The Minister may provide from time to time by order that, in the year or years and in the manner specified in the order, the council of any area municipality shall levy, on the whole of the assessment for real property and business assessment according to the last revised assessment roll in any specified merged area or areas, rates of taxation for general purposes which are different from the rates which would have been levied for such purposes but for the provisions of this section. 1973, c. 70, s. 85.

RESERVE FUNDS

95.—(1) Reserve funds established by local municipalities for purposes for which the Regional Council has authority to spend funds and for which the council of an area municipality has no authority to spend funds are reserve funds of the Regional Corporation and the assets of such reserve funds are vested in the Regional Corporation.

(2) Reserve funds established by local municipalities, other than divided municipalities, for purposes for which the councils of area municipalities have authority to spend funds and for which the Regional Council has no authority to spend funds are reserve funds of the area municipality of which the local municipality forms a part and the assets of such reserve funds are vested in such area municipality. 1973, c. 70, s. 89.
96.—(1) The Regional Council may in each year provide in the estimates for the establishment or maintenance of a reserve fund for any purpose for which it has authority to spend funds. 1976, c. 70, s. 39 (1).

(2) The moneys raised for a reserve fund established under subsection (1) shall be paid into a special account and may be invested in such securities as a trustee may invest in under the Trustee Act, and the earnings derived from the investment of such moneys form part of the reserve fund. 1973, c. 70, s. 90 (2).

(3) The moneys raised for a reserve fund established under subsection (1) shall not be expended, pledged or applied to any purpose other than that for which the fund was established, unless approved by the Regional Council. 1976, c. 70, s. 39 (2).

(4) The auditor in his annual report shall report on the activities and position of each reserve fund established under subsection (1). 1973, c. 70, s. 90 (4).

TEMPORARY LOANS

97.—(1) The Regional Council may by by-law, either before or after the passing of by-laws for imposing levies on the area municipalities for the current year, authorize the chairman and treasurer to borrow from time to time by way of promissory note such sums as the Regional Council considers necessary to meet, until the levies and other revenues are received, the current expenditures of the Regional Corporation for the year, including the amounts required for principal and interest falling due within the year upon any debt of the Regional Corporation and the sums required by law to be provided by the Regional Council for any local board of the Regional Corporation.

(2) The amount that may be borrowed at any one time for the purposes mentioned in subsection (1), together with any similar borrowings that have not been repaid, shall not, except with the approval of the Municipal Board, exceed 70 per cent of the uncollected balance of the estimated revenues of the Regional Corporation as set forth in the estimates adopted for the year.

(3) Until such estimates are adopted, the limitation upon borrowing prescribed by subsection (2) shall temporarily be calculated upon the estimated revenues of the Regional Corporation as set forth in the estimates adopted for the next preceding year.
(4) The lender is not bound to establish the necessity of borrowing the sum lent or to see to its application.

(5) Any promissory note made under the authority of this section shall be sealed with the seal of the Regional Corporation and signed by the chairman or by some other person authorized by by-law to sign it, and by the treasurer, and may be expressed so as to bear interest only upon such money as may be borrowed thereon from the time when such money is actually lent.

(6) The signature of the chairman or any other person authorized to sign promissory notes may be written, stamped, lithographed, engraved or otherwise mechanically reproduced on promissory notes made under this section and, if such promissory note is countersigned in writing by the deputy treasurer or any other person authorized by by-law to countersign it, the signature of the treasurer thereon may be written, stamped, lithographed, engraved or otherwise mechanically reproduced.

(7) The Regional Council may by by-law provide or authorize the chairman and treasurer to provide by agreement that all or any sums borrowed for any or all of the purposes mentioned in this section shall, with interest thereon, be a charge upon the whole or any part or parts of the revenues of the Regional Corporation for the current year and for any preceding years as and when such revenues are received, provided that such charge does not defeat or affect and is subject to any prior charge then subsisting in favour of any other lender.

(8) Any agreement entered into under subsection (7) shall be sealed with the corporate seal and signed by the chairman and treasurer.

(9) If the Regional Council authorizes the borrowing of or borrows any larger amount than is permitted under this section, every member who knowingly votes therefor is disqualified from holding any municipal office for two years.

(10) If the Regional Council authorizes the application of any revenues of the Regional Corporation charged under the authority of this section otherwise than in repayment of the loan secured by such charge, the members who knowingly vote for such application are personally liable for the amount so applied, which may be recovered in any court of competent jurisdiction.
(11) If any member of the Regional Council or officer of the Regional Corporation knowingly applies any revenues so charged otherwise than in repayment of the loan secured by such charge, he is personally liable for the amount so applied, which may be recovered in any court of competent jurisdiction.

(12) Subsections (9), (10) and (11) do not apply to the Regional Council or any member of the Regional Council or officer of the Regional Corporation acting under an order or direction issued or made under the authority of the Municipal Affairs Act, nor do they apply in any case where application of the revenues of the Regional Corporation is made with the consent of the lender in whose favour a charge exists. 1977, c. 34, s. 34.

98.—(1) Where the Regional Corporation has entered into an agreement under the Ontario Water Resources Act, whereby the Regional Corporation is entitled to receive moneys from the Crown, the Regional Council pending the receipt of any such moneys may, in order to meet expenditures incurred in carrying out the agreement, agree with a bank or a person for temporary advances from time to time.

(2) The proceeds of every advance under this section shall be applied to the expenditures incurred in carrying out the agreement made by the Regional Corporation under the Ontario Water Resources Act, but the lender shall not be bound to see to the application of the proceeds and, when the Regional Corporation has received the moneys to which it is entitled from the Crown under the said agreement, such moneys shall be applied first in repayment of the advances. 1976, c. 43, s. 77.

DEBT

99.—(1) Subject to the limitations and restrictions in this Act and the Ontario Municipal Board Act, the Regional Council may borrow money for the purposes of,

(a) the Regional Corporation;

(b) any area municipality;

(c) the joint purposes of any two or more area municipalities,

whether under this or any general or special Act, and may issue debentures therefor on the credit of the Regional Corporation.
(2) All debentures issued pursuant to a by-law passed by the Regional Council under the authority of this Act are direct, joint and several obligations of the Regional Corporation and the area municipalities notwithstanding the fact that the whole or any portion of the rates imposed for the payment thereof may have been levied only against one or more of the area municipalities, but nothing in this subsection affects the rights of the Regional Corporation and of the area municipalities respectively as among themselves.

(3) Notwithstanding any general or special Act, no area municipality has, after the 31st day of December, 1973, power to issue debentures.

