rate for all purposes levied in the merged area in the pre­
ceding year on residential real property of public school
supporters.

(5) Where the council of an area municipality has not

(5) The final determination made under subsection 4 shall be forwarded forthwith to the area municipalities directly concerned and to the Municipal Board and, unless the council of any such area municipality notifies the Municipal Board in writing within thirty days of the mailing of such determination to the area municipality that it objects to the determination, such determination shall, for the purposes of clause a of subsection 11 of section 14 of The Municipal Act, be deemed to be agreed upon by such area municipalities.

(3) The moneys raised for a reserve fund established under subsection 1 shall not be expended, pledged or applied to any purpose other than that for which the fund was established without the approval of the Ministry.

(4) The auditor in his annual report shall report on the activities and position of each reserve fund established under subsection 1.

TEMPORARY LOANS

91.—(1) The Regional Council may by-law, either before or after the passing of by-laws for imposing levies on the area municipalities for the current year, authorize the chairman and treasurer to borrow from time to time by way of promissory note such sums as the Regional Council considers necessary to meet, until the levies and other revenues are received, the current expenditures of the Regional Corporation for the year, including the amounts required for principal and interest falling due within the year upon any debt of the Regional Corporation and the sums required by
law to be provided by the Regional Council for any local board of the Regional Corporation.

Limit upon borrowings

(2) The amount that may be borrowed at any one time for the purposes mentioned in subsection 1, together with any similar borrowings that have not been repaid, shall not, except with the approval of the Municipal Board, exceed 70 per cent of the uncollected balance of the estimated revenues of the Regional Corporation as set forth in the estimates adopted for the year.

Temporary application of estimates of preceding year

(3) Until such estimates are adopted, the limitation upon borrowing prescribed by subsection 2 shall temporarily be calculated upon the estimated revenues of the Regional Corporation as set forth in the estimates adopted for the next preceding year, provided that in the year 1973 the amount that may be borrowed at any one time prior to the adoption of the estimates shall be such amount as may be approved by the Minister.

Protection of lender

Execution of promissory notes

(5) Any promissory note made under the authority of this section shall be sealed with the seal of the Regional Corporation and signed by the chairman or by some other person authorized by by-law to sign it, and by the treasurer, and may be expressed so as to bear interest only upon such money as may be borrowed thereon from the time when such money is actually lent.

Creation of charge

(6) The Regional Council may by by-law provide or authorize the chairman and treasurer to provide by agreement that all or any sums borrowed for any or all of the purposes mentioned in this section shall, with interest thereon, be a charge upon the whole or any part or parts of the revenues of the Regional Corporation for the current year and for any preceding years as and when such revenues are received, provided that such charge does not defeat or affect and is subject to any prior charge then subsisting in favour of any other lender.

Execution of agreements

(7) Any agreement entered into under subsection 6 shall be sealed with the corporate seal and signed by the chairman and treasurer.

Penalties for excess borrowings

(8) If the Regional Council authorizes the borrowing of or borrows any larger amount than is permitted under this section, every member who knowingly votes therefor is disqualified from holding any municipal office for two years.
(9) If the Regional Council authorizes the application of any revenues of the Regional Corporation charged under the authority of this section otherwise than in repayment of the loan secured by such charge, the members who knowingly vote for such application are personally liable for the amount so applied, which may be recovered in any court of competent jurisdiction.

(10) If any member of the Regional Council or officer of the Regional Corporation knowingly applies any revenues so charged otherwise than in repayment of the loan secured by such charge, he is personally liable for the amount so applied, which may be recovered in any court of competent jurisdiction.

(11) Subsections 8, 9 and 10 do not apply to the Regional Council or any member of the Regional Council or officer of the Regional Corporation acting under an order or direction issued or made under the authority of The Municipal Affairs Act, nor do they apply in any case where application of the revenues of the Regional Corporation is made with the consent of the lender in whose favour a charge exists.

