(h) "work" means a sewer, sewer system, sewage works or treatment works, or a capital improvement of any of them.

(2) For the purpose of this Part, a sewer, sewer system or sewage works, whether existing or proposed, shall be deemed to be a trunk sewer, trunk sewer system or trunk sewage works, if so declared by by-law of the District Council. 1970, c. 32, s. 28.

27.—(1) For the purpose of collecting or receiving from the area municipalities, or any of them, sewage and land drainage and the treatment or disposal thereof, the District Corporation has all the powers conferred by any general Act upon a municipal corporation and by any special Act upon any local municipality or local board thereof within the District.
(2) The District Corporation shall not entrust the construction or the control and management of the district sewage works to a public utilities commission. 1970, c. 32, s. 29.

28. The District Council may pass by-laws for constructing, maintaining, improving, repairing, widening, altering, diverting and stopping up trunk sewers, trunk sewer systems, trunk sewage works, treatment works and watercourses. 1970, c. 32, s. 30.

(2) The District Council may at any time pass by-laws for assuming any trunk sewer, trunk sewer system, or watercourse vested in any area municipality or local board thereof, but no such by-law becomes effective before the 1st day of January, 1971.

(5) Where the District Corporation assumes a work or watercourse vested in an area municipality or local board,

(a) no compensation or damages shall be payable to the area municipality or local board;

(b) the District Corporation shall thereafter pay to the area municipality before the due date all amounts of principal and interest becoming due upon any outstanding debt of the area municipality in respect of such work or watercourse, but nothing in this clause requires the District Corporation to pay that portion of the amounts of principal and interest that under The Local Improvement Act is payable as the owners' share of a local improvement work.

R.S.O. 1970, c. 255

(6) If the District Corporation fails to make any payment as required by clause b of subsection 5, the area municipality may charge the District Corporation interest at the rate of one-half of 1 per cent for each month or fraction thereof that the payment is overdue.
(7) In the event of any doubt as to whether any outstanding debt or portion thereof is a debt in respect of the work or watercourse assumed, the Municipal Board, upon application, may determine the matter and its decision is final. 1970, c. 32, s. 31.

30.—(1) Where any local municipality or a local board thereof within the District Area has agreed with any other municipality to receive sewage or land drainage from that other municipality, and the works or watercourses used or required in carrying out such agreement are assumed by the District Corporation, the District Corporation becomes liable to receive such sewage or land drainage in accordance with the agreement, and the area municipality or local board that would otherwise be bound by the agreement is relieved of all liability thereunder.

(2) Where any local municipality or a local board thereof within the District Area has agreed with any person other than a municipality to receive sewage or land drainage and the works or watercourses used or required in carrying out such agreement are assumed by the District Corporation, the District Corporation becomes liable to receive such sewage or land drainage in accordance with the agreement, and the area municipality or local board that would otherwise be bound by the agreement is relieved of all liability thereunder.

(3) Notwithstanding subsections 1 and 2 and notwithstanding anything in any such agreement, the Municipal Board, upon the application of the District Council or of the council of any area municipality or of any person concerned, may by order terminate any such agreement and adjust all rights and liabilities thereunder. 1970, c. 32, s. 32.

and proper to regulate in order to secure to the inhabitants of the District Area an adequate system of sewage and land drainage disposal. 1970, c. 32, s. 34.

33.— (1) Where, in the opinion of the District Council, an area municipality or a portion thereof will or may derive a special benefit from the assumption or construction and operation of a work or watercourse, the District Council may, with the approval of the Municipal Board, at the time of authorizing the construction, extension or improvement of the work, and at any time in respect of the assumption of the work, by by-law provide that the area municipality shall be chargeable with and shall pay to the District Corporation such portion of the capital cost thereof as the by-law specifies, and such by-law is binding on the area municipality.

(2) When an area municipality receives a special benefit by the extension or improvement of a work and the capital cost of the work has already been apportioned by by-law, the Regional Council may with the approval of the Municipal Board repeal or amend any such by-law and reapportion the capital cost of such work among all the area municipalities which receive a special benefit therefrom.

(3) Where any debt is incurred for the cost of the work, the area municipality chargeable under the by-law shall make payments to the District Corporation with respect to such debt proportionate to its share of the capital cost as set out in the by-law in the same manner as if the debt for such share had been incurred by the District Corporation for the purposes of the area municipality.

(4) The area municipality may pay the amounts chargeable to it under this section out of its general funds or, subject to the approval of the Municipal Board, may pass by-laws under section 362 of The Municipal Act for imposing sewer rates to recover the whole or part of the amount chargeable to the area municipality in the same manner as if the work were being or had been constructed, extended or improved by the area municipality notwithstanding that in the by-law authorizing the work there was no provision for imposing, with the approval of the Municipal Board, upon owners or occupants of land who derive or will or may derive a benefit from the work a sewer rate sufficient to pay for the whole or a portion or percentage of the capital cost of the work. 1970, c. 32, s. 35.

34.— (1) No municipality or person shall connect any local work, local watercourse, private drain or private sewer to a district work or watercourse without the approval of the District Council.
(2) The District Corporation may enter into a contract with any local, district or regional municipality outside the District Area to receive and dispose of sewage and land drainage from such municipality on such terms and conditions as may be agreed upon for any period not exceeding twenty years, and may renew such contract from time to time for further periods not exceeding twenty years at any one time.

(3) Any engineer or other officer of the District Corporation has power to inspect the plans and specifications of any work referred to in subsection 1 and to inspect the work during its construction and before it is connected with the district work or watercourse. 1970, c. 32, s. 36.

35.—(1) The District Council may pass by-laws establishing standards for and regulating and governing the design, construction and maintenance of local works connected or to be connected to a district work or watercourse, and every area municipality and local board shall conform to such by-laws.