(4) When an area municipality, prior to the 31st day of December, 1973,

(a) has applied for and obtained the final approval of the Municipal Board in respect of any work, project or other matter mentioned in subsection 64 (1) of the Ontario Municipal Board Act; and

(b) has entered into a contract for or authorized the commencement of such work, project or matter but has not prior to that date issued the debentures authorized,

the Regional Council upon the request of the council of the area municipality, shall pass a by-law authorizing the issue and sale of debentures of the Regional Corporation for the purposes and in the amount approved by the Municipal Board and shall, if required by the area municipality, issue such debentures and provide temporary financing for the area municipality in the manner provided in section 102 and no further approval of the Municipal Board is required.

(5) Bonds, debentures and other evidences of indebtedness of the Regional Corporation shall be deemed to be bonds, debentures and other evidences of indebtedness of a municipal corporation for the purposes of the Trustee Act. 1973, c. 70, s. 92.

100. Subject to the limitations and restrictions in this Act and the Ontario Municipal Board Act, the Regional Corporation may by by-law incur a debt or issue debentures for the purposes set forth in subsection 99 (1) and, notwithstanding any general or special Act, such by-law may be passed without the assent of the electors of the Regional Area. 1973, c. 70, s. 93.
101.—(1) Where, under any general or special Act, an area municipality cannot incur a debt or issue debentures for a particular purpose without the assent of its electors or without the concurrence of a specified number of the members of its council, the Regional Council shall not pass a by-law authorizing the issue of debentures on behalf of such area municipality for such purpose unless such assent or concurrence to the passing of the by-law by the Regional Council has been obtained.

(2) Nothing in subsection (1) requires the assent of any electors where such assent has been dispensed with under section 63 of the *Ontario Municipal Board Act*. 1973, c. 70, R.S.O. 1980, c. 347.

102.—(1) When the Municipal Board has authorized the borrowing of money and the issue of debentures by the Regional Corporation for its purposes, the Regional Council pending the issue and sale of the debentures may, agree with a bank or person for temporary advances from time to time for the purposes authorized, and may by by-law pending the sale of such debentures or in lieu of selling them authorize the chairman and treasurer to raise money by way of loan on the debentures and to hypothecate them for the loan.

(2) When the Municipal Board has authorized the borrowing of money and the issue of debentures by the Regional Corporation for the purposes of an area municipality, the Regional Council or the council of the area municipality, pending the issue and sale of the debentures may, and the Regional Council on the request of the area municipality shall, agree with a bank or person for temporary advances from time to time for the purposes authorized, and the Regional Council may, or on the request of the area municipality shall, pending the sale of such debentures or in lieu of selling them, authorize the chairman and treasurer to raise money by way of loan on the debentures and to hypothecate them for the loan, and shall transfer the proceeds of such advance or loan to the area municipality. 1977, c. 34, s. 35 (1).

(3) The Regional Corporation may charge interest on any proceeds of an advance or loan transferred under subsection (2) at a rate sufficient to reimburse it for the cost of such advance or loan.

(4) The proceeds of every advance or loan under this section shall be applied to the purposes for which the debentures were authorized, but the lender shall not be bound to see to the application of the proceeds and, if the debentures are subsequently sold, the proceeds of the sale shall be applied.
first in repayment of the loan and, where the debentures were issued for the purposes of an area municipality, the balance, subject to section 115, shall be transferred to the area municipality.

(5) Subject to subsection (4), the redemption of a debenture hypothecated does not prevent the subsequent sale thereof. 1973, c. 70, s. 95 (3-5).

(6) The signature of the chairman or any person authorized to sign loan agreements may be written, stamped, lithographed, engraved or otherwise mechanically reproduced on loan agreements made under this section and, if such loan agreement is countersigned in writing by the deputy treasurer or any other person authorized by by-law to countersign it, the signature of the treasurer thereon may be written, stamped, lithographed, engraved or otherwise mechanically reproduced. 1977, c. 34, s. 35 (2).

103.—(1) Subject to subsection (2), a money by-law for the issuing of debentures shall provide that the principal shall be repaid in annual instalments with interest annually or semi-annually upon the balances from time to time remaining unpaid, but the by-law may provide for annual instalments of combined principal and interest.

(2) A money by-law for the issuing of debentures may provide that the principal shall be repaid at a fixed date with interest payable annually or semi-annually, in which case debentures issued under the by-law shall be known as sinking fund debentures.

(3) Notwithstanding any general or special Act, the whole debt and the debentures to be issued therefor shall be made payable within such term of years as the Municipal Board may approve.

(4) The by-law may provide for raising in each year, by special levy or levies against one or more area municipalities, the whole or specified portions of the sums of principal and interest payable under the by-law in such year, and each area municipality shall pay to the Regional Corporation such sums at the times and in the amounts specified in the by-law.

(5) The by-law shall provide for raising in each year, by a special levy on all the area municipalities, the sums of principal and interest payable under the by-law in such year to the extent that such sums have not been provided for by
any special levy or levies against any area municipality or municipalities made especially liable therefor by the by-law.

(6) Any special levy against an area municipality imposed by the by-law under the authority of subsection (4) may be levied by the area municipality against persons or property in the same manner and subject to the same limitations as if it were passing a by-law authorizing the issue of debentures of the area municipality for the same purpose for the portion of the debt levied against it under subsection (4).

(7) Notwithstanding subsection (5), the Regional Council may by by-law,

(a) authorize the borrowing of money by the issue of instalment debentures, the last instalment of which shall mature not earlier than ten years after the date upon which they are issued, and a specified sum of principal payable thereunder in the final year shall be raised by the issue of refunding debentures as provided in clause (b), and it shall not be necessary to raise by special rate in the year of maturity of the debentures to be refunded an amount equal to the specified principal amount of the debentures which are being refunded; and

(b) authorize the issue of debentures to refund at maturity outstanding debentures of the municipality, provided that the refunding debentures shall be payable within the maximum period of years that was approved by the order of the Municipal Board for the repayment of debentures issued for the debt for which the outstanding debentures were issued, commencing on the date of the debentures originally issued for such debt,

and any such by-law shall provide that the sums of principal and interest payable under the by-law shall be raised by a special levy or levies against such area municipality or municipalities as may be specified in the by-law and such levy shall be levied against the same area municipality or municipalities in each case.

(8) Any special levy against an area municipality imposed by the by-law under the authority of subsection (7) may be levied by the area municipality against persons or property in the same manner and subject to the same limitations as if it were passing a by-law authorizing the issue of debentures of the area municipality for the same purpose for the
portion of the debt levied against it under subsection (7), and any levy imposed by a by-law under clause (7) (b) shall be levied by the area municipality against the same persons or property as the levy imposed by the related by-law under clause (7) (a) was levied.

(9) All levies imposed by the by-law against an area municipality are a debt of the area municipality to the Regional Corporation.