**DEBT**

92.—(1) Subject to the limitations and restrictions in this Act and The Ontario Municipal Board Act, the Regional Council may borrow money for the purposes of,

(a) the Regional Corporation;

(b) any area municipality;

(c) the joint purposes of any two or more area municipalities,

whether under this or any general or special Act, and may issue debentures therefor on the credit of the Regional Corporation.

(2) All debentures issued pursuant to a by-law passed by the Regional Council under the authority of this Act are direct, joint and several obligations of the Regional Corporation and the area municipalities notwithstanding the fact that the whole or any portion of the rates imposed for the payment thereof may have been levied only against one or more of the area municipalities, but nothing in this subsection affects the rights of the Regional Corporation and of the area municipalities respectively as among themselves.

(3) Notwithstanding any general or special Act, no area municipality has, after the 31st day of December, 1972, power to issue debentures.
Uncompleted works

(4) When an area municipality, prior to the 31st day of December, 1972,

(a) has applied for and obtained the final approval of the Municipal Board in respect of any work, project or other matter mentioned in subsection 1 of section 64 of The Ontario Municipal Board Act; and

(b) has entered into a contract for or authorized the commencement of such work, project or matter but has not prior to that date issued the debentures authorized,

the Regional Council, upon the request of the council of the area municipality, shall pass a by-law authorizing the issue and sale of debentures of the Regional Corporation for the purposes and in the amount approved by the Municipal Board and shall, if required by the area municipality, issue such debentures and provide temporary financing for the area municipality in the manner provided in section 94, and no further approval of the Municipal Board is required.

(5) Bonds, debentures and other evidences of indebtedness of the Regional Corporation shall be deemed to be bonds, debentures and other evidences of indebtedness of a municipal corporation for the purposes of The Trustee Act.

93.—(1) Subject to the limitations and restrictions in this Act and The Ontario Municipal Board Act, the Regional Corporation may by by-law incur a debt or issue debentures for the purposes set forth in subsection 1 of section 92 and, notwithstanding any general or special Act, such by-law may be passed without the assent of the electors of the Regional Area.

(2) Where, under any general or special Act, an area municipality cannot incur a debt or issue debentures for a particular purpose without the assent of its electors or without the concurrence of a specified number of the members of its council, the Regional Council shall not pass a by-law authorizing the issue of debentures on behalf of such area municipality for such purpose unless such assent or concurrence to the passing of the by-law by the Regional Council has been obtained.

(3) Nothing in subsection 2 requires the assent of any electors where such assent has been dispensed with under section 63 of The Ontario Municipal Board Act.

94.—(1) When the Municipal Board has authorized the borrowing of money and the issue of debentures by the Regional
Corporation for its purposes, the Regional Council pending the issue and sale of the debentures may agree with a bank or person for temporary advances from time to time to meet expenditures incurred for the purpose authorized, and may by by-law pending the sale of such debentures or in lieu of selling them, authorize the chairman and treasurer to raise money by way of loan on the debentures and to hypothecate them for the loan.

(2) When the Municipal Board has authorized the borrowing of money and the issue of debentures by the Regional Corporation for the purposes of an area municipality, the Regional Council or the council of the area municipality pending the issue and sale of the debentures may, and the Regional Council on the request of the area municipality shall, agree with a bank or person for temporary advances from time to time to meet expenditures incurred for the purposes authorized, and the Regional Council may, on the request of the area municipality shall, pending the sale of such debentures or in lieu of selling them, authorize the chairman and treasurer to raise money by way of loan on the debentures and to hypothecate them for the loan, and shall transfer the proceeds of such advance or loan to the area municipality.

(3) The Regional Corporation may charge interest on any proceeds of an advance or loan transferred under subsection 2 at a rate sufficient to reimburse it for the cost of such advance or loan.

(4) The proceeds of every advance or loan under this section shall be applied to the purposes for which the debentures were authorized, but the lender shall not be bound to see the application of the proceeds and, if the debentures are subsequently sold, the proceeds of the sale shall be applied first in repayment of the loan and, where the debentures were issued for the purposes of an area municipality, the balance, subject to section 106, shall be transferred to the area municipality.