(2) No area municipality or local board thereof shall enlarge, extend or alter any local work or watercourse that discharges into a district work or watercourse without the approval of the District Council. 1970, c. 32, s. 37.

36. If the council of an area municipality considers itself aggrieved by the refusal of the District Corporation or the District Council,

(a) to assume as a district work any local work;
(b) to construct, extend or improve any district work;
(c) to receive any required volume of sewage or land drainage from the area municipality;
(d) to approve the construction, alteration, improvement or extension of a local work; or
(e) to permit a connection or the continuance of a connection to any district work,

the council may appeal to the Municipal Board, which may make such order as it considers advisable in the matter, and the decision of the Municipal Board is final. 1970, c. 32, s. 38.

37.—(1) The District Council may pass by-laws, providing for imposing on and collecting from any area municipality, in respect of the whole or any designated part or parts thereof from which sewage and land drainage is received, a sewage service rate or rates sufficient to pay such portion as the by-law may specify of the annual cost of maintenance and operation of any district work or works.
(2) All such charges constitute a debt of the area municipality to the District Corporation and shall be payable at such times and in such amounts as may be specified by by-law of the District Council.

(3) The area municipality may pay the amounts chargeable to it under any such by-law out of its general funds or may pass by-laws under section 362 of The Municipal Act for imposing sewage service rates to recover the whole or part of the amount chargeable to the area municipality. 1970, c. 32, s. 39.

38. The District Council may contribute money, out of the fund established under subsection 3 of section 104, toward the cost to any area municipality of the separation of sanitary and storm sewers now in existence in the area municipality, the construction of which commenced on or after the 1st day of January, 1970, in such amount as it considers proper, not exceeding 25 per cent of the total cost thereof to the area municipality. 1970, c. 32, s. 40.

39. The District Corporation has, in respect of all works assumed, all the rights, powers, benefits and advantages conferred either by by-law or contract or otherwise upon the area municipality or area municipalities or their local boards with respect to such works before they were assumed by the District Corporation and the District Corporation may sue upon such rights or under such by-laws or agreements in the same manner and to the same extent as the area municipality or municipalities or local board or boards might have done if such works had not been assumed. 1970, c. 32, s. 41.

40. Any person authorized by the District Council has free access from time to time, upon reasonable notice given and request made, to all works within an area municipality and to all lands, buildings and premises used in connection therewith and the right, upon the like notice and request, to inspect and copy all plans, records and specifications and other information relating to the construction, extension or maintenance of such local works. 1970, c. 32, s. 42.

41. Any works assumed by the District Corporation under section 29, together with any extensions or additions thereto constructed by the District Corporation, may be used by the District Corporation for the purpose of receiving and disposing of sewage and land drainage from any or all of the area municipalities and, subject to subsection 2 of section 34, from any local or district municipality outside the District Area. 1970, c. 32, s. 43.

(2) When there is a difference between the District Council and the council of a municipality in respect of any such bridge or highway as to the corporation upon which the obligation rests for the constructing or maintaining of the bridge or highway, or as to the proportions in which the corporations should respectively contribute thereto, or where the District Council and the council of the municipality are unable to agree as to any action, matter or thing to be taken or done in respect of such bridge or highway, every such difference shall be determined by the Municipal Board upon an application by the District Corporation or the corporation of the municipality.

(3) The Municipal Board shall appoint a day for the hearing of the application, of which ten days notice in writing shall be given to the clerk of each municipality and of the District Corporation, and shall, at the time and place appointed, hear and determine all matters in difference between the municipalities in regard to such bridge or highway, and the Municipal Board may make such order with respect to the same as it may consider just and proper, and may by the order fix and determine the amount or proportion that each municipality shall pay or contribute towards the building and maintaining of such bridge or highway.

(4) An order made by the Municipal Board under this section is binding upon the municipalities for such period as the Municipal Board may determine, and is final and conclusive. 1970, c. 32, s. 61.

Appeal

(7) Any person who claims to be injuriously affected by the closing of a road may, by leave of the Court of Appeal, appeal to that court from any order of the Municipal Board approving the closing of such road, and the District Corporation may, upon like leave, appeal from any order of the Municipal Board made on an application under this section.

(4) Where, in the opinion of the Minister, the operation of this section would cause substantial hardship to the taxpayers in a particular merged area within any area municipality, he may, by order, provide that the necessary adjustment in the tax rate be made over a period of not more than five years. 1970, c. 32, s. 106.

100.—(1) The Minister may, on or before the 1st day of September, 1970, appoint committees of arbitrators for the purpose of determining initially the disposition, including the physical possession, of the assets and liabilities, including reserve funds, of the Township of McLean, the Township of Medora and Wood, the Township of Monck and the Township of Muskoka.

(2) Each committee shall consist of one or more treasurers designated by the Minister representing municipalities directly concerned with the disposition of particular assets and liabilities and reserve funds, and the treasurer of the divided municipality whose assets, liabilities or reserve funds are to be considered, or such other person or persons as the Minister may appoint.

(3) Before the 31st day of December, 1970, the committees shall, where appropriate, make provisional determinations of the disposition of the known assets, liabilities and reserve funds, and these dispositions shall become operative from the 1st day of January, 1971.

(4) As soon as possible thereafter, the committees, where appropriate, shall make final determinations of the disposition of assets, liabilities and reserve funds as at the 31st day of December, 1970, together with determinations of any financial adjustments which may be necessary.
(5) The final determination made under subsection 4 shall be forwarded forthwith to the area municipalities directly concerned and to the Municipal Board and, unless the council of any such area municipality notifies the Municipal Board in writing within thirty days of the mailing of such determination to the area municipality that it objects to the determination, such determination shall, for the purposes of clause (a) of subsection 11 of section 14 of The Municipal Act, be deemed to be agreed upon by such area municipalities.

(6) The final determination of a disposition or an adjustment under this section shall set out the time within which an appeal may be made to the Municipal Board with respect to such determination.