(10) The Regional Council may by by-law authorize a change in the mode of issue of the debentures and may provide that the debentures be issued with coupons instead of in amounts of combined principal and interest or vice versa, and where any debentures issued under the by-law have been sold, pledged or hypothecated by the Regional Council upon again acquiring them or at the request of any holder of them, may cancel them and issue one or more debentures in substitution for them, and make such new debenture or debentures payable by the same or a different mode on the instalment plan, but no change shall be made in the amount payable in each year. 1973, c. 70, s. 96 (1-10).

(11) All the debentures shall be issued within two years after the passing of the by-laws unless, on account of the proposed expenditure for which the by-law provides being estimated or intended to extend over a number of years and of its being undesirable to have large portions of the money in hand unused and uninvested, in the opinion of the Regional Council it would not be of advantage to so issue them, and in that case the by-law may provide that the debentures may be issued in sets of such amounts and at such times as the circumstances require, but so that the first of the sets shall be issued within two years, and all of them within five years, after the passing of the by-law. 1973, c. 70, s. 96 (11); 1976, c. 43, s. 78 (1).

(12) All the debentures shall bear the same date, except where they are issued in sets, in which case every debenture of the same set shall bear the same date.

(13) Notwithstanding the provisions of the by-law, the debentures may bear date at any time within the period of two years or five years, as the case may be, mentioned in subsection (11) and the debentures may bear date before the date the by-law is passed if the by-law provides for the first levy being made in the year in which the debentures are dated or in the next succeeding year.
The Municipal Board, on the application of the Regional Council, the council of any area municipality or any person entitled to any of the debentures or of the proceeds of the sale thereof, may at any time extend the time for issuing the debentures beyond the two years, or the time for the issue of any set beyond the time authorized by the by-law.

The extension may be made although the application is not made until after the expiration of the two years or of the time provided for the issue of the set.

Unless the by-law names a later day when it is to take effect, it takes effect on the day of its passing.

Notwithstanding any general or special Act, the Regional Council may borrow sums for two or more purposes in one debenture by-law and provide for the issue of one series of debentures therefor.

Section 145 of the Municipal Act applies with necessary modifications to the Regional Corporation.

The by-law may provide that all the debentures or a portion thereof shall be redeemable at the option of the Regional Corporation on any date prior to maturity, subject to the following provisions:

1. The by-law and every debenture that is so redeemable shall specify the place or places of payment and the amount at which such debenture may be so redeemed.

2. The principal of every debenture that is so redeemable becomes due and payable on the date set for the redemption thereof, and from and after such date interest ceases to accrue thereon where provision is duly made for the payment of principal thereof, the interest to the date set for redemption and any premium payable on redemption.

3. Notice of intention so to redeem shall be sent by prepaid mail at least thirty days prior to the date set for such redemption to the person in whose name the debenture is registered at the address shown in the Debenture Registry Book.

4. At least thirty days prior to the date set for such redemption notice of intention so to redeem shall be published in The Ontario Gazette and in a daily newspaper of general circulation in the Regional
Area and in such other manner as the by-law may provide.

5. Where only a portion of the debentures issued under the by-law is so to be redeemed, such portion shall comprise only the debentures that have the latest maturity dates and no debentures issued under the by-law shall be called for such redemption in priority to any debentures that have a later maturity date.

6. Where a debenture is redeemed on a date prior to maturity, such redemption does not affect the validity of any by-law by which special assessments are imposed or instalments thereof levied, the validity of such special assessments or levies, or the powers of the Regional Council to continue to levy and collect from any area municipality the subsequent payments of principal and interest payable by it to the Regional Council in respect of the debenture so redeemed.

(20) The by-law may provide that the debentures to be issued thereunder shall be expressed and be payable,

(a) in lawful money of Canada and payable in Canada; or

(b) in lawful money of the United States of America and payable in the United States of America; or

(c) in lawful money of Great Britain and payable in Great Britain; or

(d) subject to the prior approval of the Lieutenant Governor in Council, in a currency other than that of Canada, the United States of America or Great Britain.

(21) Where under the provisions of the by-law debentures issued thereunder are expressed and made payable in lawful money of the United States of America or of Great Britain, or in any currency other than that of Canada, the Regional Council may in such by-law or in any amending by-law in lieu of providing for the raising in each year during the currency of the debentures specific sums sufficient to pay interest thereon or instalments of principal falling due in such year, provided that there shall be raised such yearly amount as may be necessary for such purposes and as the requirements for such purposes may from year to year vary.
(22) When sinking fund debentures are issued, the amount
of principal to be raised in each year shall be a specific sum
which, with the estimated interest at a rate not exceeding
5 per cent per annum, capitalized yearly, will be sufficient
to pay the principal of the debentures or any set of them,
when and as it becomes due.

(23) When sinking fund debentures are issued, the sinking
fund committee shall keep one or more consolidated bank
accounts in which,

(a) the treasurer of the Regional Corporation shall
deposit each year during the term of the debentures
the moneys raised for the sinking fund of all debts
that are to be paid by means of sinking funds; and

(b) there shall be deposited all earnings derived from,
and all proceeds of the sale, redemption or payment
of, sinking fund investments.

(24) When sinking fund debentures are issued, there shall be
a sinking fund committee that shall be composed of the
treasurer of the Regional Corporation and two members
appointed by the Regional Council, and the two appointed
members may be paid, out of the current fund of the Regional
Corporation, such annual remuneration as the Regional
Council determines. 1973, c. 70, s. 96 (12-24).

(25) The Regional Council may appoint an alternate
member for each of the appointed members and any such
alternate member has all the powers and duties of the
member in the absence or inability to act of such member
and any such alternate member may be paid, out of the current fund of the Regional Corporation, such remuneration
as the Regional Council determines. 1976, c. 70, s. 40.

(26) The treasurer of the Regional Corporation shall be
the chairman and the treasurer of the sinking fund committee
and in his absence the appointed members may appoint one
of themselves as acting chairman and treasurer.

(27) Each member of the sinking fund committee shall,
before entering into the duties of his office, give security for
the faithful performance of his duties and for duly accounting
for and paying over all moneys that come into his hands, in
such amount as the auditor of the Regional Corporation shall
determine, and in other respects the provisions of section 94
of the Municipal Act apply with respect to such security.

R.S.O. 1980, c. 302
(28) Two members of the sinking fund committee are a quorum, and all investments and disposals of investments must be approved by a majority of all the members of the committee.

(29) All assets of the sinking funds, including all consolidated bank accounts, shall be under the sole control and management of the sinking fund committee.

(30) All withdrawals from the consolidated bank accounts shall be authorized by the sinking fund committee, and all cheques on the consolidated bank accounts shall be signed by the chairman or acting chairman and one other member of the sinking fund committee.

