(g) "operator", when used in reference to a mine, means the person that has the right to work the mine and win mineral substances from it, whether he does so himself or through his agents or servants, and "operate" and "operation", when used in reference to a mine, have a corresponding meaning;
(h) "output", when used in reference to a mine means the mineral substances raised, taken or gained from any mine in Ontario, if those mineral substances,

(i) are sold as such,

(ii) are not sold as such but are incorporated in any manufacturing process, or

(iii) are not sold as such or incorporated in any manufacturing process but are fed into a treatment plant at any mill, smelter or refinery and the product of their treatment or partial treatment is sold;

(i) "person" includes corporation, syndicate, trust, partnership, co-owners and, where the context permits, the heirs, executors, administrators or successors of any person;

(j) "taxation year" means the period for which the accounts of the operator of a mine are ordinarily made up and accepted for the purposes of assessment under this Act, and any change in a usual and accepted taxation year shall, for the purposes of this Act, be made only with the approval of the Minister, but no taxation year shall be for a period greater than fifty-three consecutive weeks. R.S.O. 1970, c. 275, s. 1; 1971, c. 14, s. 1, amended.

2. -(1) The taxes imposed under this Act accrue on the last day of the taxation year and the estimated amount thereof is payable to the Minister and must be in the hands of the Ministry not later than two months following the close of the taxation year. 1971, c. 14, s. 2 (1), amended.

(2) Every operator of a mine and every other person liable to pay a tax under this Act shall, at the time he makes the return required under section 6, pay the amount, if any, by which any tax that he estimates to be payable in the return that is required under section 6 exceeds the amount paid under subsection 1. 1971, c. 14, s. 2 (2), amended.

3. (1) Every mine the profit of which, as determined under this section, exceeds $50,000 in a taxation year is liable for, and the owner, holder, tenant, occupier or operator of the mine shall pay, a tax of 15 per cent on the total profit of the mine as determined under this section for the taxation year. R.S.O. 1970, c. 275, s. 3 (1), amended.
(2) For the purpose of this section and section 6, all mines that are operated by, and the profits of which accrue to, the same person shall, for the purpose of determining the amount of tax payable under this Act, be deemed to be and be dealt with as one and the same mine and not as separate mines. R.S.O. 1970, c. 275, s. 3 (2), amended.

(3) The profit for a taxation year is the difference between, Ascertainment of profit:

(a) where the mineral substances raised, taken or gained from the mine are sold as such, the amount of the gross receipts from the output during the taxation year;

(b) where the mineral substances or a part thereof are not sold as such, the amount of the actual market value at the pit's mouth of the mineral substances raised, taken or gained from the mine that are,

(i) incorporated in any manufacturing process, or

(ii) fed into a treatment plant at any mill, smelter or refinery and the product thereof is sold, in the taxation year; or

(d) the cost of transportation of any output sold, incorporated in a manufacturing process or treated, if paid or borne by the operator;

(e) the proper working expenses of the mine, both underground and above ground, including salaries and wages of all necessary employees employed at or about the mine and the proper salaries and office expenses for necessary office work done at the mine and at the head office of the mine and in immediate connection with the mining operations;

(f) the cost of power, light and transportation used in the mining operations and in handling the mineral substance taken from the mine;
(g) the net cost of food and provisions if supplied by the operator to the employees of the mine;

(h) the cost of explosives, fuel and any other supplies necessarily consumed in the mining operations;

(i) any proper outlay incurred in safeguarding or protecting the mine, mineral substance or output;

(j) the cost of proper insurance upon the output and upon the mining plant, machinery, equipment and buildings used for or in immediate connection with the mining operations or for storing the mineral substance, if paid or borne by the operator;

(k) an allowance for depreciation in each taxation year of not less than 5 per cent and not more than 15 per cent of the cost to the operator computed at the close of the taxation year of the mining plant, machinery, equipment and buildings until the full cost thereof has been allowed as an expense under this clause, but where the mining plant, machinery, equipment and buildings or any part thereof have been disposed of by the operator, the proceeds from such disposal shall be applied to reduce the cost to such person of any additions thereto made in the taxation year, and where such proceeds exceed the cost of such additions, the excess shall be applied to reduce the balance remaining to be depreciated of such assets acquired in previous years, and where no such balance remains to be depreciated, the excess shall be applied to reduce deductions otherwise allowable under this subsection, and where any such disposal is made at any time after the close of mining operations, the tax for the last taxation year shall be reassessed for the purpose of depreciation recovery where applicable;