(5) Subject to subsection 4, the redemption of a debenture hypothecated does not prevent the subsequent sale thereof.

95.—(1) Subject to subsection 2, a money by-law for the issuing of debentures shall provide that the principal shall be repaid in annual instalments with interest annually or semi-annually upon the balances from time to time remaining unpaid, but the by-law may provide for annual instalments of combined principal and interest.
(2) A money by-law for the issuing of debentures may provide that the principal shall be repaid at a fixed date with interest payable annually or semi-annually, in which case debentures issued under the by-law shall be known as sinking fund debentures.

(3) Notwithstanding any general or special Act, the whole debt and the debentures to be issued therefor shall be made payable within such term of years as the Municipal Board may approve.

(4) The by-law may provide for raising in each year, by special levy or levies against one or more area municipalities, the whole or specified portions of the sums of principal and interest payable under the by-law in such year, and each area municipality shall pay to the Regional Corporation such sums at the times and in the amounts specified in the by-law.

(5) The by-law shall provide for raising in each year, by a special levy on all the area municipalities, the sums of principal and interest payable under the by-law in such year to the extent that such sums have not been provided for by any special levy or levies against any area municipality or municipalities made especially liable therefor by the by-law.

(6) Any special levy against an area municipality imposed by the by-law under the authority of subsection 4 may be levied by the area municipality against persons or property in the same manner and subject to the same limitations as if it were passing a by-law authorizing the issue of debentures of the area municipality for the same purpose for the portion of the debt levied against it under subsection 4.

(7) Notwithstanding subsection 5, the Regional Council may by by-law,

(a) authorize the borrowing of money by the issue of instalment debentures, the last instalment of which shall mature not earlier than ten years after the date upon which they are issued, and a specified sum of principal payable thereunder in the final year shall be raised by the issue of refunding debentures as provided in clause b, and it shall not be necessary to raise by special rate in the year of maturity of the debentures to be refunded an amount equal to the specified principal amount of the debentures which are being refunded; and

(b) authorize the issue of debentures to refund at maturity outstanding debentures of the municipality,
provided that the refunding debentures shall be payable within the maximum period of years that was approved by the order of the Municipal Board for the repayment of debentures issued for the debt for which the outstanding debentures were issued, commencing on the date of the debentures originally issued for such debt.

and any such by-law shall provide that the sums of principal and interest payable under the by-law shall be raised by a special levy or levies against such area municipality or municipalities as may be specified in the by-law and such levy shall be levied against the same area municipality or municipalities in each case.

(8) Any special levy against an area municipality imposed by the by-law under the authority of subsection 7 may be levied by the area municipality against persons or property in the same manner and subject to the same limitations as if it were passing a by-law authorizing the issue of debentures of the area municipality for the same purpose for the portion of the debt levied against it under subsection 7, and any levy imposed by a by-law under clause b of subsection 7 shall be levied by the area municipality against the same persons or property as the levy imposed by the related by-law under clause a of subsection 7 was levied.

(9) All levies imposed by the by-law against an area municipality are a debt of the area municipality to the Regional Corporation.

(10) The Regional Council may by by-law authorize a change in the mode of issue of the debentures and may provide that the debentures be issued with coupons instead of in amounts of combined principal and interest or vice versa, and where any debentures issued under the by-law have been sold, pledged or hypothecated by the Regional Council upon again acquiring them or at the request of any holder of them, may cancel them and issue one or more debentures in substitution for them, and make such new debenture or debentures payable by the same or a different mode on the instalment plan, but no change shall be made in the amount payable in each year.

(11) All the debentures shall be issued at one time and within two years after the passing of the by-laws unless, on account of the proposed expenditure for which the by-law provides being estimated or intended to extend over a number of years and of its being undesirable to have large portions of the money in hand unused and uninvested, in the opinion of the Regional Council it would be of advantage to so issue them,
and in that case the by-law may provide that the debentures may be issued in sets of such amounts and at such times as the circumstances require, but so that the first of the sets shall be issued within two years, and all of them within five years, after the passing of the by-law.