(31) The sinking fund committee shall invest any moneys on deposit from time to time in the consolidated bank accounts and may at any time or times vary any investments. 1973, c. 70, s. 96 (26-31).

(32) The moneys in the consolidated bank accounts shall be invested in one or more of the following forms,

(a) in securities in which a trustee may invest under the Trustee Act;

(b) in debentures of the Regional Corporation;

(c) in temporary advances to the Regional Corporation pending the issue and sale of any debentures of the Regional Corporation;

(d) in temporary loans to the Regional Corporation for current expenditures, but no loan for such purpose shall be made for a period ending after the end of the calendar year in which the loan is made;

(e) in securities issued or unconditionally guaranteed as to principal and interest by the United States of America;

(f) in such other securities as are authorized by the Lieutenant Governor in Council. 1973, c. 70, s. 96 (32); 1976, c. 43, s. 78 (2).

(33) Any securities acquired by the sinking fund committee as investments for sinking fund purposes may be deposited with the Treasurer of Ontario.

(34) The Treasurer of Ontario shall release, deliver or otherwise dispose of any security deposited with him under subsec-
(33) only upon the direction in writing of the sinking fund committee.

(35) All sinking fund debentures issued on the same date, payable in the same currency, and maturing on the same date, notwithstanding they are issued under one or more by-laws, shall be deemed one debt and be represented by one sinking fund account.

(36) That portion of the amount of all earnings in any year, on an accrual basis, from sinking fund investments obtained by,

(a) multiplying the amount of all such earnings by the amount of the capitalized interest for that year under subsection (22) with respect to the principal raised up to and including such year for all sinking fund debentures represented by any sinking fund account; and

(b) dividing the product obtained under clause (a) by the amount of all capitalized interest for that year under subsection (22) with respect to all principal raised up to and including such year for all outstanding sinking fund debentures,

shall be credited to the sinking fund account mentioned in clause (a).

(37) The treasurer of the Regional Corporation shall prepare and lay before the Regional Council in each year, before the annual regional levies are made, a statement showing the sums that the Regional Council will be required, by by-law, to raise for sinking funds in that year.

(38) If the treasurer of the Regional Corporation contravenes subsection (23) or (37), he is guilty of an offence and on conviction is liable to a fine of not more than $250.

(39) If the Regional Council neglects in any year to levy the amount required to be raised for a sinking fund, each member of the Regional Council is disqualified from holding any municipal office for two years, unless he shows that he made reasonable efforts to procure the levying of such amount.

(40) Notwithstanding this or any other Act or by-law if it appears at any time that the amount at the credit of any sinking fund account will be more than sufficient, with the estimated earnings to be credited thereto under subsection (36) together with the levy required to be made by the by-law
or by-laws that authorized the issue of the debentures represented by such sinking fund account, to pay the principal of the debt represented by such sinking fund account when it matures, the Municipal Board, on the application of the sinking fund committee, the Regional Council or the council of an area municipality, may authorize the Regional Council or the council of an area municipality to reduce the amount of money to be raised with respect to such debt in accordance with the order of the Municipal Board.

(41) No money collected for the purpose of a sinking fund shall be applied towards paying any part of the current or other expenditure of the Regional Corporation or otherwise than is provided in this section.

(42) When there is a surplus in a sinking fund account, the sinking fund committee shall,

(a) use the surplus to increase the amount at the credit of another sinking fund account; or

(b) authorize the withdrawal of the surplus from the consolidated bank accounts, and the surplus shall be used for one or more of the following purposes,

(i) to retire unmatured debentures of the Regional Corporation or of an area municipality,

(ii) to reduce the next annual levy on account of principal and interest payable with respect to debentures of the Regional Corporation or of an area municipality,

(iii) to reduce the amount of debentures to be issued for other capital expenditures for which the issue of debentures has been approved by the Municipal Board,

and the surplus shall be used under either clause (a) or (b) for the purposes of the Regional Corporation or an area municipality in the proportion that the amount of the contribution for the purposes of each bears to the total contributions to the sinking fund account in connection with which the surplus arose.

(43) Notwithstanding that any sinking fund debentures have been issued for the purposes of one or more area municipalities, any deficit in the sinking fund account shall be provided by the Regional Corporation out of its current funds
and any surplus in the sinking fund account shall be used as provided in subsection (42).

(44) A money by-law may authorize the issue of debentures of which a portion shall be payable on a fixed date with interest payable annually or semi-annually, in which case such debentures shall be known as term debentures.

(45) In respect of the term debentures, the by-law shall provide for raising,

(a) in each year of the currency of the term debentures a sum sufficient to pay the interest on the term debentures; and

(b) in each year of the currency of the term debentures in which no other debentures issued under the same by-law become due and payable, a specific amount to form a retirement fund for the term debentures which, with interest at a rate not to exceed 5 per cent per annum compounded yearly, will be sufficient to pay the principal of the term debentures at maturity. 1973, c. 70, s. 96 (33-45).

(46) The retirement fund for the term debentures shall be administered by the sinking fund committee in all respects in the same manner as a sinking fund established under this section, and the provisions of subsections (23) to (43) of this section with respect to a sinking fund shall apply with necessary modifications to such retirement fund. 1973, c. 70, s. 96 (46); 1976, c. 43, s. 78 (3).

(47) Notwithstanding the provisions of any general or special Act or any difference in date of issue or maturity, every debenture issued shall rank concurrently and pari passu in respect of payment of principal and interest thereon with all other debentures of the Regional Corporation except as to the availability of any sinking funds applicable to any particular issue of debentures. 1976, c. 43, s. 78 (4).

104. Notwithstanding any other provisions of this Act,

(a) a money by-law of the Regional Council may provide that all or a portion of the debentures to be issued thereunder shall be payable on a fixed date, subject to the obligation of the Regional Corporation to
redeem by lot annually on each anniversary of the date of such debentures a specified principal amount of such debentures upon payment by the Regional Corporation of such principal amount plus accrued interest to the date of redemption and upon giving notice as provided in this section;

(b) the principal amount of every debenture that is called for redemption shall become due and payable on the date set for the redemption thereof and, after such date, interest ceases to accrue thereon where provision is duly made by the Regional Corporation for the payment of the principal amount thereof;

c) the debentures to be redeemed on each anniversary of the date of such debentures shall be selected by lot by the treasurer of the Regional Corporation at a public meeting of the Regional Council and when redeemed shall be cancelled and shall not be reissued, provided always that the principal amount of the debentures to be redeemed in any year may be reduced by the principal amount of any debentures purchased by the Regional Corporation, at a price or prices not exceeding the principal amount thereof, and surrendered for cancellation on the date fixed for redemption;

(d) notice of intention to redeem any debenture shall be sent by prepaid mail at least thirty days prior to the date set for such redemption to the person, if any, in whose name the debenture may be registered at the address shown in the Debenture Registry Book;

(e) notice of intention to redeem any debenture shall be published at least thirty days prior to the date set for such redemption in such manner as the by-law may provide;

(f) where only a portion of the debentures issued under a by-law is payable on a fixed date, the obligation of the Regional Corporation to redeem by lot annually a specified principal amount of such debentures does not apply in any year in which an instalment of principal of the remaining debentures issued under such by-law becomes due and payable; and

(g) the aggregate amounts of principal and interest, or the amounts of principal, payable in each year during
the currency of debentures issued under this section shall be approximately equal. 1976, c. 43, s. 79.