(l) notwithstanding anything in this subsection, at least 15 per cent of the expenditure following the commencement of production that is incurred for actual exploration and development work done in Ontario with the object of finding, testing or opening up deposits of mineral substances, if the following conditions are met:

5. Separate accounts of the expenditure are kept and furnished to the mine assessor in reasonable detail with the return required under section 6;

(m) donations actually made for charitable, educational or benevolent purposes that are approved by the mine assessor; and

(n) an allowance for the cost of development of the mine of 10 per cent per annum of the capitalized cost of development, provided,

(i) that such mine came into production after the 1st day of January, 1965,

(ii) that the ore taken from the mine is beneficiated, at least to the smelter stage, in Canada,

(iii) that it is assumed that 10 per cent of the cost of such development has been written off for each taxation year of production prior to the first taxation year in which the ore or part thereof is or has been treated to at least the smelter stage in Canada or prior to the taxation year ending in the year 1969, whichever is the later, and

(iv) that if any portion of the ore has been or will be smelted outside Canada, then only that proportion of the annual allowance for the cost of development work that the selling value of the product of the ore treated to at least the smelter stage in Canada bears to the selling value of all products of the mine will be permitted as a deduction.

R.S.O. 1970, c. 275, s. 3 (3), amended.
(4) No allowance or deduction shall be made in respect of,

(5) In determining the amount of the tax under this section where the period of production is, in the opinion of the mine assessor, for a period of less than twelve months, the amount of the profit for the period of production shall be multiplied by the quotient of 365 divided by the number of days of production, and the rate mentioned in subsection 1 shall be applied to the product thereof in the same manner as though such product was the true profit for the taxation year, and the amount so determined shall be multiplied by the quotient of the number of days of production divided by 365. R.S.O. 1970, c. 275, s. 3 (6).

4. — (1) The operator of every mine from which any mineral substance is raised, taken or gained shall, within ten days after the commencement of the active operation of the mine, give written notice to the mine assessor of the fact that the mine is in active operation, and such notice shall state the name and address of the operator of the mine and of the owner, holder, tenant and occupier of the mine if other than the operator and shall forthwith give written notice to the mine assessor of every change in the name or address of any of such persons and such notice shall further clearly set forth an address for service for each of them where any notice or demand that may be given under this Act may be given or served.
(2) Any notice or demand required or provided for by this Act shall be deemed to have been properly and sufficiently given or served to the owner, holder, tenant, occupier or operator if mailed by registered mail to the address for service for such person given by the operator, and in case no address for service is given as herein required, then any notice or demand required or provided for by this Act is sufficiently given or served if the same is mailed by registered mail to any address that the official or person sending the notice or demand considers most likely to bring the notice or demand to the attention of the person to whom it is directed. R.S.O. 1970, c. 275, s. 4 (1), part, amended.

(3) The operator of every mine shall forthwith give written notice to the mine assessor of every discontinuance of the active operation of the mine and of every recommencement thereof after discontinuance. R.S.O. 1970, c. 275, s. 4 (1), part, amended.

5.—(1) No person shall ship, send, remove or carry away or permit to be shipped, sent, removed or carried away from the mine from which the same has been taken any mineral substance or any product thereof until notice has been given to the mine assessor as required by section 4 that the mine from which the mineral substance or product is taken is in active operation. R.S.O. 1970, c. 275, s. 5, amended.

(2) Every person who contravenes subsection 1 is guilty of an offence and, on summary conviction, is liable to a fine of not more than $5,000. R.S.O. 1970, c. 275, s. 32; 1971, c. 14, s. 11, part, amended.