(7) Where, in the opinion of the Minister, any financial settlement arising from the application of this section would cause substantial hardship to the taxpayers of an area municipality, he may, by order, provide that such settlement be made over a period not exceeding five years.

(8) All documents and records kept by the clerk or treasurer or other officer of each divided municipality shall be transferred to the clerk or treasurer or other officer, as the case may be, of the area municipality designated by the appropriate committee established under subsection 1, and such documents and records shall be made available to any official of any area municipality to which any other portion of the divided municipality is transferred, during the normal office hours of the area municipality to which they are transferred.

(3) The District Council shall establish and maintain a pollution control fund and shall contribute to such fund, in each year, the sum equivalent to a sum calculated at one quarter of one mill in the dollar upon the total assessment upon which the district levy is apportioned in that year among the area municipalities under subsection 3 of section 92.

(4) The moneys in the fund established under subsection 3 may be used only to defray the costs of the District Council in exercising its powers under Part III and for pollution control measures undertaken in the District Area, which measures are in addition to the normal pollution control measures being undertaken by the Muskoka-Parry Sound Health Unit.

(b) an amount of $50,000 to defray part of the cost of administrative expenditures of the District Council. 1970, c. 32, s. 112.

TEMPORARY LOANS

106.—(1) The District Council may by by-law, either before or after the passing of by-laws for imposing levies on the area municipalities for the current year, authorize the chairman and treasurer to borrow from time to time by way of promissory note such sums as the District Council may consider necessary to meet, until the levies are received, the current expenditures of the District Corporation for the year, including the amounts required for principal and interest falling due within the year upon any debt of the District Corporation and the sums required by law to be provided by the District Council for any local board of the District Corporation.

(2) The amount that may be borrowed at any one time for the purposes mentioned in subsection 1, together with any similar borrowings that have not been repaid, shall not, except with the approval of the Municipal Board, exceed 70 per cent of the uncollected balance of the estimated revenues of the District Corporation as set forth in the estimates adopted for the year.

(3) Until such estimates are adopted, the limitation upon borrowing prescribed by subsection 2 shall temporarily be calculated upon the estimated revenues of the District Corporation as set forth in the estimates adopted for the next preceding year, provided that in the year 1971 the amount that may be borrowed at any one time prior to the adoption of the estimates shall be such amount as may be approved by the Municipal Board.

(4) The lender is not bound to establish the necessity of borrowing the sum lent or to see to its application.

(5) Any promissory note made under the authority of this section shall be sealed with the seal of the District Corporation and signed by the chairman or by some other person authorized by by-law to sign it and by the treasurer and may be expressed so as to bear interest only upon such money as may be borrowed thereon from the time when such money is actually lent.

(6) The District Council may by by-law provide or authorize the chairman and treasurer to provide by agreement that all or
any sums borrowed for any or all of the purposes mentioned in this section shall, with interest thereon, be a charge upon the whole or any part or parts of the revenues of the District Corporation for the current year and for any preceding years as and when such revenues are received, provided that such charge does not defeat or affect and is subject to any prior charge then subsisting in favour of any other lender.

(7) Any agreement entered into under subsection 6 shall be sealed with the corporate seal and signed by the chairman and treasurer.

(8) If the District Council authorizes the borrowing of or borrows any larger amount than is permitted under this section, every member who knowingly votes therefor is disqualified from holding any municipal office for two years.

(9) If the District Council authorizes the application of any revenues of the District Corporation charged under the authority of this section otherwise than in repayment of the loan secured by such charge, the members who vote for such application are personally liable for the amount so applied, which may be recovered in any court of competent jurisdiction.

(10) If any member of the District Council or officer of the District Corporation applies any revenues so charged otherwise than in repayment of the loan secured by such charge, he is personally liable for the amount so applied, which may be recovered in any court of competent jurisdiction.

(11) Subsections 8, 9 and 10 do not apply to the District Council or any member of the District Council or officer of the District Corporation acting under an order or direction issued or made under the authority of The Department of Municipal Affairs Act, nor do they apply in any case where application of the revenues of the District Corporation is made with the consent of the lender in whose favour a charge exists. 1970, c. 32, s. 113.

DEBT

107.—(1) Subject to the limitations and restrictions in this Debt Act and The Ontario Municipal Board Act, the District Council may borrow money for the purposes of,

(a) the District Corporation;

(b) any area municipality; and

(c) the joint purposes of any two or more area municipalities,

whether under this or any general or special Act, and may issue debentures therefor on the credit of the District Corporation.
(2) All debentures issued pursuant to a by-law passed by the District Council under the authority of this Act are direct, joint and several obligations of the District Corporation and the area municipalities notwithstanding the fact that the whole or any portion of the rates imposed for the payment thereof may have been levied only against one or more of the area municipalities, but nothing in this subsection affects the rights of the District Corporation and of the area municipalities respectively as among themselves.

(3) Notwithstanding any general or special Act, no area municipality has, after the 31st day of December, 1970, power to issue debentures. 1970, c. 32, s. 114 (1-3).

(4) When an area municipality, prior to the 31st day of December, 1970,

(a) has applied for and obtained the final approval of the Municipal Board in respect of any work, project or other matter mentioned in subsection 1 of section 64 of The Ontario Municipal Board Act, being chapter 274 of the Revised Statutes of Ontario, 1960; and

(b) has entered into a contract for or authorized the commencement of such work, project or matter but has not prior to that date issued the debentures authorized,

the District Council, upon the request of the council of the area municipality, shall pass a by-law authorizing the issue and sale of debentures of the District Corporation for the purposes and in the amount approved by the Municipal Board and shall, if required by the area municipality, issue such debentures and provide temporary financing for the area municipality in the manner provided in section 110, and no further approval of the Municipal Board is required. 1970, c. 32, s. 114 (4), amended.