105.—(1) Subsection 152 (1) of the Municipal Act applies with necessary modifications to the Regional Council. 1976, c. 70, s. 41.

(2) For the purposes of this section, the hypothecation of debentures under section 102 shall not constitute a sale or other disposal thereof.

(3) The Regional Council may by one by-law authorized under subsection (1) amend two or more by-laws and provide for the issue of one series of new debentures in substitution and exchange for the debentures issued thereunder.

(4) A by-law passed under this section does not affect the validity of any by-law by which special assessments are imposed or instalments thereof levied, the validity of such special assessments or levies, or the powers of the Regional Council to continue to levy and collect from any area municipality the subsequent payments of principal and interest payable by it to the Regional Council. 1973, c. 70, s. 97 (2-4).

106.—(1) Where part only of a sum of money provided for by a by-law has been raised, the Regional Council may repeal the by-law as to any part of the residue, and as a proportionate part of the amounts to be raised annually.

(2) The repealing by-law shall recite the facts on which it is founded, shall provide that it shall take effect on the 31st day of December in the year of its passing, shall not affect any rates or levies due or penalties incurred before that day and shall not take effect until approved by the Municipal Board. 1973, c. 70, s. 98.

107.—(1) Subject to section 106, after a debt has been contracted under a by-law, the Regional Council shall not, until the debt and interest have been paid, repeal the by-law or any by-law appropriating, for the payment of the debt or the interest, the surplus income from any work or any interest therein, or money from any other source, and shall not alter any such by-law so as to diminish the amount to be raised annually, and shall not apply to any other purpose any money of the Regional Corporation that has been directed to be applied to such payment.

(2) When the Regional Corporation, by or under the authority of this Act, pays to an area municipality any amount of principal and interest becoming due upon any outstanding
debentures issued by the area municipality, neither the council of the area municipality nor any officer thereof shall apply any of the moneys so paid for any purpose other than the payment of the amounts of principal and interest so becoming due. 1973, c. 70, s. 99.

108. Any officer of the Regional Corporation whose duty it is to carry into effect any of the provisions of a money by-law of the Regional Corporation who neglects or refuses to do so, under colour of a by-law illegally attempting to repeal or amend it, so as to diminish the amount to be raised annually under it, is guilty of an offence and on conviction is liable to a fine of not more than $100. 1973, c. 70, s. 100.

109.—(1) Within four weeks after the passing of a money by-law, the clerk may register a duplicate original or a copy of it, certified under his hand and the seal of the Regional Corporation, in the appropriate land registry office.

(2) Subject to section 61 of the Ontario Municipal Board Act, every by-law registered in accordance with subsection (1), or before the sale or other disposition of the debentures issued under it, and the debentures are valid and binding, according to the terms thereof, and the by-law shall not be quashed, unless within one month after the registration in the case of by-laws passed under the Drainage Act, or the Local Improvement Act, and in the case of other by-laws, within three months after the registration, an application or action to quash the by-law is made to or brought in a court of competent jurisdiction, and a certificate under the hand of the proper officer of the court and its seal, stating that such application has been made or action brought, is registered in such registry office within such period of three months or one month, as the case may be.

(3) After the expiration of the period prescribed by subsection (2), if no application or action to quash the by-law is made or brought, the by-law is valid and binding according to its terms.

(4) If an application or action to quash the by-law is made or brought within the period prescribed by subsection (2), but part only of the by-law is sought to be quashed, the remainder of it, if no application or action to quash it is made or brought within that period, is after the expiration of that period, valid and binding according to its terms.

(5) If the application or action is dismissed in whole or in part, a certificate of the dismissal may be registered, and after such dismissal and the expiration of the period prescribed by
subsection (2), if it has not already expired, the by-law, or so much of it as is not quashed, is valid and binding according to its terms.

(6) Nothing in this section makes valid a by-law passed without the assent of the electors of an area municipality as required by subsection 101 (1) or a by-law where it appears on the face of it that any of the provisions of subsection 103 (5) have not been substantially complied with.

(7) Failure to register a by-law as prescribed by this section does not invalidate it. 1973, c. 70, s. 101.

110.—(1) A debenture or other like instrument shall be sealed with the seal of the Regional Corporation, which seal may be engraved, lithographed, printed or otherwise mechanically reproduced thereon, and, subject to subsection (3), shall be signed by the chairman, or by some other person authorized by by-law of the Regional Corporation to sign it, and by the treasurer.

(2) A debenture may have attached to it interest coupons that shall be signed by the treasurer and his signature may be engraved, lithographed, printed or otherwise mechanically reproduced thereon and such interest coupons are sufficiently signed if they bear the signature of the treasurer on the date the Regional Council authorized the execution of the debenture or on the date the debenture bears or at the time the debenture was issued and delivered.

(3) The signature of the chairman, or such other person authorized by by-law to sign the debentures or other like instruments, may be engraved, lithographed, printed or otherwise mechanically reproduced thereon, and if the debenture or other like instruments are countersigned in writing by a person authorized by by-law of the Regional Corporation to countersign, the signature of the treasurer may be engraved, lithographed, printed or otherwise mechanically reproduced thereon.

(4) The seal of the Regional Corporation when so engraved, lithographed, printed or otherwise mechanically reproduced has the same force and effect as if manually affixed and the signature of the chairman or such other person authorized by by-law to sign the debentures or other like instruments and, if the debentures or other like instruments are countersigned, the signature of the treasurer when so engraved, lithographed, printed or otherwise mechanically reproduced shall be deemed the signature of the chairman or other
person so authorized to sign or of the treasurer, as the case may be, and is binding upon the Regional Corporation.

(5) Any debenture or other like instrument is sufficiently signed and countersigned if it bears the signature of the persons provided in this section if such persons had authority to sign and countersign as provided in this section either on the date the Regional Council authorized the execution of such instrument or on the date such instrument bears or at the time it was issued and delivered. 1973, c. 70, s. 102.

111. Where the interest for one year or more on the debentures issued under a by-law and the principal of any debenture that has matured has been paid by the Regional Corporation, the by-law and the debentures issued under it are valid and binding upon the Regional Corporation. 1973, c. 70, s. 103.

