The Tile Drainage Act.

1.—(1) The council of a town, village or township may pass by-laws (Form 1) for borrowing for the purposes hereinafter mentioned, in sums of not less than $2,000, and not exceeding $200,000 in the whole, such amount as they may deem expedient, and for issuing therefor debentures of the municipality (Form 2), payable within ten or twenty years from the date of such debentures which shall bear date in the year in which the money is borrowed from the municipality as is hereinafter provided, and bearing interest at a rate of not less than four per centum per annum, and it shall not be necessary to obtain the assent of the electors to any such by-law before the passing thereof. 1929, c. 25, s. 2 (1); 1931, c. 18, s. 2 (1).

(2) The amount of the indebtedness of the municipality in respect of money so borrowed and remaining unpaid, including the amount provided for in any by-law being passed, shall not at any time exceed $200,000; nor shall a by-law be passed except at a meeting of the council especially called for the purpose of considering it, and held not less than four weeks after a notice (Form 3) of the day appointed for the meeting has been published in such newspaper as the council by resolution may direct. 1929, c. 25, s. 2 (2).

(3) Notwithstanding the provisions of subsections 1 and 2, the council of a town, village or township, the assessment of the whole rateable property in which according to the last revised assessment roll is not less than $3,000,000, may for the purposes hereinafter mentioned borrow in sums of not exceeding $300,000 in the whole, provided the indebtedness in respect of money so borrowed and remaining unpaid shall not at any time exceed $300,000. 1931, c. 16, s. 2.

2.—(1) After the passing of the by-law a copy of it shall be published in such public newspaper, published in the municipality or in the county town or in an adjoining or neighbouring municipality, as the council may by resolution designate, and in at least one number of such newspaper each week for three successive weeks.
(2) To each copy of the by-law shall be appended a notice (Form 4).

(3) If notice of an application to quash the by-law or any part thereof is not given within twenty days after the last publication under this section, or, if such notice is given, and the application is not made within one month after such last publication, the by-law shall not be questioned in any court and shall be valid and binding according to the terms thereof. 1929, c. 25, s. 3.

3. The debentures may be issued and sold by the municipality from time to time, for the purpose only of lending the proceeds thereof for tile, stone or timber drainage, as hereinafter provided, as money is required for the purpose. 1929, c. 25, s. 4.

4. The debentures shall be made payable to the Treasurer of Ontario and shall have coupons attached thereto which shall be for equal annual amounts of principal and interest. 1929, c. 25, s. 5.

5.—(1) The council, after the expiration of one month from the last publication under section 2, may deposit with the Treasurer of Ontario a copy of the by-law, with affidavits of the head and clerk of the municipality (Forms 5 and 6), and may at any time thereafter apply for the purchase by the Province of the debentures authorized thereby.

(2) The application shall be sealed with the seal of the municipality and signed by the head thereof, and shall specify the names of the persons to whom the money is to be lent. 1929, c. 25, s. 6.

6. The Treasurer of Ontario shall investigate and report to the Lieutenant-Governor in Council as to the propriety of all proposed investments in the order in which the applications therefor are received. 1929, c. 25, s. 7.

7.—(1) A person assessed as owner, and being the actual owner of land in the municipality, desiring to borrow money for the purpose of tile, stone or timber drainage may make application (Form 7), to the council.

(2) The application shall not be acted upon unless it is accompanied by a declaration of the applicant stating that he is the actual owner of the land mentioned in the application, and that the same is free from encumbrance, or if the land or any part of it is mortgaged or otherwise encumbered,
stating the name and address of the mortgagee or encumbrancer, and, where it has been assigned, the name of the assignee of the mortgage or encumbrance with his address.

(3) Where it appears that there is a mortgage or encumbrance upon the land or any part of it the application shall not be disposed of until two weeks after the mortgagee, encumbrancer or assignee has been notified of the application by registered letter, sent to him by the clerk to his last known address. 1929, c. 25, s. 8.

8. If the application is granted the council may issue debentures for such sum within the amount authorized by this Act and by the by-law of the municipality, as they may deem proper, but not exceeding the sum applied for, nor exceeding seventy-five per centum of the estimated cost of such drainage. 1929, c. 25, s. 9.

9. The Lieutenant-Governor in Council may authorize the investment of any surplus of the Consolidated Revenue Fund not exceeding in the whole at any time $3,000,000 in the purchase of debentures issued under such by-laws in respect of which the Treasurer of Ontario shall have certified to the propriety of the investment. 1929, c. 25, s. 10.

10. Notwithstanding any of the provisions of this Act, no application shall be granted by a council until the Treasurer of Ontario has approved the purchase of such debentures as the council may require to issue to undertake a proposed drainage work. 1934, c. 59, s. 2.

11. After such investment, the debentures shall not be questioned in any court and shall be valid and binding according to the terms thereof. 1929, c. 25, s. 11.

12.—(1) The council shall lend the money so borrowed only for the purpose of tile, stone or timber drainage and for a term of ten or twenty years, in sums of $100 or multiples thereof, subject to the provisions of section 13, as the council may deem proper, to persons entitled to borrow.

(2) No part of the money so borrowed shall be lent to any member of the council, but a person having so borrowed from a municipality shall not by reason thereof be disqualified from being afterwards elected a member of the council. 1929, c. 25, s. 12.

13. The amount loaned to any one person shall not exceed $2,000 for each one hundred acres or fraction thereof, nor
seventy-five per centum of the total cost of the work. 1929, c. 25, s. 13.

Order in which loans are to be granted.

14. The council shall consider the applications in the order in which they are made, and shall lend the money in the same order to the persons whose applications shall have been approved. 1929, c. 25, s. 14.

Appointment of Inspector.