(5) Bonds, debentures and other evidences of indebtedness of the District Corporation shall be deemed to be bonds, debentures and other evidences of indebtedness of a municipal corporation for the purposes of The Trustee Act. 1970, c. 32, s. 114 (5).

108.—(1) Subject to the limitations and restrictions in this Act and The Ontario Municipal Board Act, the District Corporation may by by-law incur a debt or issue debentures for the purposes set forth in subsection 1 of section 107 and, notwithstanding any general or special Act, such by-law may be passed without the assent of the electors of the District Area.

(2) Where, under any general or special Act, an area municipality cannot incur a debt or issue debentures for a particular purpose without the assent of its electors or without the concurrence of a specified number of the members of its council, the
Sec. 110 (2) MUNICIPALITY OF MUSKOKA Chap. 131 75

District Council shall not pass a by-law authorizing the issue of debentures on behalf of such area municipality for such purpose unless such assent or concurrence to the passing of the by-law by the District Council has been obtained.

(3) Nothing in subsection 2 requires the assent of any electors where such assent has been dispensed with under section 63 of The Ontario Municipal Board Act. 1970, c. 32, s. 115.

109.—(1) Notwithstanding any general or special Act, the Hearing Municipal Board, before making any order under section 64 of The Ontario Municipal Board Act on the application of the District Corporation or of any area municipality, shall hold a public hearing for the purpose of inquiring into the merits of the matter.

(2) Notice of the hearing shall be given to the clerk of the Notice District Corporation and to the clerk of each area municipality in such manner as the Municipal Board may direct.

(3) The Municipal Board may dispense with the public hearing if the applicant files with the secretary of the Municipal Board a certified copy of a resolution of the council of each corporation entitled to notice under subsection 2 consenting to such dispensation.

(4) The Municipal Board may direct that an applicant give, by Idem registered mail, to the persons mentioned in subsection 2 notice of any application including a requirement that the District Corporation or any area municipality file with the applicant, within such time as may be specified by the Municipal Board, any objection to the application, and, if no such objection is filed within the time specified, the Municipal Board may dispense with the public hearing. 1970, c. 32, s. 116.

110.—(1) When the Municipal Board has authorized the Borrowing of money and the issue of debentures by the District Corporation for its purposes, the District Council pending the issue and sale of the debentures may agree with a bank or person for temporary advances from time to time to meet expenditures incurred for the purpose authorized, and may by by-law pending the sale of such debentures or in lieu of selling them authorize the chairman and treasurer to raise money by way of loan on the debentures and to hypothecate them for the loan.

(2) When the Municipal Board has authorized the borrowing of money and the issue of debentures by the District Corporation for the purposes of an area municipality, the District Council pending the issue and sale of the debentures may, and on the request of the area municipality shall, agree with a bank or person for temporary advances from time to time to meet expenditures incurred for the purposes authorized, and may, or on the request...
of the area municipality shall, pending the sale of such debentures or in lieu of selling them, authorize the chairman and treasurer to raise money by way of loan on the debentures and to hypothecate them for the loan, and shall transfer the proceeds of such advance or loan to the area municipality.

(3) The District Corporation may charge interest on any proceeds of an advance or loan transferred under subsection 2 at a rate sufficient to reimburse it for the cost of such advance or loan.

(4) The proceeds of every advance or loan under this section shall be applied to the purposes for which the debentures were authorized, but the lender shall not be bound to see to the application of the proceeds and, if the debentures are subsequently sold, the proceeds of the sale shall be applied first in repayment of the loan and, where the debentures were issued for the purposes of an area municipality, the balance, subject to section 122, shall be transferred to the area municipality.

(5) Subject to subsection 4, the redemption of a debenture hypothecated does not prevent the subsequent sale thereof. 1970, c. 32, s. 117.

III.-(1) Subject to subsection 2, a money by-law for the issuing of debentures shall provide that the principal shall be repaid in annual instalments with interest annually or semi-annually upon the balances from time to time remaining unpaid, but the by-law may provide for annual instalments of combined principal and interest.

(2) A money by-law for the issuing of debentures may provide that the principal shall be repaid at a fixed date with interest payable annually or semi-annually, in which case debentures issued under the by-law shall be known as sinking fund debentures.

(3) Notwithstanding any general or special Act, the whole debt and the debentures to be issued therefor shall be made payable within such term of years as the Municipal Board may approve.

(4) The by-law may provide for raising in each year, by special levy or levies against one or more area municipalities, the whole or specified portions of the sums of principal and interest payable under the by-law in such year, and each area municipality shall pay to the District Corporation such sums at the times and in the amounts specified in the by-law.

(5) The by-law shall provide for raising in each year, by a special levy on all the area municipalities, the sums of principal and interest payable under the by-law in such year to the extent that such sums have not been provided for by any special levy or levies against any area municipality or municipalities made especially liable therefor by the by-law.
(6) Any special levy against an area municipality imposed by the by-law under the authority of subsection 4 may be levied by the area municipality against persons or property in the same manner and subject to the same limitations as if it were passing a by-law authorizing the issue of debentures of the area municipality for the same purpose for the portion of the debt levied against it under subsection 4.

(7) All levies imposed by the by-law against an area municipality are a debt of the area municipality to the District Corporation.

(8) The District Council may by by-law authorize a change in the mode of issue of the debentures and may provide that the debentures be issued with coupons instead of in amounts of combined principal and interest or vice versa and where any debentures issued under the by-law have been sold, pledged or hypothecated by the District Council upon again acquiring them or at the request of any holder of them, may cancel them and issue one or more debentures in substitution for them, and make such new debenture or debentures payable by the same or a different mode on the instalment plan, but no change shall be made in the amount payable in each year.