(12) All the debentures shall bear the same date, except where they are issued in sets, in which case every debenture of the same set shall bear the same date.

(13) Notwithstanding the provisions of the by-law, the debentures may bear date at any time within the period of two years or five years, as the case may be, mentioned in subsection 11 and the debentures may bear date before the date the by-law is passed if the by-law provides for the first levy being made in the year in which the debentures are dated or in the next succeeding year.

(14) The Municipal Board, on the application of the Regional Council, the council of any area municipality or any person entitled to any of the debentures or of the proceeds of the sale thereof, may at any time extend the time for issuing the debentures beyond the two years, or the time for the issue of any set beyond the time authorized by the by-law.

(15) The extension may be made although the application is not made until after the expiration of the two years or of the time provided for the issue of the set.

(16) Unless the by-law names a later day when it is to take effect, it takes effect on the day of its passing.

(17) Notwithstanding any general or special Act, the Regional Council may borrow sums for two or more purposes in one debenture by-law and provide for the issue of one series of debentures therefor.

(18) Section 290 of The Municipal Act applies mutatis mutandis to the Regional Corporation.

(19) The by-law may provide that all the debentures or a portion thereof shall be redeemable at the option of the Regional Corporation on any date prior to maturity, subject to the following provisions:

1. The by-law and every debenture that is so redeemable shall specify the place or places of payment and the amount at which such debenture may be so redeemed.
2. The principal of every debenture that is so redeemable becomes due and payable on the date set for the redemption thereof, and from and after such date interest ceases to accrue thereon where provision is duly made for the payment of the principal thereof, the interest to the date set for redemption and any premium payable on redemption.

3. Notice of intention so to redeem shall be sent by prepaid mail at least thirty days prior to the date set for such redemption to the person in whose name the debenture is registered at the address shown in the Debenture Registry Book.

4. At least thirty days prior to the date set for such redemption, notice of intention so to redeem shall be published in The Ontario Gazette and in a daily newspaper of general circulation in the Regional Area and in such other manner as the by-law may provide.

5. Where only a portion of the debentures issued under the by-law is so to be redeemed, such portion shall comprise only the debentures that have the latest maturity dates and no debentures issued under the by-law shall be called for such redemption in priority to any such debentures that have a later maturity date.

6. Where a debenture is redeemed on a date prior to maturity, such redemption does not affect the validity of any by-law by which special assessments are imposed or instalments thereof levied, the validity of such special assessments or levies, or the powers of the Regional Council to continue to levy and collect from any area municipality the subsequent payments of principal and interest payable by it to the Regional Council in respect of the debenture so redeemed.

(20) The by-law may provide that the debentures to be issued thereunder shall be expressed and be payable,

(a) in lawful money of Canada and payable in Canada; or

(b) in lawful money of the United States of America and payable in the United States of America; or

(c) in lawful money of Great Britain and payable in Great Britain; or
(d) subject to the prior approval of the Lieutenant Governor in Council, in a currency other than that of Canada, the United States of America or Great Britain.

(21) Where under the provisions of the by-law debentures issued thereunder are expressed and made payable in lawful money of the United States of America or of Great Britain, or in any currency other than that of Canada, the Regional Council may in such by-law or in any amending by-law, in lieu of providing for the raising in each year during the currency of the debentures specific sums sufficient to pay interest thereon or instalments of principal falling due in such year, provide that there shall be raised yearly an amount as may be necessary for such purposes and as the requirements for such purposes may from year to year vary.

(22) When sinking fund debentures are issued, the amount of principal to be raised in each year shall be a specific sum which, with the estimated interest at a rate not exceeding 5 per cent per annum, capitalized yearly, will be sufficient to pay the principal of the debentures or any set of them, when and as it becomes due.

(23) When sinking fund debentures are issued, the sinking fund committee shall keep one or more consolidated bank accounts in which,

(a) the treasurer of the Regional Corporation shall deposit each year during the term of the debentures the moneys raised for the sinking fund of all debts that are to be paid by means of sinking funds; and

(b) there shall be deposited all earnings derived from, and all proceeds of the sale, redemption or payment of, sinking fund investments.

