(b) require that a permit be obtained for the placing or dumping of fill; and

(c) prescribe conditions under which the placing or dumping of fill may be carried out under a permit issued pursuant to a by-law passed under this section.

3. — (1) Notwithstanding that less than two years have expired following the presentation of a petition objecting to the passing of a by-law for designating both sides of Sandwich Street, from...
Detroit Street to Chippawa Street, together with other lands, as an improvement area, the council of the Corporation may pass by-laws designating both sides of Sandwich Street, from Detroit Street to Chippawa Street, as an improvement area.

(2) Section 361 of The Municipal Act applies with necessary modifications to a by-law passed under subsection 1.

4.—(1) The Corporation may enter into agreements with the owners or lessees of lands abutting on a highway for the construction, maintenance and use of buildings and structures or parts thereof over, across or under the highway upon such terms and conditions as may be agreed and for leasing, licensing or granting rights to the use of the air space over the highway or the lands under the highway to such persons for such consideration and upon such terms and conditions as may be agreed.

(2) An agreement made pursuant to subsection 1, which affects a highway or a highway right of way, which is a connecting link within the meaning of section 19 of The Public Transportation and Highway Improvement Act shall have no effect unless approved by the Minister of Transportation and Communications.

5. Subsection 2 of section 1 of The City of Windsor Act, 1972 is amended by striking out “two years” in the sixth line and inserting in lieu thereof “six months”.