15. A council borrowing money under this Act shall employ a competent inspector of drainage, the cost of whose services and whose expenses shall be apportioned rateably against the works carried on under his inspection, and shall be paid by the council out of the money borrowed. 1929, c. 25, s. 15.

Inspector's report.

16.—(1) On the completion of any drainage works under his charge the inspector shall report to the council the number of rods of drain constructed on each lot or parcel of land, the cost per rod, and such other particulars as may be required by the council.

(2) The report shall be entered in a book provided by the council, and the money shall not be advanced by the council until the report of the due completion of the work has been so made. 1929, c. 25, s. 16.

Record.

17. The council shall impose by by-law (Form 8), and shall levy and collect for the term of ten or twenty years as the council may elect, over and above all other rates upon the land in respect of which the money is lent, a special equal annual rate sufficient to discharge the principal and interest of the money lent in ten or twenty years as the case shall be, and the rate shall be collected in the same manner as other special rates imposed under The Municipal Act. 1929, c. 25, s. 17.

Collection of special rate.

18. The owner of land, in respect of which money has been borrowed, may at any time obtain the discharge of the indebtedness by paying to the treasurer of the municipality the amount borrowed, with interest thereon at the rate payable by the municipality to the Treasurer of Ontario on the debentures of the municipality which he holds in respect of the said indebtedness, less any sum already paid on account of principal and interest, and upon the same being paid to the treasurer, he shall forthwith transmit it to the Treasurer of Ontario, who shall apply it towards payment of the debentures of the municipality. 1929, c. 25, s. 18; 1937, c. 78, s. 2 (2).
19. A council which has borrowed money shall, on or before the 15th day of January in each year, make a return to the Provincial Secretary, showing, for the year which ended on the 31st day of December next preceding, the amount expended in drainage, the number of rods of drain constructed, the names of the borrowers, the land upon which the money has been lent, the names of the persons whose applications have been refused and the reasons in each case for the refusal. 1929, c. 25, s. 19.

20.—(1) The amount payable in each year for principal and interest shall be remitted by the treasurer of the municipality to the Treasurer of Ontario within one month after the same became payable, together with interest at the rate of seven per centum per annum during the time of any default in payment.

(2) In case of a continuance of such default the council, in the next ensuing year or as the case may require, shall assess and levy on the whole rateable property within its jurisdiction, in the same manner in which taxes are levied for the general purposes of the municipality, a sum over and above the other valid debts of the corporation falling due within the year sufficient to enable the treasurer to pay the amount in arrear, together with interest thereon at the rate of seven per centum per annum, from the time the same became payable until payment whether or not the same has been previously paid by or recovered from the persons or lands chargeable therewith.

(3) The amount so in arrear and the interest shall be the first charge upon all the funds of the municipality other than sinking funds, for whatever purpose or under whatever by-law they may have been raised.

(4) No treasurer or other officer shall, after such default, pay out of the funds of the municipality any sum except for the ordinary current disbursements, and salaries of clerks and other employees of the municipality or debts due to the Province until the amount so in arrear and the interest has been paid to the Treasurer of Ontario.

(5) If such municipal treasurer or other officer pays any sum contrary to the provisions of subsection 4, in addition to any criminal liability which he may thereby incur, he shall be personally liable for every sum paid as for money had and received by him for the Crown.

(6) Any member of the council who wilfully or negli-
gently permits any of the foregoing provisions to be violated shall also be personally and individually liable for the full amount so in arrear and the interest, to be recovered as for money had and received by him for the Crown.

(7) No assessment, levy or payment made under this section shall exonerate the persons or lands chargeable under the by-law from liability to the municipality. 1929, c. 25, s. 20.

21. The Lieutenant-Governor in Council may make regulations and prescribe forms for the carrying out of the provisions of this Act, and, subject thereto, the forms in the schedule hereto shall be used. 1929, c. 25, s. 21.

22.—(1) The Treasurer of Ontario may from and after the 1st day of April, 1937, reduce to four per centum per annum the rate of interest payable upon all debentures of any municipality purchased by the Province prior to the 25th day of March, 1937 under the provisions of this Act which on the 25th day of March, 1937, have not matured and are unpaid until such debentures finally mature and are paid at or before maturity, and payment of interest on or before the respective due dates thereof at the said rate may be accepted by the Treasurer of Ontario in full discharge and satisfaction of the interest payable upon such debentures notwithstanding the tenor thereof or of any interest coupons attached thereto.

(2) Nothing in subsection 1 shall affect the rate of interest payable upon the said debentures or interest thereon during the time of any default in payment as provided for in section 20. 1937, c. 78, s. 3.

(3) No municipality shall be entitled to the reduction in the rate of interest provided for in subsection 1 until it satisfies the Treasurer of Ontario that a reduction to four per centum per annum in the rate of interest included in the annual rates levied for the special assessments payable after the 1st day of April, 1937, by the persons liable therefor for the discharge of debentures issued by the municipality and purchased by the Province has been made.

(4) Notwithstanding the provisions of this Act, or of the by-law of a municipality under which the debentures purchased by the Province were issued or of the debentures themselves or of any special assessments imposed by such by-law for payment and discharge of such debentures and interest thereon, the council of such municipality is authorized from the 1st day of April, 1937, to reduce to four per centum per annum the rate of interest payable upon such debentures
and to levy rates for the special assessments at and including only such reduced rate of interest for the remaining years during which rates for such special assessments have still to be levied and to accept payment of such rates in full discharge, and satisfaction of the liability of the persons and lands subject thereto, and for such purpose the council may cause the special assessments and any rolls or registers thereof to be amended accordingly. 1937, c. 78, s. 4.

(5) The Treasurer of Ontario may make regulations for the purposes of subsections 1 to 4 to ensure that the intent thereof may be effectuated. 1937, c. 78, s. 5.