(9) All the debentures shall be issued at one time and within two years after the passing of the by-law unless, on account of the proposed expenditure for which the by-law provides being estimated or intended to extend over a number of years and of its being undesirable to have large portions of the money in hand unused and uninvested, in the opinion of the District Council it would be of advantage to so issue them, and in that case the by-law may provide that the debentures may be issued in sets of such amounts and at such times as the circumstances require, but so that the first of the sets shall be issued within two years, and all of them within five years, after the passing of the by-law.

(10) All the debentures shall bear the same date, except where they are issued in sets in which case every debenture of the same set shall bear the same date.

(11) Notwithstanding the provisions of the by-law, the debentures may bear date at any time within the period of two years or five years, as the case may be, mentioned in subsection 9 and the debentures may bear date before the date the by-law is passed if the by-law provides for the first levy being made in the year in which the debentures are dated or in the next succeeding year.

(12) The Municipal Board, on the application of the District Council, the council of any area municipality or any person entitled to any of the debentures or of the proceeds of the sale thereof, may at any time extend the time for issuing the debentures beyond the two years, or the time for the issue of any set beyond the time authorized by the by-law.
(13) The extension may be made although the application is not made until after the expiration of the two years or of the time provided for the issue of the set.

(14) Unless the by-law names a later day when it is to take effect, it takes effect on the day of its passing.

(15) Notwithstanding any general or special Act, the District Council may borrow sums for two or more purposes in one debenture by-law and provide for the issue of one series of debentures therefor.

(16) Section 290 of The Municipal Act applies mutatis mutandis to the District Corporation.

(17) The by-law may provide that all the debentures or a portion thereof shall be redeemable at the option of the District Corporation on any date prior to maturity, subject to the following provisions:

1. The by-law and every debenture that is so redeemable shall specify the place or places of payment and the amount at which such debenture may be so redeemed.

2. The principal of every debenture that is so redeemable becomes due and payable on the date set for the redemption thereof, and from and after such date interest ceases to accrue thereon where provision is duly made for the payment of the principal thereof, the interest to the date set for redemption, and any premium payable on redemption.

3. Notice of intention so to redeem shall be sent by prepaid mail at least thirty days prior to the date set for such redemption to the person in whose name the debenture is registered at the address shown in the Debenture Registry Book.

4. At least thirty days prior to the date set for such redemption, notice of intention so to redeem shall be published in The Ontario Gazette and in a daily newspaper of general circulation in the District Area and in such other manner as the by-law may provide.

5. Where only a portion of the debentures issued under the by-law is so to be redeemed, such portion shall comprise only the debentures that have the latest maturity dates and no debentures issued under the by-law shall be called for such redemption in priority to any such debenture that has a later maturity date.
6. Where a debenture is redeemed on a date prior to maturity, such redemption does not affect the validity of any by-law by which special assessments are imposed or instalments thereof levied, the validity of such special assessments or levies, or the powers of the District Council to continue to levy and collect from any area municipality the subsequent payments of principal and interest payable by it to the District Council in respect of the debenture so redeemed.

(18) The by-law may provide that the debentures to be issued currency thereunder shall be expressed and be payable,

(a) in lawful money of Canada and payable in Canada;
(b) in lawful money of the United States of America and payable in the United States of America; or
(c) in lawful money of Great Britain and payable in Great Britain.

(19) Where, under the provisions of the by-law, debentures issued thereunder are expressed and made payable in lawful money of the United States of America or of Great Britain, the District Council may in such by-law or in any amending by-law, in lieu of providing for the raising in each year during the currency of the debentures specific sums sufficient to pay interest thereon or instalments of principal falling due in such year, provide that there shall be raised such yearly amount as may be necessary for such purposes and as the requirements for such purposes may from year to year vary.

(20) When sinking fund debentures are issued, the amount of principal to be raised in each year shall be a specific sum which, with the estimated interest at a rate not exceeding 3 per cent per annum, capitalized yearly, will be sufficient to pay the principal of the debentures or any set of them, when and as it becomes due.

(21) When sinking fund debentures are issued, the sinking fund committee shall keep one or more consolidated bank accounts in which,

(a) the treasurer of the District Corporation shall deposit each year during the term of the debentures the moneys raised for the sinking fund of all debts that are to be paid by means of sinking funds; and

(b) there shall be deposited all earnings derived from, and all proceeds of the sale, redemption or payment of, sinking fund investments.

(22) When sinking fund debentures are issued, there shall be a sinking fund committee that shall be composed of the treasurer of the District Corporation and two members appointed by the
Lieutenant Governor in Council, and the two appointed members shall be paid, out of the current fund of the District Corporation, such annual remuneration as the Lieutenant Governor in Council may determine.

(23) The Lieutenant Governor in Council may appoint an alternate member for each of the appointed members and any such alternate member has all the powers and duties of the member in the absence or inability to act of such member.

(24) The treasurer of the District Corporation shall be the chairman and treasurer of the sinking fund committee and in his absence the appointed members may appoint one of themselves as acting chairman and treasurer.

(25) Each member of the sinking fund committee shall, before entering into the duties of his office, give security for the faithful performance of his duties and for duly accounting for and paying over all moneys that come into his hands, in such amount as the auditor of the District Corporation shall determine, and in other respects the provisions of section 233 of The Municipality Act apply with respect to such security.

(26) Two members of the sinking fund committee are a quorum, and all investments and disposals of investments must be approved by a majority of all the members of the committee.

(27) All assets of the sinking funds, including all consolidated bank accounts, shall be under the sole control and management of the sinking fund committee.

(28) All withdrawals from the consolidated bank accounts shall be authorized by the sinking fund committee, and all cheques on the consolidated bank accounts shall be signed by the chairman or acting chairman and one other member of the sinking fund committee.

(29) The sinking fund committee shall invest any moneys on deposit from time to time in the consolidated bank accounts and may at any time or times vary any investments.

