(3) Where an applicant or registrant does not require a hearing by the Board in accordance with subsection (2), the Minister may carry out the proposal stated in his notice under subsection (1).
(4) Where the Minister gives notice of his intention to revoke a licence and, in the opinion of the Minister, the continuation of the operation of the pit or quarry constitutes an immediate threat to the interests of the public, the Minister may, upon notice to the licensee, immediately suspend the licence pending the final disposition of the matter. 1971, c. 96, s. 8.

9.—(1) Where a matter is referred to the Board for a hearing, the Board shall hold a hearing as to whether the licence to which the hearing relates should be issued or revoked, as the case may be, and the applicant or licensee, the Director of the Inspection Branch of the Ministry and such other persons as the Board specifies shall be parties to the proceeding. 1971, c. 96, s. 9 (1); 1972, c. 1, s. 1.

(3) Upon the direction of the Minister under subsection (2), the security is forfeited and the Minister may authorize any person or persons to enter upon the premises on which the pit or quarry is situate and perform such work as is necessary to complete the rehabilitation requirements, and the cost thereof shall be paid out of the moneys forfeited and the balance refunded in accordance with the regulations. 1971, c. 96, s. 11.

(4) A permit issued under this section expires on the completion of the project or contract or one year after its issue, whichever occurs first, but in the latter case the Minister may renew the permit for such further period as the Minister considers appropriate for the completion, in good faith, of the project or contract.

(5) The Minister may revoke a permit issued under this section for any breach of the terms and conditions of the permit or of this Act or the regulations.

13.—(1) An inspector may enter in or upon any land or premises set aside for the purposes of a pit or quarry or wayside pit or quarry at any reasonable time to make such examinations, tests and inquiries as may be necessary for the purposes of ensuring compliance with this Act, the regulations, the site plan and the terms and conditions of the licence or permit.

17.—(1) The provisions of this Act and the regulations are in addition to and not in substitution for the provisions of Part IX of the Mining Act.
