and the Minister may change the conditions at any time prior to the giving of the consent.

(12) Where the Minister proposes to refuse to give a consent, the Minister shall send notice to the applicant together with written reasons as to why it is proposed to refuse to give the consent and where the applicant does not, within sixty days of the sending of the notice, request the Minister to refer the application for consent to the Municipal Board, the consent shall be deemed to have been refused.

(13) At any time before written notice is given to an applicant under subsection (11) specifying conditions, the Minister may, and upon application therefor accompanied by written reasons in support thereof shall, refer the application for consent to the Municipal Board unless, in the opinion of the Minister, such request is not made in good faith, or is frivolous or vexatious or is made only for the purpose of delay, but in no event may an application for consent be referred to the Board after the Minister has given or refused to give the consent.