112.—(1) Where a debenture contains or has endorsed upon it provision to the following effect:

This debenture, or any interest therein, is not, after a certificate of ownership has been endorsed thereon by the treasurer of this Corporation (or by such other person authorized by by-law of this Corporation to endorse such certificate of ownership), transferable except by entry by the treasurer (or by such other person so authorized) in the Debenture Registry Book of the Corporation at the

of ........................................

the treasurer (or such other persons so authorized), on the application of the owner of the debenture or of any interest in it, shall endorse upon the debenture a certificate of ownership and shall enter in a book to be called the Debenture Registry Book, a copy of the certificate and of every certificate that is subsequently given, and shall also enter in such book a memorandum of every transfer of such debenture.

(2) A certificate of ownership shall not be endorsed on a debenture except by the written authority of the person last entered as the owner of it, or of his executors or administrators, or of his or their attorney, and, if the person last entered as owner of it is a corporation, the written authority of such corporation, or its successors, which authority shall be retained and filed by the treasurer.

(3) After a certificate of ownership has been endorsed, the debenture, if it contains or has endorsed upon it a
provision to the like effect of the provision contained in
subsection (1), is transferable only by entry by the treasurer
(or by such other person so authorized) in the Debenture
Registry Book as and when a transfer of the debenture is
authorized by the then owner of it or his executors or
administrators or his or their attorney and, if the then
owner of it is a corporation, the written authority of such
corporation, or its successors.

(4) A debenture may be registered as to both principal
and interest, in which case the interest thereon shall be paid by
cheque and the debenture may be referred to as a fully registered
debenture. 1973, c. 70, s. 104.

(5) Where debentures are payable in a currency other than
that of Canada, the Regional Council may provide that the
Debenture Registry Book of the Regional Corporation in
respect of such debentures be maintained outside Canada by
a corporation or person other than the treasurer and may
make such other provisions for the registration and transfer
of such debentures as the Regional Council considers appro-
priate. 1976, c. 43, s. 80.

113. Where a debenture is defaced, lost or destroyed, the
Regional Council may by by-law provide for the replacing
of the debenture on the payment of such fee and on such
terms as to evidence and indemnity as the by-law may
provide. 1973, c. 70, s. 105.

114.—(1) On request of the holder of any debenture
issued by the Regional Corporation, the treasurer of the
Regional Corporation may issue and deliver to such holder a
new debenture or new debentures in exchange therefor for the
same aggregate principal amount.

(2) On the request of the sinking fund committee, the
treasurer of the Regional Corporation may, as provided in
this section, exchange debentures heretofore or hereafter
issued by the Regional Corporation.

(3) Any new debenture mentioned in subsection (1) may
be registered as to principal and interest but in all other
respects shall be of the same force and effect as the debenture
or debentures surrendered for exchange.

(4) The treasurer and auditor of the Regional Corporation
shall cancel and destroy all debentures surrendered for ex-
change and shall certify in the Debenture Registry Book
that they have been cancelled and destroyed and shall
also enter in the Debenture Registry Book particulars of any new debenture issued in exchange. 1973, c. 70, s. 106.

**115.**—(1) The moneys received by the Regional Corporation from the sale or hypothecation of any debentures to the extent that such moneys are required for the purposes for which the debentures were issued, and for the repayment of any outstanding temporary loans with respect thereto, shall be used only for such purpose or purposes.

(2) None of the moneys received by the Regional Corporation from the sale or hypothecation of any debentures shall be applied towards payment of the current or other expenditures of the Regional Corporation or an area municipality.

(3) Where on the sale of any debenture an amount is realized in excess of that required for the purpose or purposes for which the debentures were issued, the excess amount shall be applied,

(a) if any such debentures are redeemable prior to maturity at the option of the Regional Corporation, to redeem one or more of the debentures having the latest maturity date; or

(b) to reduce the next annual levy on account of principal and interest payable with respect to such debentures; or

(c) to reduce the amount of debentures to be issued for other capital expenditures of a similar nature for which the issue of debentures has been approved by the Municipal Board, provided that the principal and interest charges of such debentures are levied upon the assessment of the same class of ratepayers as was levied upon for the principal and interest charges of the debentures with respect to which the excess arose.

(4) Where on the sale of any debentures a deficiency in the amount required for the purpose or purposes for which the debentures were issued is sustained, the amount of such deficiency shall be added to the sum to be raised for the first annual payment of principal and interest with respect to the debentures and the levy made in the first year for such purpose or purposes shall be increased accordingly or shall be raised by the issue of other debentures approved by the Municipal Board for the same or any similar purpose or purposes. 1973, c. 70, s. 107.
116. Where real or personal property acquired out of moneys received by the Regional Corporation from the sale of hypothecation of any debentures is disposed of by sale or otherwise, the net proceeds of such disposal shall be applied as an excess in accordance with subsection 115 (3) or, with the approval of the Municipal Board, may be applied to meet the whole or a portion of any other capital expenditure the debt charges for which, if raised by taxation, would be raised by taxation levied upon the assessment of the same class of ratepayers as was levied upon for the principal and interest charges of the property disposed of or sold. 1973, c. 70, s. 108.

117. When the Regional Corporation intends to borrow money on debentures under this or any other Act, the Regional Council may prior to the issue thereof call for tenders for the amount of money required and the person tendering shall specify the rate of interest the debentures shall bear when issued at par. 1973, c. 70, s. 109.

118.—(1) The Regional Council shall,

(a) keep a separate account of every debenture debt;

(b) where the whole of a debenture debt is not payable in the current year, keep in respect thereof,

(i) an additional account for the interest, if any, and

(ii) an additional account for the sinking fund or the instalments of principal,

distinguished from all other accounts by a prefix designating the purpose for which the debenture debt was contracted; and

(c) keep the accounts so as to exhibit at all times the state of every debt, and the amount of money raised, obtained and appropriated for the payment of it.

(2) The Regional Council may by by-law provide and direct that instead of a separate account of the interest upon every debt being kept, a consolidated account of the interest upon all debts may be kept, but which consolidated account shall be so kept that it will be possible to determine therefrom the true state of the interest account upon every debt and that provision has been made to meet the interest upon every debt. 1973, c. 70, s. 110.
119. If, in any year after paying the interest and appropriating the necessary sum in payment of the instalments, there is a surplus properly applicable to such debt, it shall so remain until required in due course for the payment of interest or in payment of principal. 1973, c. 70, s. 111.

120.—(1) If the Regional Council applies any money raised for a special purpose or collected for a sinking fund in payment of current or other expenditure, the members who vote for such application are personally liable for the amount so applied, which may be recovered in any court of competent jurisdiction.