(30) The moneys in the consolidated bank accounts shall be invested in one or more of the following forms,

(a) in securities in which a trustee may invest under The Trustee Act;

(b) in debentures of the District Corporation;

(c) in temporary advances to the District Corporation pending the issue and sale of any debentures of the District Corporation;
in temporary loans to the District Corporation for current expenditures, but no loan for such purpose shall be made for a period ending after the end of the calendar year in which the loan is made.

(31) Any securities acquired by the sinking fund committee as investments for sinking fund purposes may be deposited with the Treasurer of Ontario.

(32) The Treasurer of Ontario shall release, deliver or otherwise dispose of any security deposited with him under subsection 31 only upon the direction in writing of the sinking fund committee.

(33) All sinking fund debentures issued on the same date, payable in the same currency, and maturing on the same date, notwithstanding they are issued under one or more by-laws, shall be deemed one debt and be represented by one sinking fund account.

(34) That proportion of the amount of all earnings in any year, on an accrual basis, from sinking fund investments, obtained by,

(a) multiplying the amount of all such earnings by the amount of the capitalized interest for that year under subsection 20 with respect to the principal raised up to and including such year for all sinking fund debentures represented by any sinking fund account; and

(b) dividing the product obtained under clause a by the amount of all capitalized interest for that year under subsection 20 with respect to all principal raised up to and including such year for all outstanding sinking fund debentures,

shall be credited to the sinking fund account, mentioned in clause a.

(35) The treasurer of the District Corporation shall prepare and lay before the District Council in each year, before the annual district levies are made, a statement showing the sums that the District Council will be required, by by-law, to raise for sinking funds in that year.

(36) If the treasurer of the District Corporation contravenes subsection 21 or 35, he is guilty of an offence and on summary conviction is liable to a fine of not more than $250.

(37) If the District Council neglects in any year to levy the amount required to be raised for a sinking fund, each member of the District Council is disqualified from holding any municipal office for two years, unless he shows that he made reasonable efforts to procure the levying of such amount.
(38) Notwithstanding this or any other Act or by-law, if it appears at any time that the amount at the credit of any sinking fund account will be more than sufficient, with the estimated earnings to be credited thereto under subsection 34 together with the levy required to be made by the by-law or by-laws that authorized the issue of the debentures represented by such sinking fund account, to pay the principal of the debt represented by such sinking fund account when it matures, the Municipal Board, on the application of the sinking fund committee, the District Council or the council of an area municipality, may authorize the District Council or the council of an area municipality reduce the amount of money to be raised with respect to such debt in accordance with the order of the Municipal Board.

(39) No money collected for the purpose of a sinking fund shall be applied towards paying any part of the current or other expenditure of the District Corporation or otherwise than is provided in this section.

(40) When there is a surplus in a sinking fund account, the sinking fund committee shall,

(a) use the surplus to increase the amount at the credit of another sinking fund account; or

(b) authorize the withdrawal of the surplus from the consolidated bank accounts, and the surplus shall be used for one or more of the following purposes,

(i) to retire unmatured debentures of the District Corporation or of an area municipality,

(ii) subject to the approval of the Municipal Board, to reduce the next annual levy on account of principal and interest payable with respect to debentures of the District Corporation or of an area municipality,

(iii) to reduce the amount of debentures to be issued for other capital expenditures for which the issue of debentures has been approved by the Municipal Board,

and the surplus shall be used under either clause a or b for the purposes of the District Corporation or an area municipality in the proportion that the amount of the contribution for the purposes of each bears to the total contributions to the sinking fund account in connection with which the surplus arose.

(41) Notwithstanding that any sinking fund debentures have been issued for the purposes of one or more area municipalities, any deficit in the sinking fund account shall be provided by the District Corporation out of its current funds and any surplus in the sinking fund account shall be used as provided in subsection 40. 1970, c. 32, s. 118.
112.—(1) If the Municipal Board is of the opinion that the current rate of interest so differs from the rate of interest payable on any debentures that remain unsold or undisposed of that the sale or disposal thereof may substantially decrease or increase the amount required to be provided under the by-law under which such debentures were issued, the Municipal Board may authorize the District Council to pass a by-law to amend such by-law so as to provide for,

(a) a different rate of interest;

(b) a change in the amount to be raised annually and, if necessary, in the special levies;

(c) such other changes in such by-law or any other by-law as to the Municipal Board may seem necessary to give effect thereto;

(d) the issue of new debentures to bear interest at the amended rate in substitution and exchange for such first-mentioned debentures; and

(e) the cancellation of such first-mentioned debentures upon the issue of such new debentures in substitution and exchange therefor.

(2) For the purposes of this section, the hypothecation of debentures under section 110 shall not constitute a sale or other disposal thereof.

(3) The District Council may by one by-law authorized under subsection 1 amend two or more by-laws and provide for the issue of one series of new debentures in substitution and exchange for the debentures issued thereunder.

(4) A by-law passed under this section does not affect the validity of any by-law by which special assessments are imposed or instalments thereof levied, the validity of such special assessments or levies, or the powers of the District Council to continue to levy and collect from any area municipality the subsequent payments of principal and interest payable by it to the District Council. 1970, c. 32, s. 119.

113.—(1) Where part only of a sum of money provided for by a by-law has been raised, the District Council may repeal the by-law as to any part of the residue, and as to a proportionate part of the amounts to be raised annually.

(2) The repealing by-law shall recite the facts on which it is founded, shall provide that it shall take effect on the 31st day of December in the year of its passing, shall not affect any rates or levies due or penalties incurred before that day and shall not take effect until approved by the Municipal Board. 1970, c. 32, s. 120.
114.—(1) Subject to section 113, after a debt has been contracted under a by-law, the District Council shall not, until the debt and interest have been paid, repeal the by-law or any by-law appropriating, for the payment of the debt or the interest, the surplus income from any work or any interest therein, or money from any other source, and shall not alter any such by-law so as to diminish the amount to be raised annually and shall not apply to any other purpose any money of the District Corporation that has been directed to be applied to such payment.