6.—(1) On or before the last day of the month that ends six months following the close of the taxation year, every operator of every mine in Ontario shall, without notice or demand, deliver to the mine assessor a return containing an estimate of the tax for which the mine of which he is the operator is liable, and the return shall contain full particulars of every calculation and fact upon which the estimate is based, and the return shall be verified by a certificate stating that the information included in the return is in agreement with the books required to be kept under this Act, and such certificate shall be signed by a person who has personal knowledge of the affairs of the mine, but the mine assessor may require the person who certifies the return to verify under oath the return or any part thereof, and any person so required shall forthwith make and file with the mine assessor an affidavit verifying the truth of the matters and facts contained in the return. R.S.O. 1970, c. 275, s. 6 (1, 2), part, amended.
(2) The mine assessor, or any officer of the Ministry who is authorized by the Minister so to do, may in writing demand from any person liable to pay the tax imposed by section 3 or from any person believed to have knowledge relevant to the proper assessment of tax under this Act that such person make a return to the mine assessor containing the information required by subsection 1, or that such person furnish to the mine assessor any information necessary to enable the mine assessor to make a full and complete assessment under this Act or a proper estimate of any tax that may be due under this Act and every such person upon receipt of the demand shall make and deliver the return to the mine assessor or officer of the Ministry, as the case may be. R.S.O. 1970, c. 275, s. 6 (1), part, amended.

Notice of assessment

7.—(1) The mine assessor shall examine the returns delivered under section 6 together with any other information furnished under this Act, and shall send to every person liable to pay the tax imposed by section 3 a notice of assessment confirming or altering the amount of tax that has been estimated to be payable and any amount of tax that is assessed to be payable over the estimated amount shown in the return shall be paid within one month after the mailing of the notice of assessment, whether or not an appeal of the assessment is taken under this Act. R.S.O. 1970, c. 275, s. 11 (1), amended.

Refunds

(2) Where the amount of the tax that is assessed is less than the amount paid to the Minister on account of tax for the taxation year with respect to which the assessment is made, the amount that has been paid to the Minister in excess of the tax assessed shall be remitted forthwith to the person who paid such excess amount. R.S.O. 1970, c. 275, s. 11 (2), amended.

Recovery of taxes

(3) Where an assessment made under this Act is not appealed within the time provided by this Act, the amount of tax shown in the assessment is the amount of tax for which the mine assessed is liable and which the owner, holder, tenant, occupier or operator of that mine is required to pay, and the Minister may forthwith take all remedies available to him under this Act or at law to recover all taxes, penalties and interest provided for by this Act, and all taxes the assessment of which has not been appealed within the time provided for by this Act and all penalties and interest provided for by this Act are a debt due to Her Majesty in right of Ontario for which every person by whom such taxes, interest and penalties are payable is accountable. New.

Appeal

8.—(1) Where any person who is assessed to pay any taxes levied on a mine under this Act is not satisfied with the
notice of assessment of such tax that is sent to him under section 7, he may appeal the assessment within thirty days after the day on which the notice of assessment is mailed but shall, before commencing the appeal, pay to the Minister the amount of taxes and interest, if any, required to be paid by the notice of assessment, and may then commence the appeal by delivering to the Minister either personally or by registered mail a written notice of his appeal setting out the reasons for his objection to the assessment and the allegations of fact and law on which he relies to support his objection to the assessment. R.S.O. 1970, c. 275, ss. 10 (2, 4), 11 (1), part, amended.

(2) Subject to subsection 4, where notice of appeal of an assessment is delivered as provided for in this section, the Minister shall, in writing, refer the appeal to the Mining Commissioner or to the Ontario Municipal Board to be tried and determined and shall forthwith inform the appellant and furnish to him a copy of the writing by which the appeal has been referred. R.S.O. 1970, c. 275, s. 10 (4), amended.

(3) When the Minister has referred an appeal under this Act, the Mining Commissioner or the Ontario Municipal Board, as the case may be, shall proceed to try and dispose of the appeal, and for all purposes of hearing, inquiring into and disposing of the appeal has the same power to enforce the attendance of witnesses and to compel them to give evidence and to produce documents and things as is vested in any court in civil cases, and the disposition of the appeal that is made by the Mining Commissioner or the Ontario Municipal Board, as the case may be, is, for the purposes of this Act, final and conclusive subject to the right of appeal therefrom to the Court of Appeal as hereinafter provided. R.S.O. 1970, c. 275, s. 10 (5), amended.

