(3) A hearing officer shall fix the time and place for the hearing or hearings as determined under subsection (2), and shall publish notice thereof in one or more newspapers having in his opinion general circulation in the area.

of the proposed amendment, following which the Minister shall submit the amendment with his recommendations thereon to the Lieutenant Governor in Council and the Lieutenant Governor in Council may refuse to approve the amendment or may approve it or may approve the amendment with such modifications as the Lieutenant Governor in Council considers desirable, and in the event an amendment is approved, the development plan as so amended is thereupon the development plan for the area defined in it.

(3) Where, in the opinion of the Minister, an application for an amendment is not made in good faith, or is frivolous or is made only for the purpose of delay, the Minister shall inform the applicant in writing of his opinion and notify the applicant that unless he makes written representations thereon to the Minister within such time as the Minister specifies in the notice, not being less than fifteen days from the time the notice is given, the provisions of subsection (2) in respect of the consideration of the amendment shall not apply, and approval of the amendment shall be deemed to be refused.

(4) Where representations are made to the Minister under subsection (3), the Minister, after giving consideration thereto, shall inform the applicant in writing either that the Minister's opinion is confirmed and that approval of the amendment is deemed to be refused or that he has directed that consideration of the amendment be proceeded with in accordance with subsection (2).

that is in conflict with the development plan.

(2) The Minister, upon the application of the council of a municipality having jurisdiction in the area covered by a development plan, or in any part thereof, may, in writing, declare that a by-law, improvement or other undertaking of such municipality shall be deemed not to conflict with the development plan, if the Minister is of the opinion that the
by-law, improvement or other undertaking conforms with the
general intent and purpose of the development plan. 1973,
c. 51, s. 9.

10. Notwithstanding any other general or special Act, Conflict

and any provision of a local plan or any provision of a zoning
by-law covering part or all of the same area, then the provision
of the development plan prevails. 1973, c. 51, s. 10.

11.—(1) Where, in the opinion of the Minister, a local
plan or a zoning by-law is in conflict with the provisions
of any development plan that covers in whole or in part the
same area, the Minister shall advise the council of the
municipality that adopted the local plan or that passed the
zoning by-law of the particulars wherein the local plan or
zoning by-law conflicts with the development plan and shall
invite the municipality to submit, within such time as the
Minister specifies, proposals for the resolution of the conflict.

(2) Where the council of a municipality fails to submit
proposals to resolve the conflict within the time specified
by the Minister, or where after consultation with the Minister
on such proposals, the conflict cannot be resolved and the
Minister so notifies in writing the council of the municipality,
the Minister may by order amend the local plan so as to make
it conform to the development plan, and the order when made
shall have the same effect as though it were an amendment to
the local plan made by the council of the municipality and
approved by the Minister. 1973, c. 51, s. 11.

12. Nothing in this Act derogates from the power of the
Minister to make an order under clause 35 (1) (a) of the Planning
Act and, notwithstanding subsection 35 (4) of the Planning Act,
where there is a development plan in effect in the area to be
covered by the order, any such order may be made that does not

covered by the development plan, the council of the munici-
ality, upon being notified in writing by the Minister of that
fact, shall, within such time as is specified in the notice, prepare
and adopt a local plan or pass a zoning by-law or by-laws

14.—(1) Not later than five years from the day on which a development plan comes into effect, the Minister shall cause a review of the plan to be undertaken, and the provisions of this Act in respect of a development plan relating to consultation, the submission of comments and the holding of hearings apply, with necessary modifications, to the review, following which the Minister shall submit to the Lieutenant Governor in Council a report on the review of the development plan with his recommendations thereon.

(2) The Lieutenant Governor in Council may confirm the development plan or may approve the plan with such modifications as the Lieutenant Governor in Council considers desirable, and thereupon the confirmed plan or the modified plan as the case may be is the development plan for the area defined in it.

(3) Subsections (1) and (2) apply with necessary modifications to the confirmed or modified development plan, and so on at intervals of not greater than five years, to the end that every development plan shall be subject to continuing review and if desirable, modification, at such periodic intervals. 1973, c. 51, s. 14.

15.—(1) For the purposes of developing any feature of a development plan, the Minister may, for and in the name of Her Majesty, acquire by purchase, lease or otherwise, or, subject to the Expropriations Act, without the consent of the owner, enter upon, take and expropriate and hold any land or interest therein within the area covered by the plan, and sell, lease or otherwise dispose of any such land or interest therein.

(b) sell, lease or otherwise dispose of any of such land or interest therein. 1973, c. 51, s. 15.
16. Where a municipality is invited to submit proposals to the Minister under section 11 to resolve a conflict between a local plan or zoning by-law and a development plan or is required under section 13 to prepare and adopt a local plan or pass a zoning by-law or by-laws, the Minister may, out of the moneys appropriated therefor by the Legislature, make grants to any such municipality towards the costs of preparing such proposals, plans or by-laws or towards those expenditures incurred in preparing local plans and zoning by-laws which are rendered invalid by a development plan. 1973, c. 51, s. 16.

17. Where a development plan is in effect, the Minister may, out of the moneys appropriated therefor by the Legislature, provide financial assistance to any person, organization or corporation, including a municipal corporation, undertaking any policy or program that implements the plan. 1973, c. 51, s. 17.

18. This Act does not apply to the Niagara Escarpment Planning Area established under the Niagara Escarpment Planning and Development Act, except as otherwise provided under that Act. 1973, c. 51, s. 18.