(2) When the District Corporation, by or under the authority of this Act, pays to an area municipality any amount of principal and interest becoming due upon any outstanding debentures issued by the area municipality, neither the council of the area municipality nor any officer thereof shall apply any of the money so paid for any purpose other than the payment of the amounts of principal and interest so becoming due. 1970, c. 32, s. 121.

115. Any officer of the District Corporation whose duty it is to carry into effect any of the provisions of a money by-law of the District Corporation who neglects or refuses to do so, under colour of a by-law illegally attempting to repeal or amend it, so as to diminish the amount to be raised annually under it, is guilty of an offence and on summary conviction is liable to a fine of not more than $100. 1970, c. 32, s. 122.

116.—(1) Within four weeks after the passing of a money by-law, the clerk may register a duplicate original or a copy of it, certified under his hand and the seal of the District Corporation, in the Registry Office for the Registry Division of the Judicial District.

(2) Subject to section 61 of The Ontario Municipal Board Act, every by-law registered in accordance with subsection 1, or before the sale or other disposition of the debentures issued under it, and the debentures are valid and binding, according to the terms thereof, and the by-law shall not be quashed, unless within one month after the registration in the case of by-laws passed under The Drainage Act, or The Local Improvement Act, and in the case of other by-laws, within three months after the registration, an application or action to quash the by-law is made to or brought in a court of competent jurisdiction, and a certificate under the hand of the proper officer of the court and its seal, stating that such application has been made or action brought, is registered in such registry office within such period of three months, or one month, as the case may be.

(3) After the expiration of the period prescribed by subsection 2, if no application or action to quash the by-law is made or brought, the by-law is valid and binding according to its terms.
Sec. 117 (4) MUNICIPALITY OF MUSKOKA 
Chap. 131

(4) If an application or action to quash the by-law is made or brought within the period prescribed by subsection 2, but part only of the by-law is sought to be quashed, the remainder of it, if no application or action to quash it is made or brought within that period, is, after the expiration of that period, valid and binding according to its terms.

(5) If the application or action is dismissed in whole or in part, a certificate of the dismissal may be registered, and after such dismissal and the expiration of the period prescribed by subsection 2, if it has not already expired, the by-law, or so much of it as is not quashed, is valid and binding according to its terms.

(6) Nothing in this section makes valid a by-law passed without the assent of the electors of an area municipality as required by subsection 2 of section 108 or a by-law where it appears on the face of it that any of the provisions of subsection 5 of section 111 have not been substantially complied with.

(7) Failure to register a by-law as prescribed by this section does not invalidate it.

117.—(1) A debenture or other like instrument shall be sealed with the seal of the District Corporation, which seal may be engraved, lithographed, printed or otherwise mechanically reproduced thereon, and, subject to subsection 3, shall be signed by the chairman or by some other person authorized by by-law of the District Corporation to sign it, and by the treasurer.

(2) A debenture may have attached to it interest coupons that shall be signed by the treasurer and his signature to them may be engraved, lithographed, printed or otherwise mechanically reproduced thereon and such interest coupons are sufficiently signed if they bear the signature of the treasurer on the date the District Council authorized the execution of the debenture or on the date the debenture bears or at the time the debenture was issued and delivered.

(3) The signature of the chairman, or such other person authorized by by-law to sign the debentures or other like instruments, may be engraved, lithographed, printed or otherwise mechanically reproduced thereon and, if the debentures or other like instruments are countersigned in writing by a person authorized by by-law of the District Corporation to countersign, the signature of the treasurer may be engraved, lithographed, printed or otherwise mechanically reproduced thereon.

(4) The seal of the District Corporation when so engraved, lithographed, printed or otherwise mechanically reproduced has the same force and effect as if manually affixed and the signature of the chairman or such other person authorized by by-law to sign
the debentures or other like instruments and, if the debentures or other like instruments are countersigned, the signature of the treasurer when so engraved, lithographed, printed or otherwise mechanically reproduced shall be deemed the signature of the chairman or other person so authorized to sign or of the treasurer, as the case may be, and is binding upon the District Corporation.

(5) Any debenture or other like instrument is sufficiently signed and countersigned if it bears the signatures of the persons provided in this section if such persons had authority to sign and countersign as provided in this section either on the date the District Council authorized the execution of such instrument or on the date such instrument bears or at the time it was issued and delivered. 1970, c. 32, s. 124.

118. Where the interest for one year or more on the debentures issued under a by-law and the principal of any debenture that has matured has been paid by the District Corporation, the by-law and the debentures issued under it are valid and binding upon the District Corporation. 1970, c. 32, s. 125.

119.—(1) Where a debenture contains or has endorsed upon it a provision to the following effect:

This debenture, or any interest therein, is not, after a certificate of ownership has been endorsed thereon by the treasurer of this Corporation (or by such other person authorized by by-law of this Corporation to endorse such certificate of ownership), transferable except by entry by the treasurer (or by such other person so authorized) in the Debenture Registry Book of the Corporation at the

(2) A certificate of ownership shall not be endorsed on a debenture except by the written authority of the person last entered as the owner of it, or of his executors or administrators, or of his or their attorney, and, if the person last entered as owner of it is a corporation, the written authority of such corporation, or its successors, which authority shall be retained and filed by the treasurer.
(3) After a certificate of ownership has been endorsed, the debenture, if it contains or has endorsed upon it a provision to the like effect of the provision contained in subsection 1, is transferable only by entry by the treasurer (or by such other person so authorized) in the Debenture Registry Book as and when a transfer of the debenture is authorized by the then owner of it or his executors or administrators or his or their attorney and, if the then owner of it is a corporation, the written authority of such corporation, or its successors. 1970, c. 32, s. 126.