(24) When sinking fund debentures are issued, there shall be a sinking fund committee that shall be composed of the treasurer of the Regional Corporation and two members appointed by the Regional Council, and the two appointed members may be paid, out of the current fund of the Regional Corporation, such annual remuneration as the Regional Council determines.

(25) The Regional Council may appoint an alternate member for each of the appointed members and any such alternate member has all the powers and duties of the member in the absence or inability to act of such member.
(26) The treasurer of the Regional Corporation shall be the 
chairman and treasurer of the sinking fund committee and in 
his absence the appointed members may appoint one of 
themselves as acting chairman and treasurer.

(27) Each member of the sinking fund committee shall, 
before entering into the duties of his office, give security for the 
faithful performance of his duties and for duly accounting for 
and paying over all moneys that come into his hands, in such 
amount as the auditor of the Regional Corporation shall 
determine, and in other respects the provisions of section 233 
of The Municipal Act apply with respect to such security. 

(28) Two members of the sinking fund committee are a 
quorum, and all investments and disposals of investments must 
be approved by a majority of all the members of the committee.

(29) All assets of the sinking funds, including all consolidated 
bank accounts, shall be under the sole control and manage- 
ment of the sinking fund committee.

(30) All withdrawals from the consolidated bank accounts 
shall be authorized by the sinking fund committee, and all cheques on the consolidated bank accounts shall be signed 
by the chairman or acting chairman and one other member 
of the sinking fund committee.

(31) The sinking fund committee shall invest any moneys on 
Investments deposit from time to time in the consolidated bank accounts 
and may at any time or times vary any investments.

(32) The moneys in the consolidated bank accounts shall be 
Idem invested in one or more of the following forms,

(a) in securities in which a trustee may invest under The 
Trustee Act; 

(b) in debentures of the Regional Corporation; 

(c) in temporary advances to the Regional Corporation 
pending the issue and sale of any debentures of the 
Regional Corporation; 

(d) in temporary loans to the Regional Corporation for 
current expenditures, but no loan for such purpose 
shall be made for a period ending after the end of 
the calendar year in which the loan is made.

(33) Any securities acquired by the sinking fund committee 
as investments for sinking fund purposes may be deposited 
with the Treasurer of Ontario.
(34) The Treasurer of Ontario shall release, deliver or otherwise dispose of any security deposited with him under subsection 33 only upon the direction in writing of the sinking fund committee.

(35) All sinking fund debentures issued on the same date, payable in the same currency, and maturing on the same date, notwithstanding they are issued under one or more by-laws, shall be deemed one debt and be represented by one sinking fund account.

(36) That proportion of the amount of all earnings in any year, on an accrual basis, from sinking fund investments obtained by,

(a) multiplying the amount of all such earnings by the amount of the capitalized interest for that year under subsection 22 with respect to the principal raised up to and including such year for all sinking fund debentures represented by any sinking fund account; and

(b) dividing the product obtained under clause a by the amount of all capitalized interest for that year under subsection 22 with respect to all principal raised up to and including such year for all outstanding sinking fund debentures,

shall be credited to the sinking fund account mentioned in clause a.

(37) The treasurer of the Regional Corporation shall prepare and lay before the Regional Council in each year, before the annual regional levies are made, a statement showing the sums that the Regional Council will be required, by by-law, to raise for sinking funds in that year.

(38) If the treasurer of the Regional Corporation contravenes subsection 23 or 37, he is guilty of an offence and on summary conviction is liable to a fine of not more than $250.

(39) If the Regional Council neglects in any year to levy the amount required to be raised for a sinking fund, each member of the Regional Council is disqualified from holding any municipal office for two years, unless he shows that he made reasonable efforts to procure the levying of such amount.

