15. When an application is transmitted to the Board under clause 14 (c), the administrator may, with the consent of the chairman, provide such benefit to the applicant as the administrator considers appropriate pending a decision from the Board and, in the event that the Board subsequently decides that an award should not be made or that a lower benefit should be provided, the amounts or the excess amounts which have been provided shall not be recovered from the applicant.

16. An applicant or the Board or any member of the Board may, at any time after a determination by the administrator under clause 14 (a) or (b), by notice in writing to the Board or to the applicant or to the Board and the applicant respectively, require that the decision of the administrator be reviewed.

(3) Notwithstanding anything in this Act, the Board shall make or confirm or vary each award in such amount as it considers appropriate, having regard to the nature and extent of an applicant’s disability, but shall not make any award in an amount greater than the maximum benefit.

23. The Board shall establish its own procedure including, without limitation, the location of its meetings, and any applicant aggrieved by the procedure, even where the procedure prescribed by this Act has been followed, may request the Board to review an award under section 20.
24.—(1) The Board may make any decision without hearing any evidence but may, in its sole discretion, hear evidence under oath and every member of the Board may examine or cross-examine any person.

(2) Any applicant may appear and be heard at any meeting of the Board at which his or her application or award is to be considered or reviewed, and the Board shall provide notice to each applicant accordingly.

25. No person other than a member of the Board may, except to the extent permitted by the Board in its sole discretion, examine or cross-examine any person at any meeting of the Board.

26. The Board shall consider, in respect of each condition manifested in the disability, the medical report of an authorized physician before making an award.

27. The Board shall consider any information, advice, report, evidence or other material or matter which, in its sole discretion, it deems useful for the purpose of deciding any matter including whether it may be appropriate to make or vary any award or awards, and may hear or, subject to subsection 24 (2), not hear any person.

28. The Board shall not award costs of any application.

29. The Board may, in its sole discretion, direct payment of all or part of the personal expenses of an applicant in connection with an application, whether or not the Board makes an award.