(4) Where an appellant under this section and the Minister agree in writing upon a statement of all the facts that are relevant and in issue on an appeal under this section, the appellant may, whether or not the matter has been previously referred by the Minister to the Mining Commissioner or the Ontario Municipal Board, set the appeal down for hearing and determination by a judge of the Supreme Court in accordance with the practice and procedure of that court in matters or causes where all the facts in issue have been agreed upon.

(5) An appeal lies to the Court of Appeal from any decision of the Mining Commissioner or the Ontario Municipal Board under subsection 3 or of a judge of the Supreme Court hearing an appeal under subsection 4, provided that notice of such
appeal is delivered or served by the party appealing within fifteen days after the making of the decision that is appealed, and the procedure upon and governing such appeal to the Court of Appeal shall be, as far as may be, the same as upon an appeal to the Court of Appeal in any civil action, but leave to appeal is not necessary. R.S.O. 1970, c. 275, s. 10 (8), amended.

(6) In any appeal that is heard under subsection 3, the Mining Commissioner or the Ontario Municipal Board hearing the appeal may make such order as to the payment of the costs of the proceedings as seems just, and may direct that such costs be taxed by a taxing officer of the Supreme Court and any costs so taxed shall be paid forthwith after the taxation thereof. R.S.O. 1970, c. 275, s. 10 (6), part, amended.

(7) Where the amount of tax that is finally determined to be payable pursuant to an appeal under this Act is less than the amount of tax that has been assessed and paid, the difference shall be refunded to the appellant, and where the amount of tax that is finally determined to be payable pursuant to an appeal under this Act is more than the amount of tax that has been assessed and paid, the appellant shall pay the difference forthwith to the Minister. R.S.O. 1970, c. 275, s. 10 (9), amended.

(8) In any appeal under this section or in any action under this Act, any person and any officer or servant of any corporation, whether or not the person or corporation is a party to the appeal or to the action, may be examined upon oath and shall make production upon oath of any documents, records or things that may be in the possession or under the control of the person or corporation in the same manner as a party to an action in the Supreme Court may be required to attend for examination and to make production, but this subsection does not apply to the Minister or to any officer or servant of the Crown other than the mine assessor, an assistant mine assessor or a special mine assessor. New.

9.—(1) Every person liable to pay the tax imposed by section 3 shall keep at or near the mine proper books of account showing the quantity, weight, value, composition and other particulars of the mineral substances raised, taken or gained from the mine, and such books shall also show the returns from the mill, smelter or refinery and all receipts derived from the sale of the output or the product of the output of the mine and no mineral substance raised, taken or gained from any mine shall be removed from the mining premises or treated at any mill, smelter or refinery until the weight of the mineral substance has been correctly ascertained and entered in the
books of account, and such person shall also keep proper books of account showing each of the several expenses, payments, allowances and deductions mentioned in section 3, and showing any other facts and circumstances necessary or proper for ascertaining the amount of tax imposed by this Act. R.S.O. 1970, c. 275, s. 7 (1), amended.

(2) The mine assessor may determine the number and character of books required to be kept under subsection 1 and may require that the books of account mentioned in subsection 1 be kept at such place in Ontario as the mine assessor determines. R.S.O. 1970, c. 275, s. 7 (2), amended.

10.—(1) The Lieutenant Governor in Council may appoint an officer to be known as the mine assessor. R.S.O. 1970, c. 275, s. 8, part, amended.

(2) The Minister may appoint one or more officers of the Ministry to be assistant mine assessors. New.

(3) The Minister may from time to time appoint any officer of the Ministry or any other person to be a special mine assessor and to perform for a specified time or in a specified locality or in any special matter or case the duties of the mine assessor set out in this Act, and every special mine assessor, while he acts in that capacity, shall be deemed to be an officer of the Ministry, and it is his duty, under the direction of the Minister, to perform the specific duties assigned to him by the Minister and to report to the Minister at the times and in the manner directed by the Minister. R.S.O. 1970, c. 275, s. 8, part, amended.