(2) If the Regional Council, upon the request in writing of a ratepayer of any area municipality refuses or neglects for one month to bring an action therefor, the action may be brought by any such ratepayer on behalf of himself and all other ratepayers in the Regional Area.

(3) The members who vote for such application are disqualified from holding any municipal office for two years. 1973, c. 70, s. 112.

121. When, by or under the authority of this Act, the Regional Corporation is or becomes liable for the payment to an area municipality of all amounts of principal and interest becoming due upon any outstanding debentures issued by the area municipality, the Regional Corporation may, with the approval of the Municipal Board,

(a) cancel all such debentures that have not been sold and issue new debentures of the Regional Corporation in substitution and exchange therefor and apply the proceeds thereof, as may be directed by the Municipal Board, for the purposes for which such debentures were issued;

(b) arrange with the area municipality for the redemption of all such debentures as are redeemable and issue new debentures of the Regional Corporation to raise the moneys required for such redemption; and

(c) purchase, by agreement with the owner or owners thereof, all such debentures of a single issue of the area municipality, and issue new debentures of the Regional Corporation to raise the money required to complete such purchase. 1973, c. 70, s. 113.

GENERAL

122.—(1) Sections 5, 84, 85, 90, 92, 93, 94 and 96, subsections 98 (1), (4) and (5), sections 99, 100, 105, 106, 109, 113, 116, 117 and 121, subsection 165 (3), sections 190 and 205, paragraphs 3, 10, 11, 12, 23, 24, 30, 45, 46, 47, 48, 49, 50 and 54 of section 208, subparagraph iii of paragraph 62 and subparagraph ii of paragraph 125 of section 210, paragraph 10 of section 315 and Parts XIII, XIV, XV and XIX of the Municipal Act apply with necessary modifications to the Regional Corporation. 1979, c. 81, s. 98 (1).

(2) Where the Regional Council passes a by-law under subsection 219 (1) of the Municipal Act, the council of any area municipality may exercise the powers contained in subsections (6), (7) and (8) of that section as if the by-law passed by the Regional Council had been passed by the council of such area municipality. 1974, c. 117, s. 42 (2).

(3) Sections 10 and 11 and, subject to subsection 2 (6), subsection 14 (2) of the Municipal Act do not apply to any area municipality except in relation to alterations of boundaries, within the Regional Area, of area municipalities, which alterations, in the opinion of the Municipal Board, are of a minor nature.

(4) The Regional Corporation shall be considered to be a local municipality for the purposes of paragraphs 98 and 129 of section 210 and section 253 of the Municipal Act.

(5) Notwithstanding any other provision in this Act, the Regional Council may pass a by-law authorizing the head of the department concerned to grant the approval required by subsection 33 (2) and any such by-law may prescribe terms and conditions under which any such approval or consent may be granted. 1973, c. 70, s. 115 (3-5).

(6) The Regional Corporation shall be deemed to be a municipal corporation for the purposes of section 13 of the Mortmain and Charitable Uses Act. 1977, c. 34, s. 36 (2).

(7) The Regional Corporation shall be deemed to be, and to have always been, a municipality for the purposes of section 311 of the Municipal Act. 1979, c. 81, s. 98 (2).

(8) Every by-law of a local municipality as it exists on the 31st day of December, 1973, shall remain in force in the area

(9) Where any local municipality has passed a by-law that, prior to its coming into force, requires the approval of any minister of the Crown, any provincial ministry, the Municipal Board or any provincial body or agency, and such approval has not been obtained prior to the 31st day of December, 1973, the council of the successor area municipality to such local municipality shall be entitled to initiate or continue the procedure required to obtain such approval to the by-law passed by the local municipality in so far as it pertains to such area municipality, and the provisions of subsection (8) apply with necessary modifications to any such by-law. 1974, c. 5, s. 4.

(10) In the event that the Regional Corporation establishes a transportation system in accordance with the provisions of subsection (4), no area municipality shall operate such a system and all the assets and liabilities of any area municipality used for a public transportation system vest in the Regional Corporation on the day such regional transportation system is established, without compensation, and the Regional Corporation shall thereafter pay to the area municipality before the due date all amounts of principal and interest becoming due upon any outstanding debt of the area municipality in respect of any such assets. 1973, c. 70, s. 115 (9).

(11) If the Regional Corporation fails, on or before the due date, to make any payment required by subsection (10), the area municipality may charge the Regional Corporation interest at the rate of 15 per cent per annum thereon, or such lower rate as the council of the area municipality determines, from such date until payment is made. 1979, c. 81, s. 98 (3).

123.—(1) The Regional Council may pass by-laws,

(a) for the establishment and maintenance of an emergency measures civil defence organization in the Regional Area; and

(b) for providing moneys for emergency measures and civil defence, for the purposes of the emergency measures civil defence organization and for the cost of the operation of such organization, and for other similar work in the Regional Area,
and when a by-law passed under this subsection is in force in the Regional Area, any by-laws passed by the council of an area municipality under subclauses 209 (b) (ii) and (iii) of the *Municipal Act* have no effect.

(2) When a by-law passed under clause (1) (a) is in force, the Regional Council may pass by-laws,

(b) with the consent of the area municipality or local board concerned, for training employees of the area municipality or local board in their emergency functions;

(2) Paragraph 50 of section 210 and paragraph 22 of section 208 of the *Municipal Act* apply with necessary modifications to the Regional Corporation, and no area municipality shall exercise any such powers, save and except in respect of those lands acquired or held by a local municipality on or before the 31st day of December, 1973. 1973, c. 70, s. 117 (2).

(3) In the event that any employee is required to remain on the staff of any area municipality to complete the
function referred to in subsection (2), the provisions of section 25 apply with necessary modifications to such employee on the date he is transferred to the Regional Corporation. 1973, c. 162, s. 9.

125. Where, in an action or by the settlement of a claim arising out of any injury to an employee including a member of the Halton Regional Police Force, or to any person considered an employee for the purposes of the Workmen’s Compensation Act, the Regional Corporation recovers damages from a third person, such damages or any portion thereof may be paid to such employee or person or, in the event of his death, to one or more of his dependants upon such terms and conditions as the Regional Corporation may impose. 1973, c. 70, s. 119.

126.—(1) Where the Regional Council passes a resolution requesting a judge of the county court within the Regional Area or a judge of the county court of a county or judicial district adjoining the Regional Area, to investigate any matter relating to a supposed malfeasance, breach of trust or other misconduct on the part of a member of the Regional Council, or an officer or employee of the Regional Corporation, or of any person having a contract with it, in regard to the duties or obligations of the member, officer, employee or other person to the Regional Corporation, or to inquire into or concerning any matter connected with the good government of the Regional Corporation or the conduct of any part of its public business, including any business conducted by a local board of the Regional Corporation, the judge shall make the inquiry and for that purpose has all the powers that may be conferred on a commission under Part II of the Public Inquiries Act, and he shall, with all convenient speed, report to the Regional Council the result of the inquiry and the evidence taken.