120. Where a debenture is defaced, lost or destroyed, the District Council may by by-law provide for the replacing of the debenture on the payment of such fee and on such terms as to evidence and indemnity as the by-law may provide. 1970, c. 32, s. 127.

(3) Any new debentures mentioned in subsection 1 may be registered as to principal and interest but in all other respects shall be of the same force and effect as the debenture or debentures surrendered for exchange.

(4) The treasurer and auditor of the District Corporation shall cancel and destroy all debentures surrendered for exchange and shall certify in the Debenture Registry Book that they have been cancelled and destroyed and shall also enter in the Debenture Registry Book particulars of any new debenture issued in exchange. 1970, c. 32, s. 128.

122.-(1) The moneys received by the District Corporation from the sale or hypothecation of any debentures to the extent that such moneys are required for the purposes for which the debentures were issued, and for the repayment of any outstanding temporary loans with respect thereto, shall be used only for such purpose or purposes.

(2) None of the moneys received by the District Corporation from the sale or hypothecation of any debentures shall be applied towards payment of the current or other expenditures of the District Corporation or an area municipality.
Surplus

(3) Where, on the sale of any debenture, an amount is realized in excess of that required for the purpose or purposes for which the debentures were issued, the excess amount shall be applied,

(a) if any such debentures are redeemable prior to maturity at the option of the District Corporation, to redeem one or more of the debentures having the latest maturity date;

(b) to reduce the next annual levy on account of principal and interest payable with respect to such debentures; or

(c) to reduce the amount of debentures to be issued for other capital expenditures of a similar nature for which the issue of debentures has been approved by the Municipal Board, provided that the principal and interest charges of such debentures are levied upon the assessment of the same class of ratepayers as was levied upon for the principal and interest charges of the debentures with respect to which the excess arose.

Deficiency

(4) Where, on the sale of any debentures, a deficiency in the amount required for the purpose or purposes for which the debentures were issued is sustained, the amount of such deficiency shall be added to the sum to be raised for the first annual payment of principal and interest with respect to the debentures and the levy made in the first year for such purpose or purposes shall be increased accordingly or shall be raised by the issue of other debentures approved by the Municipal Board for the same or any similar purpose or purposes. 1970, c. 32 s. 129.

Use of proceeds of sale of assets acquired from proceeds of sale of debentures

123. Where real or personal property acquired out of moneys received by the District Corporation from the sale or hypothecation of any debentures is disposed of by sale or otherwise, the net proceeds of such disposal shall be applied as an excess in accordance with subsection 3 of section 122 or, with the approval of the Municipal Board, may be applied to meet the whole or a portion of any other capital expenditure the debt charges for which, if raised by taxation, would be raised by taxation levied upon the assessment of the same class of ratepayers as was levied upon for the principal and interest charges of the debentures issued in respect of the property disposed of or sold. 1970, c. 32, s. 130.

Tenders for debentures

124. When the District Corporation intends to borrow money on debentures under this or any other Act, the District Council may prior to the issue thereof call for tenders for the amount of money required and the person tendering shall specify the rate of interest the debentures shall bear when issued at par. 1970, c. 32, s. 131.
125.—(1) The District Council shall,

(b) where the whole of a debenture debt is not payable in the current year, keep in respect thereof,
   (i) an additional account for the interest, if any, and
   (ii) an additional account for the sinking fund or the instalments of principal,
   distinguished from all other accounts by a prefix designating the purpose for which the debenture debt was contracted; and
(c) keep the accounts so as to exhibit at all times the state of every debt, and the amount of money raised, obtained and appropriated for the payment of it.

(2) The District Council may by by-law provide and direct that instead of a separate account of the interest upon every debt being kept, a consolidated account of the interest upon all debts may be kept, but which consolidated account shall be so kept that it will be possible to determine therefrom the true state of the interest account upon every debt and that provisions has been made to meet the interest upon every debt. 1970, c. 32, s. 132.

126. If, in any year after paying the interest and appropriating the necessary sum in payment of the instalments, there is a surplus properly applicable to such debt, it shall so remain until required in due course for the payment of interest or in payment of the principal. 1970, c. 32, s. 133.

127.—(1) If the District Council applies any money raised for a special purpose or collected for a sinking fund in paying current or other expenditure, the members who vote for such application are personally liable for the amount so applied, which may be recovered in any court of competent jurisdiction.

(2) If the District Council, upon the request in writing of a ratepayer of any area municipality, refuses or neglects for one month to bring an action therefor, the action may be brought by any such ratepayer on behalf of himself and all other ratepayers in the District Area.

(3) The members who vote for such application are disqualified from holding any municipal office for two years. 1970, c. 32, s. 134.

128. (a) cancel all such debentures that have not been sold and issue new debentures of the District Corporation in substitution and exchange therefor and apply the proceeds thereof, as may be directed by the Municipal Board, for the purposes for which such debentures were issued;

(b) arrange with the area municipality for the redemption of all such debentures as are redeemable and issue new debentures of the District Corporation to raise the moneys required for such redemption;

(c) purchase, by agreement with the owner or owners thereof, all such debentures of a single issue of the area municipality, and issue new debentures of the District Corporation to raise the money required to complete such purchase. 1970, c. 32, s. 135.

2. If the amount with interest thereon from the day mentioned in the statement is not paid to the sheriff within one month after the service, the sheriff shall examine the assessment rolls of all the area municipalities and shall, in like manner as the levies of the District Council for general purposes are apportioned among the area municipalities determine the portion of the amount mentioned in the statement that shall be levied against and in each area municipality.

3. The sheriff shall then in like manner as rates struck for general municipal purposes within each area municipality strike a rate sufficient in the dollar to cover its share of the amount due from the execution, and in determining such amount he may make such addition to the same as the sheriff considers sufficient to cover its share of the interest up to the time when the rates will probably be available and his own fees and poundage.