11.—(1) It is lawful at all times for a mine assessor, assistant mine assessor or special mine assessor to enter upon any mining premises in Ontario for the purpose of making inquiries, obtaining information and otherwise performing his duties under this Act, and for any of these purposes a mine assessor, assistant mine assessor or special mine assessor may descend all pits and shafts, and may use all tackle, machinery, appliances and things belonging to the mine as he considers necessary or expedient, and shall be given free ingress and egress to, from and over all buildings, erections, structures and vessels used in connection with the mine and any mill, smelter or refinery at which the mineral substance taken from the mine is treated or in any way modified and shall be allowed to take from time to time from any mining premises such samples or specimens of mineral substance as he desires for the purpose of determining by assay or otherwise the value of any mineral substance being taken from the mine or the
value of any product of the output of the mine that results from the treatment or modification of any mineral substance taken from the mine and shall be given full and complete access to all books of account, letters and other documents kept or used for or in connection with the work and business of the mine or with the sale of the output or the product of the output from the mine, and may examine the same and take copies thereof or extracts therefrom, but any information of a private or confidential nature acquired by a mine assessor, assistant mine assessor or special mine assessor under this section shall not be communicated or disclosed to anyone except in so far as it is necessary to do so for the purposes of this Act. R.S.O. 1970, c. 275, s. 9, amended.

(2) In this section, "mineral substance" includes diatomaceous earth, limestone, marl, peat, clay, building stone, stone for ornamental or decorative purposes, non-auriferous sand or gravel, natural gas or petroleum or sodium chloride recovered by the solution method. R.S.O. 1970, c. 275, s. 1.

12. Where a person that is liable for payment of tax under section 3 is also, during any taxation year in which such tax is payable, liable to a municipality for a tax under section 28 of The Assessment Act the tax that, in the taxation year, is payable and paid under section 28 of The Assessment Act may be deducted from the tax payable for the taxation year under this Act. R.S.O. 1970, c. 275, s. 12, amended.

13. Where any doubt arises as to the liability of any person to pay the whole or any part of the taxes and penalties imposed under this Act, or where owing to exceptional circumstances, it is considered inequitable to demand payment of the whole amount of any taxes and penalties imposed under this Act, the Lieutenant Governor in Council may compromise and settle the matter by accepting such amount as he considers proper and in case the taxes or the penalties or both have been paid he may refund them or part of them to the person making the payment. R.S.O. 1970, c. 275, s. 13, amended.

14. The Lieutenant Governor in Council may remit the tax imposed by section 3 upon the profits arising out of the mining of iron ore where he is satisfied that the iron ore has been smelted in Canada or delivered to a blast furnace in Canada for the purpose of being smelted in Canada. R.S.O. 1970, c. 275, s. 14, amended.

15. (1) Where the amount of tax paid under subsection 1 of section 2 is less than the amount payable as shown in
the notice of assessment issued under subsection 1 of section 7, the person liable to pay the tax shall pay interest, at such rate per annum as is prescribed by the regulations, on any outstanding balance of tax, from the date set out under subsection 1 of section 2 to the date such balance is paid, provided such interest charge shall be suspended for the period from the date that all information, as required by the mine assessor so that he may complete the assessment, has been submitted to him in writing, to the date one month following the mailing of the notice of assessment.

(2) If any such balance is not in the hands of the Ministry within one month of the mailing of the notice of assessment, a penalty as provided for under subsection 4 shall be added to the amount of tax outstanding, and the person liable to pay the tax shall pay such interest on that amount from the date one month following the mailing of the notice of assessment to the date final payment is in the hands of the Ministry.

(3) Where the amount of tax paid under sections 2, 6, 7 and 8 is more than the amount shown on the notice of assessment issued under subsection 1 of section 7 or more than the amount finally determined where an appeal is taken under section 8, interest at such rate per annum as is prescribed by the regulations shall be paid to the person liable for such tax from the date that all information as required by the mine assessor so that he may complete the assessment has been submitted to him in writing, or from the date payment of any additional tax as required by the notice of assessment referred to herein is made, to the date the amount of the tax has been assessed under section 7 or has been determined under section 8, as the case may be.

(4) Where any tax imposed under this Act is not paid at the time provided, 10 per cent shall be added thereto forthwith and 10 per cent shall be added on the same day of each year thereafter so long as the tax remains unpaid, and such additional amounts shall for all purposes be deemed to be a tax payable under this Act. R.S.O. 1970, c. 275, s. 23 (3).