(2) The judge shall be paid by the Regional Corporation the same fees as he would be entitled to if the inquiry had been made by him as a referee under the Judicature Act.

(3) The Regional Council may engage and pay counsel to represent the Regional Corporation, and may pay all proper witness fees to persons summoned to give evidence at the instance of the Regional Corporation, and any person charged with malfeasance, breach of trust or other misconduct, or whose conduct is called in question on such investigation or inquiry, may be represented by counsel.

(4) The judge may engage counsel and such other assistants and staff and incur such incidental expenses as he considers advisable for the proper conduct of the investigation or
inquiry, and the Regional Corporation shall pay the costs thereof. 1973, c. 70, s. 120.

127.—(1) The Lieutenant Governor in Council, upon the recommendation of the Minister, may issue a commission to inquire into any of the affairs of the Regional Corporation or a local board thereof, and any matter connected therewith, and the commission has all the powers that may be conferred on a commission under Part II of the Public Inquiries Act. R.S.O. 1980, c. 411

(2) A commission may be recommended at the instance of the Ministry or upon the request in writing of not less than one-third of the members of the Regional Council, or of not less than fifty ratepayers of an area municipality assessed as owners and resident therein.

(3) The expenses of and incidental to the execution of the commission, including the fees and disbursements of the commissioner, shall be fixed and certified by the Minister and are subject to such division between the Regional Corporation and the Province as the Lieutenant Governor in Council may direct. 1973, c. 70, s. 121.

128. The Regional Corporation for its purposes may enter, break up, dig and trench in, upon and under the highways, lanes and other public communications of any area municipality and may construct and maintain therein pipes, sewers, drains, conduits and other works necessary for its purposes, without making compensation therefor, but all such highways, lanes and other public communications shall be restored to their original condition without unnecessary delay. 1973, c. 70, s. 122.

129. The Regional Corporation and any area municipality may enter into agreements for the use within any part of the Regional Area of the services of their respective officers, employees and equipment on any such terms and conditions as the councils deem necessary. 1973, c. 70, s. 123.

130.—(1) For the purposes of paragraph 9 of section 3 and section 26 of the Assessment Act, the Regional Corporation shall be deemed to be a municipality.

(2) For the purposes of paragraph 9 of section 3 of the Assessment Act, where property belonging to the Regional Corporation is occupied by an area municipality or where property belonging to an area municipality is occupied by the Regional Corporation or another area municipality, the occupant shall not be considered to be a tenant or lessee, whether rent is paid for such occupation or not.
(3) In subsection (2), "Regional Corporation" and "area municipality" include a local board thereof. 1973, c. 70, s. 124.

131.—(1) An execution against the Regional Corporation may be endorsed with a direction to the sheriff to levy the amount thereof by rate, and the proceedings therein shall then be the following:

1. The sheriff shall deliver a copy of the writ and endorsement to the treasurer of the Regional Corporation, or leave such copy at the office or dwelling place of the treasurer, with a statement in writing of the sheriff's fees and of the amount required to satisfy the execution, including the interest calculated to some day as near as is convenient to the day of the service.

2. If the amount with interest thereon from the day mentioned in the statement is not paid to the sheriff within one month after the service, the sheriff shall examine the assessment rolls of all the area municipalities and shall, in like manner as the levies of the Regional Council for general purposes are apportioned among the area municipalities, determine the portion of the amount mentioned in the statement that shall be levied against and in each area municipality.

3. The sheriff shall then in like manner as rates struck for general municipal purposes within each area municipality strike a rate sufficient in the dollar to cover its share of the amount due from the execution, and in determining such amount he may make such addition to the same as the sheriff considers sufficient to cover its share of the interest up to the time when the rate will probably be available and his own fees and poundage.

4. The sheriff shall thereupon issue a precept under his hand and seal of office directed to the collector of the area municipality and shall annex to the precept the roll of such rate and shall by the precept, after reciting the writ and that the Regional Corporation has neglected to satisfy the same, and referring to the roll annexed to the precept, command the collector to levy such rate at the time and in the manner by law required in respect to the general annual rates.
5. If, at the time for levying the annual rates next after the receipt of such report, the collector has a general rate roll delivered to him for the year, he shall add a column thereto, headed "Execution in A.B. vs. The Regional Municipality of Halton" (adding a similar column for each execution if more than one), and shall insert therein the amount by such precept required to be levied upon each person respectively, and shall levy the amount of such execution rate as aforesaid, and shall, within the time within which he is required to make the return of the general annual rate, return to the sheriff the precept with the amount levied thereon.

6. The sheriff shall, after satisfying the execution and all the fees and poundage thereon, pay any surplus, within ten days after receiving the same to the treasurer of the area municipality.

(2) The clerk, assessor and collector of each area municipality shall, for all purposes connected with carrying into effect, or permitting or assisting the sheriff to carry into effect, the provisions of this Act with respect to such execution, be considered to be officers of the court out of which the writ issued, and as such are amenable to the court and may be proceeded against by attachment, mandamus or otherwise in order to compel them to perform the duties imposed upon them. 1973, c. 70, s. 125.

132.—(1) The Corporation of the County of Halton is dissolved on the 1st day of January, 1974, and the Regional Corporation shall stand in the place and stead of the County of Halton in any agreements to which such county was a party.

(2) All the assets and liabilities of the County of Halton become, on the 1st day of January, 1974, the assets and liabilities of the Regional Corporation, and all documents and records kept by the clerk or treasurer or any other officer of the County of Halton shall be transferred to the clerk, and on the same date the Police Village of Eden Mills is withdrawn from the County of Halton. 1973, c. 70, s. 126.

133.—(1) Except as provided in this Act the Municipal Board, upon the application of any area municipality or the Regional Corporation, may exercise any of the powers under clauses 14 (11) (a), (b) and (d) of the Municipal Act in relation to the dissolution of the County of Halton.
(2) In the event of any doubt as to whether any particular asset or liability is vested in the Regional Corporation under this Act, the Municipal Board upon application has power to determine the matter as sole arbitrator and sections 94 and 95 of the Ontario Municipal Board Act do not apply to decisions or orders made in the exercise of such power.

(3) In the event of any doubt as to whether any outstanding debt or portion thereof is a debt in respect of any asset assumed by or vested in the Regional Corporation under this Act, the Municipal Board upon application may determine the matter and its decision is final. 1973, c. 70, s. 127.

134. The Lieutenant Governor in Council, upon the recommendation of the Minister, may authorize all such acts or things not specifically provided for in this Act that are considered necessary or advisable to carry out effectively the purposes of this Act. 1973, c. 70, s. 128.