(40) Notwithstanding this or any other Act or by-law, if it appears at any time that the amount at the credit of any sinking fund account will be more than sufficient, with the
estimated earnings to be credited thereto under subsection 36 together with the levy required to be made by the by-law or by-laws that authorized the issue of the debentures represented by such sinking fund account, to pay the principal of the debt represented by such sinking fund account when it matures, the Municipal Board, on the application of the sinking fund committee, the Regional Council or the council of an area municipality, may authorize the Regional Council or the council of an area municipality to reduce the amount of money to be raised with respect to such debt in accordance with the order of the Municipal Board.

(41) No money collected for the purpose of a sinking fund shall be applied towards paying any part of the current or other expenditure of the Regional Corporation or otherwise than is provided in this section.

(42) When there is a surplus in a sinking fund account, the sinking fund committee shall,

(a) use the surplus to increase the amount at the credit of another sinking fund account; or

(b) authorize the withdrawal of the surplus from the consolidated bank accounts, and the surplus shall be used for one or more of the following purposes,

(i) to retire unmatured debentures of the Regional Corporation or of an area municipality,

(ii) to reduce the next annual levy on account of principal and interest payable with respect to debentures of the Regional Corporation or of an area municipality,

(iii) to reduce the amount of debentures to be issued for other capital expenditures for which the issue of debentures has been approved by the Municipal Board,

and the surplus shall be used under either clause a or b for the purposes of the Regional Corporation or an area municipality in the proportion that the amount of the contribution for the purposes of each bears to the total contributions to the sinking fund account in connection with which the surplus arose.

(43) Notwithstanding that any sinking fund debentures have been issued for the purposes of one or more area municipalities, any deficit in the sinking fund account shall be provided by the
Regional Corporation out of its current funds and any surplus in the sinking fund account shall be used as provided in subsection 42.

96. — (1) If the Municipal Board is of the opinion that the current rate of interest so differs from the rate of interest payable on any debentures that remain unsold or undisposed of that the sale or disposal thereof may substantially decrease or increase the amount required to be provided under the by-law under which such debentures were issued, the Municipal Board may authorize the Regional Council to pass a by-law to amend such by-law so as to provide for,

(a) a different rate of interest;

(b) a change in the amount to be raised annually and, if necessary, in the special levies;

(c) such other changes in such by-law or any other by-law as to the Municipal Board may seem necessary to give effect thereto;

(d) the issue of new debentures to bear interest at the amended rate in substitution and exchange for such first-mentioned debentures; and

(e) the cancellation of such first-mentioned debentures upon the issue of such new debentures in substitution and exchange therefor.

(2) For the purposes of this section, the hypothecation of debentures under section 94 shall not constitute a sale or other disposal thereof.

(3) The Regional Council may by one by-law authorized under subsection 1 amend two or more by-laws and provide for the issue of one series of new debentures in substitution and exchange for the debentures issued thereunder.

(b) to reduce the next annual levy on account of principal and interest payable with respect to such debentures; or

(c) to reduce the amount of debentures to be issued for other capital expenditures of a similar nature for which the issue of debentures has been approved by the Municipal Board, provided that the principal and interest charges of such debentures are levied upon the assessment of the same class of ratepayers as was levied upon for the principal and interest charges of the debentures with respect to which the excess arose.

108. When the Regional Corporation intends to borrow money on debentures under this or any other Act, the Regional Council may prior to the issue thereof call for tenders for the amount of money required and the person tendering shall specify the rate of interest the debentures shall bear when issued at par.

(c) keep the accounts so as to exhibit at all times the state of every debt, and the amount of money raised, obtained and appropriated for the payment of it.
(2) The Regional Council may by by-law provide and direct that instead of a separate account of the interest upon every debt being kept, a consolidated account of the interest upon all debts may be kept, but which consolidated account shall be so kept that it will be possible to determine therefrom the true state of the interest account upon every debt and that provision has been made to meet the interest upon every debt.

110. If, in any year after paying the interest and appropriating the necessary sum in payment of the instalments, there is a surplus properly applicable to such debt, it shall so remain until required in due course for the payment of interest or in payment of the principal.

(3) The members who vote for such application are disqualified from holding any municipal office for two years.

112.