(5) Any payment, other than a payment of penalties made to the Minister under this Act shall first be applied in payment of any interest that may be payable on the tax imposed by this Act. New.
16. Every person who fails to deliver a return that he is required to deliver under section 6 is liable for and shall pay to the Minister a penalty of $50 for each day during which he fails to deliver the return and any such penalty may be demanded in any notice of assessment provided for in this Act and may be recovered in any manner provided in this Act for the recovery or collection of tax but interest shall not be charged, recovered or collected on any such penalty. R.S.O. 1970, c. 275, s. 24; 1971, c. 14, s. 5, amended.

17. Every person who knowingly makes or signs any false statement or furnishes any false or incorrect information to the mine assessor, an assistant mine assessor, a special mine assessor or to any officer of the Ministry authorized by the Minister under section 6, with respect to any matter or thing as to which information is required under this Act or who keeps or causes or permits to be kept any false or incorrect book or accounts regarding anything required under this Act is, in addition to any other liability under this Act, guilty of an offence and on summary conviction is liable to a fine of not more than $5,000. R.S.O. 1970, c. 275, s. 31; 1971, c. 14, s. 10, amended.

18. All taxes, penalties and interest payable under this Act are a special lien on the mine and upon the leases of and rights respecting the mine and upon all machinery upon or connected with the mine in priority to every claim, privilege, lien or encumbrance of any person, whether the right or title of such person has accrued before or accrues after the attaching of such lien, and this priority shall not be lost or impaired by any neglect, omission or error of any official, officer or person, or by want of registration, and such lien may be realized by action for sale of any or all property, leases and rights that are subject to such lien. R.S.O. 1970, c. 275, s. 26; 1971, c. 14, s. 7, amended.

19. In addition to any other remedy for the recovery of any tax imposed under this Act, an injunction or an order in the nature of an injunction or the appointment of a receiver with all necessary powers, or such other relief or remedy as seems necessary or expedient for securing payment of the tax may, in any case where any tax under this Act is overdue or where the payment of any accrued or future tax seems in danger, be obtained by application to a judge of the Supreme Court or county or district court at the instance and in the name of the Minister to prevent the removal, transportation or transmission of any ore, mineral substance or mineral-bearing substance, or to prevent or restrict mining operations, or to provide for such operations upon such terms and conditions as the judge considers proper. R.S.O. 1970, c. 275, s. 28 (1); 1971, c. 14, s. 9 (1), amended.
20. Where, contrary to this Act, any person refuses or neglects to permit the mine assessor, assistant mine assessor or special mine assessor to examine, inspect or make copies of any books, records or documents in the custody of or under the control of such person, or where any person obstructs the mine assessor, assistant mine assessor or special mine assessor in the performance of any duty imposed or authorized by this Act, the Minister or Deputy Minister may apply ex parte to a judge of the Supreme Court or county or district court, and the judge may order the production and delivery of such books, records or documents for inspection and copying or enjoin such person from such obstruction. New.

21. Where default is made in the payment of any taxes, interest or penalties imposed under this Act, the taxes, interest and penalties may be levied and collected by distress, together with all costs of distress, upon the goods and chattels wherever found of the person or any person liable therefor under a warrant signed by the Minister or Deputy Minister directed to the sheriff of any county or district in which the person in arrear may have any goods or chattels, and in such case the sheriff shall realize the amount directed to be realized by the warrant together with all incidental costs by sale of the goods and chattels distrained or of so much thereof as may be necessary to satisfy the amount directed to be levied by the warrant together with the costs of the distress and sale. R.S.O. 1970, c. 275, s. 30, amended.

22. (1) If any tax, interest or penalty imposed by this Act is not paid when due, the same may be recovered with costs from any person liable for payment of the tax, interest or penalty by an action to be tried without a jury at the suit of the Minister in any court of competent jurisdiction. R.S.O. 1970, c. 275, s. 27; 1971, c. 14, s. 8, amended.

(2) Any action that may be brought under this Act may be brought by the Minister as plaintiff, and it is not necessary to name the Minister, and the action does not abate by reason of a change in the person of the Minister or by reason of the office being vacant at any time, but the action may proceed as if no change had been made or no vacancy existed. R.S.O. 1970, c. 275, s. 29.
